Welcome

to the Wilkinridge Stock Farm Annual Bull Sale.

It is 40 years ago this spring that the first 1/2 blood Maine-Anjou calves were born at Wilkinridge Farm. As impressed as we were with these first calves, we could not have foreseen them being the beginning of what would become one of the largest herds of purebred Maine-Anjou cattle in North America. We liked a lot of things about those first calves and from that have developed a herd of easy keeping, low maintenance cows with ample production. Although they were brought over for their exceptional growth rate, the females surprised a lot of people by being fertile, efficient cows with a very good temperament.

We added Red Angus to our program 25 years ago. As with the Maines, we have strived to develop a herd of functional, low maintenance cows that will produce bulls that will work for the commercial cattleman. These bulls are good footed, good butted with lots of rib; ample testicular development and easy to look at.

This year for the first time, we are happy to have Walking Plow Charolais as a guest consignor in our sale. Cliff and Warren have a good set of yearlings and two year-old bulls, so with three breeds we will have something for everyone.

These bulls are all vaccinated, semen tested and guaranteed. If you purchase at this sale you will have a working bull in your pasture. Some of our bulls are on a Grow Safe Feed Efficiency feed system so we will have individual feed conversion information on these bulls at sale time.

We appreciate your interest in our sale and will be pleased to help you in any way we can.

**Come early & stay late.
Lunch & hospitality is on us!**

Sid & Patty

Wilkinridge

STOCK FARM

We pride ourselves in producing top quality breeding bulls. We feed high roughage growing rations to ensure longevity, structural soundness and fertility. All bulls are semen tested and vet inspected.

MAINE ANJOU

1075 is the first of Caboose sons catalogued. Caboose was the pick of Lloyd Cavers bull calves at his dispersal sale. These are his first set of calves and are everything we hoped for. They are structurally correct with lots of body. They have good feet and legs. They should be what commercial cows need.

A message from

the Graydons

We at Walking Plow would like to thank Wilkinridge Stock Farm for inviting us to join in its Annual Bull Sale. It has been a pleasure working with Sid and his crew.

It is a great time in the cattle industry as producers are seeing record breaking calf prices and as always, Charolais sired calves are in great demand. We have been breeding Charolais cattle for 43 years and have strived to develop a solid purebred herd with strong maternal, fertility, feed efficiency, calving ease and performance qualities.

We would like you to review the catalogue to see the type of bulls we have on offer. You are always welcome at the farm to look at the herd and the offered stock.

Thank you

Cliff, Rose, Amy, Warren, Venessa, Bailey, Colby and Renee

GCT 11Z is another good, sound two year-old bull. His mother, 9N is still in the herd because she does it every year for us. He will carry the genetics into his calf crop for sure.

Terms and Conditions

- Terms** The terms of sale are cash or cheque payable at par. Settlement to be made immediately after the completion of the sale. The right of property shall not pass until after settlement is made. All settlement must be made with the clerk of the sale before any cattle will be released. All monies are Canadian funds.
- Bids** Every animal entering the sale ring will be sold to the highest bidder.
- Disputes** In case of disputes, bidding will be re-opened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision of all disputes is final.
- Announcements** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.
- Purchaser's Risk** Each animal becomes the risk of the purchaser as soon as sold.
- Insurance** An Insurance agent will be on hand sale day.
- Accidents** Although every precaution will be taken to protect the safety and comfort of the buyers, neither the sale management nor the auctioneer assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.
- Liabilities** All persons attending the sale do so at their own risk and sellers assume no liability, legal or otherwise for any accidents occurring in or about the premises.
- Export Testing** Required health certificates for cattle being exported will be provided.

GUARANTEE

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. Should your bull fail to be a satisfactory breeder, he will be replaced with a bull of equal value or a credit will be given towards the purchase of another bull from that contributor. We will not provide replacement or credit for physical injury or mismanagement. An insurance agent will be available sale day. Therefore we stress the importance of insurance on your bull.

All scrotal measurements will be available on Sale Day.

Explanation of EPD's

- BW:** Birth Weight - expressed in pounds, is a prediction of a sire's ability to transmit birth weight to his progeny.
- WW:** Weaning Weight - expressed in pounds, is a predictor of a sire's ability to transmit weaning growth to his progeny.
- YW:** Yearling Weight - expressed in pounds, is a predictor of a sire's ability to transmit yearling growth to his progeny.
- Milk:** A predictor of a sire's genetic merit for milk and mothering ability as expressed in his daughters.

Explanation of Performance Data

- BW:** Actual birth weight.
- ADJ 205:** Weaning weight adjusted to 205 days and for age of dam.
- WDA:** March 1st weight divided by days of age.
- 365 Day WT:** W.D.A. x 365 days.

Calving Ease

- * Recommended for mature cows
- ** Excellent on cows or well grown heifers
- *** Calving ease specialists
