8th Annual Bull Sale

with Guests Johnson Charolais &
Triangle Stock Farm

Charolais Bulls

Simmental Bulls

**David, Kristina,
Kendall & Marshall Prokuda**

Box 275
Glenevis, AB T0E 0X0
Phone: 780-932-1654
Email: prochar@xplornet.ca • www.prochar.ca

Welcome to the 8th Annual Pro-Char Bull Sale at the farm. On behalf of Kristina, Kendall and Marshall, I would like to offer thanks and appreciation to everyone who has supported us in our previous sales. As I go through our last years buyers list all but two are repeat buyers, this is greatly appreciated that buyers keep coming back! This year will be 30 years since buying my first two Charolais heifers and some of you have been buying my bulls from the beginning.

Last year we calved a lot of heifers and second calvers so you will notice a lot of low birth weight calving ease bulls that still performed well. As well this year we have the tan and white cow bulls and only a couple darks. The majority of the Bulls are sired by Sparrows Casino 511C. Casino is a great combination of bloodlines with his dad being LT Blue Value and his mom being out of the Sparrows Casina cow family, sired by Skaggs and she is also a full sister to Braxton! I invite you to have a look at our Casino two year olds, they are the best sire group of females we have had. Something new this year we have decided to offer pick of our 2018 replacement heifers, Lot 48.

Once again Triangle Stock Farm and Johnson Charolais are consigning their Simmental and Charolais yearlings. You are welcomed to stop in and tour the bulls anytime, if you have any questions don't hesitate to give us a call.

The bulls will be videoed and the videos are available for viewing a couple of weeks before the sale at www.prochar.ca. They will be penned outside and awaiting your scrutiny pre-sale, but sold inside our heated shop for your comfort. Make sure to come early to have a good look at them because they will not enter a ring on sale day. Internet bidding will be available for your convenience through DLMS, please give Mark a call with any questions or to register before the sale. Please make sure to be early to be our guests for a pre-sale luncheon and some refreshments at 12:00 noon. See you sale day,

David Prokuda

OFFERING - 79 Bulls

57 Charolais Yearlings

4 Charolais 2 Year Olds

18 Simmental Yearlings

Pick of the Pro-Char Heifer Pen

Delivery & Board:

We will deliver the bulls free of charge to central points in Alberta, and will arrange trucking anywhere else at minimal costs. We offer free board until April 1, 2019. All bulls staying and going back to the farms must be insured and all yearling bulls left after April 1, 2019 will be charged \$3.00/day.

Take your Bull sale day and we will take \$100 off of the purchase price.

Volume Discount:

3 Bulls or more purchased from one consignor will receive a 5% Discount on the Purchase Price.

Payment:

The terms of the sale are cash or cheque payable at par at sale location on sale day

Semen testing:

All bulls will be scrotal measured and semen evaluated prior to the sale.

Right to Draw Semen

Pro-Char, Johnson Charolais and TSF reserve the right to draw semen on any of the sale offering for in herd use only, this will be at the sellers expense and at the owners convenience.

Calving Ease Score:

- 3 - Recommended for use on mid to large framed first calf heifers.
- 2 - Recommended for use on mid framed young cows.
- 1 - Recommended for use on cows.

Breeder Guarantee:

All bulls sell under the standard terms and conditions set out by the Canadian Charolais Association and the Canadian Simmental Association.

Directions to the Farm:

FROM Gunn Esso go 10kms north west on Hi-way 43, turn North on TWP RD 554A, follow Service road 1 km.
FROM Glenevis go 1 km east on Hi-way 43, turn North on TWP RD 554A, follow Service road 1 km.

Customer Testimonial

“Two years ago I bought 2 Heifer Bulls from Pro-Char to breed my Sim/Angus commercial replacement heifers. We calved 47 and assisted 3. Calves turned out real nice and fit in great with the rest of my Char cross calves in the Fall. The neighbours got excited one day when they stopped in to tell me my Charolais Bulls had broken out with my heifers! They haven't seen anyone in our area breed heifers to Charolais Bulls. They worked very well for me!”

