

7th Annual

Chittick Family Bull Sale

Friday, March 2, 2018
Video Sale Time 1:00 PM
At the Diamond Center,
Mayerthorpe, AB

Bulls On Display at the
Mayerthorpe Ag Barn

Welcome to the 7th Annual Chittick Family Bull Sale

It's Sale time again and we are happy to present our Annual Multi Breed Bull Sale. We are constantly striving to have a Bull for everyone's needs so we are pleased to offer 3 breeds once again - Red, Black and Fullblood Simmentals, Red & Black Angus and Herefords.

The Bulls we offer this year we feel are some of the best we have raised. We have an assortment of Heifer and Cow Bulls with great growth and performance as well as desired maternal traits.

We are keeping with the same sale format as previous. Once again the Bulls will be on display starting Thursday evening at the Mayerthorpe Ag. Barns and Sale Day Dinner and Video Sale will be at the Mayerthorpe Diamond Centre.

Sincere "Thank You" to everyone who has attended our Sales and a Special "Thank You" to all that have purchased a Chittick Bull. We hope the Bulls have worked well for everyone. We strive to have satisfied customers and working Bulls that are making the Farmer money. Our Families have worked very hard to present Quality Bulls. We feel that we are producing some of the best Bulls you can find. If you have any concerns at all, just contact us and we will take care of you.

We would also like to thank our extended Family and everyone else who helps out in any way during sale time and throughout the year. From our Barn crews sale day and on the farm, Bull prep crews that are cleaning, clipping & picturing. Some days have been very chilly and it is a lot of work but we are lucky to have great people who are always there to help and get the job done. A special "Thank You" to Mark Shologan and his staff for all they do for us - from picturing & videoing Sale Bulls, catalogue production, providing the internet sale as well as everything in general to ensure we have a successful sale.

We would also like to thank all the Sponsors who support us in any way from Catalogue Ads to Sale Day "extras" especially from Martin Deerline in Mayerthorpe. Your support is very much appreciated!

We hope to see you all Sale Day and any time before or after! Your visits are always welcome! All the best in 2018.

- Please Note Video Sale in Diamond Center -

This year the sale will sell as a video sale in a Heated Diamond Center. No live animals will enter the ring; the bulls will be penned a short walk away in the Ag Barns with pre-recorded videos played on large TV Screens during the sale.

Therefore, we encourage you to come early on Sale Day or stop by prior to the sale day to inspect the sale offering. View Video Clips on Each Lot Online at www.cattlevids.ca

RDC 14E - HOMO BLACK BLAZE FACE, HOMO POLLED, Hammer All In is a big, smooth, hairy, white faced Mr. Hammer 308A ET son. After seeing Hammer off spring at sales & shows, we were able to obtain a semen package hoping for similar type of results. We are impressed with the outcome. His mother MBJ 165Y is a big, black cow we purchased from Blacksand Dispersal in Manitoba. Hammer All In brings loads of performance as he is in the top 3% for weaning weight and top 2% for yearling weight of the Simmental breed.

RDC 7E - **HOMO BLACK and HOMO POLLED**, Duty Calls is out of a first calf heifer and what a job she did. He is out of SVF Allegiance Y802, a black blaze face A.I. bull we selected to use on some heifers. Duty Calls has an impressive set of numbers, he is in the top 25% for calving ease, top 20% for birth weight, top 10% for weaning weight and top 10% for yearling weight. He is a bull that just has a lot going for him, calving ease, performance and style. His mother has that same nice hair coat that he does, and she has a nice neat udder and small teats.

This is the Black Bull we purchased at the Blacksand Sale in 2014 where he was a high seller. Bellagio was purchased to use on our heifers and has done a very good job for the past three years. Bellagio has grew into a massive, powerful herd bull so we have now moved him into the Cow pen. Bellagio puts that extra thickness in his calves that we strive for. His Sire Springcreek Lotto 52Y sold for \$70,000. His Mother Nevas L93 is a great cow that sold in the Blacksands Dispersal sale for \$17,000. He has been a tremendous asset to our Bull Battery.

MR TR Hammer 308A ET was a top seller of the 2013 Hartman Sale for \$200,000. We were able to obtain a semen package on this world class individual. We are extremely impressed with our first calf crop from him and have kept a future MR TR Hammer son "Rachido Hammer Smash 2E" for Rachido Ranch's next herd sire. He has added tremendous style and performance to our program.

This is the bull we used on all our Heifers last year and couldn't be happier. His calves average birth weight was 79lbs. They are coming out super easy and up and sucking as soon as they hit the ground. His bull calves are stamped all the same, thick and meaty with great performance. We expect 19Y's Sons to leave the same stamp.

Blackberry was purchased from Starwest in the Spring of 2015. We were very happy to get the total package we were looking for. His performance is outstanding with an adjusted 205 day weight of 1010lbs. He is Homo Polled - Polled pedigrees are very important to us, saving our Customers the added work load of dehorning calves. Passes on Pigmentation keeping red eyes and nuts on his calves. Super Disposition! Blackberry is very quiet and easy to handle and passes it on to his calves.

LOVE
THE LAND

Just arrived and already famous — that's Alberta Beef in a nutshell. It's the result of generations of Albertans like you who put time, money and most importantly, heart and soul into raising cattle that are the envy of the world. It's a business, that's for sure. But it's more than that too. Much more.

You don't just follow the herd — you raise it. Stop by the nearest large branch or any one of our branches or agencies — we're in 242 Alberta communities. Long Love This Land.

CLEAN, DEPENDABLE, FUEL-EFFICIENT POWER. AND PLENTY OF IT.

Power is the key to superior tractor performance, and the M7 has plenty of power. But when a particularly tough job demands even more power, the M7 activates its Power Boost, and the engine instantly delivers more power to let you finish what you started.

The new M7 offers superior hydraulics and sophisticated control to get the job done quickly and efficiently. Kubota's V6300 engine delivers 160, 140, or 125 HP (2 models).
