Bay gelding. Very broke, with a set of pants on him! Big Sug has been used lots in the roping pen on both ends, and the breakaway. Been hauled to jackpots. Would make an awesome horse for a high school rodeo girl as it wouldn’t take much to make him into a deluxe pole and goat horse. He’s had lots of cutting training, and is bred to work a cow. Been used on the ranch to gather and sort on. Got a very smooth, natural stop.

Sorrel gelding. Alex is a stout made gelding. This easy going, multi use gelding has been on the ranch for 4 years as he is one of our favourites and go to horse for a few family members. Alex has been used on the heeling and heading side at rodeos and jackpots. He has been used extensively for all ranch jobs from gathering and sorting to branding with all levels of ropers using him. Alex has seen lots, as he has been to the mountains with us as well. Any questions or if you would like more information contact:

Palomino gelding. Angus is a solid, seasoned finished head horse. Angus has been hauled all over Alberta and into BC to jackpots. He is the same for every steer, good in the box, runs hard to the cow, handles steers well and has a good face up. After your run he walks back to the box quiet and ready to make the next run. I used Angus at the Spring Thaw jackpot all day, we run over 40 steers and he was the same on every steer. Riding Angus will not only get you noticed because he is a good looking palomino but because he works great. He is great for the whole family to ride. Our sons, 7 and 4, warm him up for me lots and we never have to worry.

Kody Potts 780-349-1427

Bay gelding. Spicy is a solid head horse! 15.2 hands, good with his feet, bathing, loading. He has treated us well in and out of the arena. Spicy is a money winner at WRA and LRA rodeos including the finals! Jackpots-he is ready for anyone to go have fun! This gelding has helped teach my 9 year old to head steers! We have drug calves to the fire, treated cattle in the pasture, been to the top of a mountain or two. Give us a call and come have a look!

Murdock Keith 780-206-5715

LOT 6

14 YEAR OLD HEEL HORSE

Gray grade gelding. Stewy is a “been there done that” heel horse. He’s a cute little gelding with an all business attitude. Stewy has been hauled and won on everywhere from the pro rodeos and open jackpots to the number 8 draw pots and all girl ropings—he’s as solid as they come. Been rode by a 9 heeler down to a 4. Stewy is small (about 14 hands) but extremely gritty and tough as nails. I’ve tied on while heeling on him and he won’t get pulled out of the stop. Rope 5 steers or 25 - he’ll be the same on every one. Stewy is sound and requires no maintenance, I’ve never had to have any vet work done on him.

Bay gelding. This is a beautiful gelding that is guaranteed to turn some heads. Boon has been around the team roping world on the heading side and seems to really enjoy being hauled. He has done his time ranching and had many miles of checking and doctoring cattle. Boon stands a perfect size of 15.1. He was one of our favorites to start as a colt as he was always so easy and smart. He has a big loving personality and can get along with anyone.

Sorrel gelding. Good foot, good bone, big hip. Dually stands a strong 15 hh, he has no vices and is UTD on vaccinations and dental. He is a patient horse and all business. Dually started his career with Seth Abrahamson with 4 months cowhorse training. From there he spent a season at a community pasture with Tucker Ayers as a 3 yr old. He is no stranger to moving cattle, sorting pairs and doctoring. His 4 yr old year was in training with Dawson and Dillon Graham and placed 3rd in the 2018 Brandon Rope Horse Futurity. He was hauled to and won on at numerous jackpots. This spring Tyler Getz took him to his first branding and he drug calves like a pro. He has been a favourite on our ranch, Doug's go to horse! His pedigree speaks for itself, he is bred to work cows.