Jamieson is one of my picks of the Bulls. Very correct calf with lots of hair and capacity. He had a full brother that was a high seller in last years sale that sold to Twin Anchor, and they are calving their heifers out to him with great success. This spring his cow had a full brother again that looks great. Jamieson will be a great herd Bull and with the way the Casino females are turning out it will be even better.

Barbosa was one of my favourites as a calf and still is now. His mom is one of the best uddered cows in the herd and has now had her third Casino. The Casino daughters are amazing females and very consistent. His 3/4 brother was our high seller in last years sale, Ronaldo, and is working great. Barbosa is very long bodied and hard to get a good picture, check out his video!

Here is Richmond, a Casino son off the great 7X cow. Smooth polled, moderate framed and very deep bodied just like his 9 year old mom. We flushed 7X and lost some time on her so Richmond is an off age born June 1/17. 7X is also the mother of Pro-Char Exotic 94D who was the high selling half French calf we sold a couple years ago to Lakeview Charolais and Misty Hills. Between the three of us we will have over 70 calves born this spring. Richmond had a low birth weight and I believe he would work on some heifers. Combining 2 greats, Casino and 7X.

Another end of April coming two year old who will cover a lot of ground. This is the fourth son we have sold out of the 33W cow.

Pick of the Pro-Char Heifer Pen

It has been a while since we sold any females so this year in our Bull sale we decided to sell pick of the 2018 replacement heifers. The group consists of 40 heifers with over a third of them being Casino daughters, this is the second year for the Casino's. Be sure to check out the Casino two year olds that are milking, they are super uddered females and we are very excited about them. The balance of the heifer pen consist of the first daughters of Pro-Char Exotic 94D, ABC Caballerro C854, Beck's Citation 615D, Pro-Char Resistol 57D, Sparrows Allie 646D, and Pro-Char Slugger 49D. We feel there is a heifer for any program in this group that you can take in any direction.

We start breeding heifers on March 25th and would that the the pick be made before the start of breeding season unless prior arrangements have been made. For questions on the pick and discuss the heifers on offer please feel free to call.

Welcome to the 8th Annual Pro-Char Bull Sale. Thank again to last year's Bidders and Buyers. A special thank you to the Prokuda Family once again for letting us consign bulls to their sale, we are truly grateful to be such good friends with the Prokudas.

Our offering of bulls is another strong group from top to bottom. When it comes to a strong set of bull's consistency is key and to keep that consistency it takes top notch herd bulls and most importantly a strong set of mama cows. Our bulls are backed with strong maternal traits, functionality and performance. We are a terminal breed, performance is key to get more money in the producer's pockets. The basis of our bull pen comes from the likes of Crowd Favourite, Estevez, Déjà Vu and Dirty Harry. This year we have a large offering of the ever so popular Crowd Favourite. As you look through the bulls you will find that majority of the bulls are sired by our own home raised bulls. Two new bulls that we added to our bull battery are Déjà Vu and Dirty Harry. Déjà vu was our high seller in the 2017 sale to Stew-arts. Dirty Harry was kept back in herd to use and boy are we sure happy we did; his calves are flat out good. The goal and focus of our bull pen has not changed for the last 30 plus years, if we wouldn't use them in our own program why would we sell them to anyone.

Whether you are a spectator, friend, family or buyer, we would love to have you join us for some hospitality at the sale or stop by the farm. We would be thrilled to show you the cattle and have a visit.

