2026-11-28 9:00 AM

Judged by: Ryley Noble, Lloydminster, SK, Toby Noble, Lloydminster, SK

Ryley Noble: I grew up on our family farm Black Gold Simmental by Lloydminster, SK. We started showing cattle in 4H and that led to a love of the show world. We have been exhibiting cattle at Lloyd Stockade, Farmfair and Agribition for about 15 years since and several other fall shows and jackpots across Western Canada. I was a part of the judging team at Hutchinson Community College then obtained my degree in Animal Science at the University of Saskatchewan. Today, I am involved in the family farm and work as a Beef Consultant for Bullseye Feeds. Thank you to the Agribition committee for asking Toby and I out, it has always been a dream of mine to judge at CWA.

Toby Noble: Toby was raised on his family farm, Black Gold Simmental, located northeast of Lloydminster. Growing up, he always had a passion for Simmental cattle and loved attending livestock shows. After high school, Toby attended College in Hutchinson, Kansas, where he was a member of the livestock judging team. Since then, he has returned home and works full time on the family farm. They currently run about 400 purebred Simmental cows and a handful of Angus cows. They host an annual bull sale the second Saturday in March, and a female sale alongside Greenwood Cattle the second Thursday in October.
