Sight Unseen Purchase Plan

If you are unable to attend the sale, contact a consignor and we will personally go over the bulls and your bull power needs. We know our cattle and can select a bull to suit your needs.

Breeding Evaluation & Semen Test

Breeding Evaluation & Semen Test will be completed on all bulls. Supplemental sheets will be available on sale day with scrotal measurements and sale weights.

Announcements

Announcements at the sale by the owners will take precedence over information in the sale catalogue.

Insurance

Any bulls returning to the breeder's farm require insurance available through Canadian Farm Insurance Corp.

Delivery

Free delivery of bulls at the purchaser's risk within a 400 KM radius of Grande Prairie. Delivery beyond this radius will be at cost. Bulls may be kept by the consignor, free of charge until April 1, 2015. Should the purchaser wish to extend the bull's stay beyond this date, the cost of care and feed will be \$3.00/day/bull.

Consignors preference would be that 2 year old and older bulls are picked up on sale day. Any questions please talk to the consignor.

\$75 OFF the price of each bull that buyers take home on sale day.

Willowdale Simmentals

Once again we are offering a solid group of Polled Simmentals and Red Angus. We try to keep calving ease and performance in our herd sire selection criteria. At weaning we select bulls showing performance and a good disposition.

A number of bulls are from AI sires that have been proven: LFE Red Casino, Odin, Imax and Rushmore. Our walking herd sires include Sunny Valley Banker, LFE Lewis 820Y and IPU Accelerator 206U. The Accelerator bulls are our last, as we sold this good bull to a neighbour. We are awaiting calves from our new herd sire, CMS Keystone332A from Czech-Mate Simmentals. He will add thickness and muscle mass to his progeny.

For many years our selection of sires has been dominated by the desire to have a polled herd and deliver polled bulls to our buyers. We continue with this and have taken the extra step this year, selecting 17 bulls to be tested for the homozygous polled gene. In the information on the bulls you will note that some are specified as homozygous polled. They should give you only polled calves. Three Red Angus bulls, calving ease bulls that will work.

All bulls are fed by hand on a low grain ration and free choice hay. We want these bulls to last for our customers. Bulls come with a complete herd health protocol through Greenview Vet Clinic. All bulls are semen tested prior to sale day and guaranteed to be satisfactory breeders.

We would like to thank our past customers. Call or visit the farm and we can discuss your bull power needs.

Dale, Judy, Kent, Trena, Braden and Kylie

A gracious thank-you to everyone who bought bulls or showed interest in our program over the past year.

Once again, we have an exceptionally strong set of Simmental bulls with the addition of six out crossed, big rugged Black Angus bulls. Featuring 2 Black Angus heifer bulls with the performance and muscle to use on your cow herd.

These bulls are semen tested and tie broke. They have had no creep and have had full herd health.

Classic Livestock

Welcome to the 2015 edition of the Peace Country Supreme Bull Sale. What a difference a year makes! Even the most optimistic cattleman would not have predicted the price levels that our industry has reached over the past year on all classes of cattle.

A big thank-you goes out to all past buyers and bidders of our bulls at Grande Prairie. We're looking forward to seeing you at VJV Beaverlodge this year and meeting new customers as well.

As in years past, our 2yr. old bulls will come to sale in their working clothes. They have been back-grounded on a very low energy ration as yearlings, grassed this summer and fall and started on a hand fed, low energy (72.5 TDN) pellet, in early December. They have been bred and fed to cover a lot of ground, a lot of females and last a long time. These factors will result in your cost per service using our bulls, to be as competitive as anywhere in the industry.

As our consignment is all 2yr. olds we'd prefer they are picked up sale day. If you are unable to take them home sale day, we will work to accommodate your needs. Any bulls returning to our farm need to be insured.

Please call if you have any questions. We look forward to seeing you sale-day or at home prior to the sale for a look at the bulls. We always enjoy talking cattle.

The Iwaszuk Family

Silver S Red Angus

Another year has come and gone and we would like to send out a big Thank you to our customers, families and all those who have supported us as we continue to grow and develop our program.

The pen of bulls we are bringing to the sale this year have been on a simple, modest feed program giving you a chance to see them in their true form, and allowing for easy transition to a new home and new feed program. We have a good mix of bulls coming this year so we can find one to suit your specific needs.

Please feel free to call us anytime, we are more than happy to answer any questions you may have or arrange an on Farm visit. Thank you once again to last years buyers and we hope to see you all in March!

Leading us off this year is a dark red bull sired by Full Throttle, a son of the famous Red Ter-Ron Fully Loaded. These calves are known for having lots of rib and this bull in particular is low maintenance. He has many of the quality characteristics of the Fully Loaded bloodline which are supported by the maternal side of his pedigree. His Dam is a hard working female with a good udder.

This little bull is the product of our favorite AI cross, Full Throttle and Kleskun Lake Lady 28T. 28T is one of the top cows in our herd, consistent with her calves, throwing strong, high gaining bulls that perform well. 2A is long bodied, smooth and moves out well. He was also used in the 2014 breeding season with heifers and has lots of potential.

This bull is a freight train. Sired by one of our own home raised bulls, 22A's Paternal Grandmother was the top cow in our herd, living to the age of 17 years. 10E was known for being small but mighty, she had good structure and an exceptional udder. With his size and frame, this bull is recommended for use on cows.

Terms and Conditions

Terms: Terms of the sale are cash or cheque – payable in Canadian funds at par immediately following the sale. The right of ownership shall not pass until after settlement is made. All settlements must be made before any animals are released.

Disputes: The Auctioneer shall control the bidding at all times. In case of disputes the Auctioneer's decision shall be final.

Purchaser's Risk: Each animal becomes the risk of the Purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

Announcements: Announcements from the auction stand will take precedence over any printed matter.

Accidents: All precautions possible will be taken to protect the safety of the buyers. Grande Prairie Livestock Market nor any owner assumes responsibility in this matter and disclaims any liability, legal or otherwise, in the event of accidents or loss of property.

All Sales of Animals: Shall be by auction and shall be

conducted by the Auctioneers. The contributor has the privilege of making one bid which shall be presented to the auctioneer before the animal enters the sale ring.

Absentee Bids: Mailed or telephone bids shall be handled in a confidential manner if you are unable to attend the sale in person.

Breeding Guarantees: The seller warrants clear title to and the right to sell each animal offered for sale.

All bulls offered will have passed a semen evaluation and are warranted to be sound, however, the seller is not responsible for damage caused by foreign objects after the bull has been sold nor sickness that was not apparent at the time of the sale.

Breeder's Guarantee: All bulls offered will have passed a semen evaluation and warranted to be sound (by a certified veterinarian) as per breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price. All heifers are guaranteed open.

Certificate of Registry: A certificate of registry duly transferred to the buyer will be furnished for each registered animal after settlement is made.

Rights & Obligations: The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Shipping: Assistance may be given in making shipment after the sale, but no risk is assumed by consignors or the seller. Expenses incurred are the responsibility of the purchaser. Purchasers are required to furnish shipping instructions when making settlement. Any additional expenses are the responsibility of the buyer, including duty, brokerage fees, etc..

Retained Interest: Individual consignors reserve the right to collect "Owner's Use" semen from their bulls in this sale (at their expense and at the buyer's convenience).