HRJ MISS PARIS 40P

HRJ FAN FAVOURITE 804F carries all the attributes of a great herd bull; stellar hair coat, sound powerful structure, big foot and above average testicle development. 804F is the highest indexing bull to date at Johnson Charolais that rocks the scale. One look at his 1290lbs weaning weight tells you just how masculine, stout and powerful this guy really is. When it comes to females and cow families in a herd there are good ones, great ones and the elite ones; the Paris cow family, 7S is the elite type. Miss Paris 7S has produced a number of great herd bulls including Bulletproof and Crowd Favourite. Fan Favourite made a number of friends throughout the fall, he was Grand Champion Bull Calf Olds Fall Classic and was Legends of The Fall Champion Charolais Bull at Farmfair International. He also spiked international interest; Venturon Charolais has acquired the Australian Semen Rights. We look forward to working with the prospective owner cause we feel that 804F can do some great things.

The prospective buyer will receive 50 units of Venturon Hamish an exciting new outcross bull acquired from Venturon Charolais of Western Australia. **Retaining half interest, shared possession.**

Fortune 500 carries a lot of the same attributes that his great sire had; eye catching look, dimension of quarter, structural softness and a killer hair coat. We have a full sister to Fortune 500 milking she is one of our top ranked two year old's we have, she is just flat out good! Fortune 500 was one of our bulls that we had on display this fall he was Reserve Senior Champion Bull Calf at the National Show in Edmonton, was a finalist in the Players Club Jackpot, a member of the Champion Breeders Herd, Champion Get of Sire and Champion Charolais Pen of Three. Here is a bull that will take your program to new heights in both replacement females and bulls.

Flora Bama may just be one of the most underated bulls in the pen, his birth to weaning spread is hard to over look and he is ranked #2 in the pen at yearling index. Flora Bama ties in a tidy front with added extension through his neck and lays it into a smooth flat shoulder. Some of his best attributes would be his attractive skull, length of spine and great hair coat. This cow family is relatively a new and young family within our herd but they are the steady Eddies constantly producing replacement females and bulls at the top of the pen.

Fort Knox is a bull that is easy to fall in love with. He is a super soft bodied, easy fleshing, smooth shouldered and jointed. He is extremely flexible and athletic on the go with all the mass and power you could want. His dam is also the mother to HRJ Apache 3A, a senior herd sire that is doing wonders at Cedarlea Charolais. Déjà Vu 654D was a bull that sold in the 2017 sale to Sunblade Charolais, he sired the Grand Champion Heifer Calf at Brandon Ag Ex which went on to be Reserve Grand Champion female. We used Déjà Vu to add belly, moderate birth weights without losing performance and to make sound functionable cattle. Fort Knox is a bull with versatility that can be used in a vast number of ways and do a lot of good in any herd.

ACC ELVIRA 644S

Frank The Tank says it all with this guy! He is an absolute TANK! He is hands down the stoutest and heaviest muscled bull in the pen. The day this calf hit the ground we were blown away with his width of top, huge loin and dimension of quarter. When you get them this stout and heavy muscled it is hard to keep them sound BUT Frank The Tank ties it all together on a sound set of landing gear. Here is a guy that someone could play around with building some deadlii show steers, or turn him out on a group of British cows, then watch your neighbours rubber neck while going by your pastures when his calves hit the ground.

Welcome to the 8th Annual Pro-Char Bull Sale. The 2019 Red & Black Simmental Bulls come with some fresh genetics tracing back to MRL Whiskey & Cobra. These grandsons in the pen have been impressive with growth, added length, quiet dispositions and the type to increase your ROI. Our average WW went up and these bulls have excelled since weaning being developed on a ration built for longevity and productivity. We would like to thank all of our previous buyers who have supported TSF (over 1/2 of our bulls last yr sold to repeat buyers). Thank you once again to the Pro-Char family for hosting such a great Annual Bull Sale. We look forward to visiting with you sale day and if we can be of any assistance prior to the sale please call or email. We welcome you to view the bulls & their dams at the farm any time prior to the sale.

TERMS & CONDITIONS

TERMS - The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable time.

ANNOUNCEMENTS from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - The proper Registration or Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is

assumed by Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

GUARANTEE - All animals will carry standard breeding guarantee as specified by the Canadian Charloise Association & Canadian Simmental Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Owners, auctioneer, or Sale Staff assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both.

Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.
