Bonanza
40th Anniversary
Hereford Show
Program
Greetings from the Government of Saskatchewan

On behalf of the Government of Saskatchewan, welcome to the Canadian Junior Hereford Association’s 40th Anniversary Bonanza, and congratulations to the Canadian Junior Hereford Association on your 40th anniversary. It’s a pleasure to be hosting your celebration in our province.

Forty years is a significant milestone, and everyone associated with the Canadian Junior Hereford Association should be proud of the work you’ve accomplished in that time. That’s four decades of educating our youth about cattle, four decades of encouraging those youth to take a more active role in the agriculture industry and four decades of building new leaders; in short, it’s four decades of some truly outstanding work.

Thank you for everything you’ve done over the past 40 years. I look forward to seeing what you accomplish during the years to come.

Enjoy your Bonanza.

David Marit
Minister of Agriculture
Greetings From the City of Weyburn

We at the City of Weyburn are extremely proud to have been chosen by the Junior Herefords Showcase for their 4 Day “Bonanza”. This year marks the 40th Anniversary of this Junior Beef Event. This is one of the biggest junior beef cattle showcases in our country and we have the pleasure of welcoming this organization to Weyburn.

Agriculture is a vital part of our community and we believe that it is important to support this industry. By encouraging youth to be involved in this industry we ensure continual growth for our future. Youth involved in this program are learning valuable life skills that will add strength to our community.

Long hours were put into the raising of these cattle and now we get to celebrate all of your hard work. I personally wouldn’t mind celebrating with a nice 1 1⁄2 BBQ bone in BBQ prime rib steak.

On behalf of Weyburn City Council and the City of Weyburn, thank you to the Junior Herefords Association for choosing Weyburn to hold your 40th Bonanza.

Thank you and welcome everyone!

Mayor Marcel Roy

On behalf of the CJHA, I would like to welcome you to Bonanza 2019!

Each year, Juniors across Canada make new friends and memories they will carry throughout their life, and I’m sure this one will be no different.

Thank you to the Saskatchewan Hereford breeders who worked hard to pull this memorable event together. Like always, Bonanza 2019 will be one for the books!

Welcome to Weyburn!

Reggie Raymond
CJAH President
Welcome to Saskatchewan, Weyburn, and Bonanza 2019. It is our honour to welcome you to the Ruby (40th) celebration of Bonanza.

**Bonanza 2019 – Long Gone to Saskatchewan.**

Bonanza is the largest national junior cattle show in Canada. It is a fun-filled week of friendly competition, great cattle, and an amazing group of youth. I would like to personally thank the amazing group of organizers and sponsors who have helped organize and make this a successful event.

Without the tireless volunteers, and the generous support of our sponsors we would not be able to bring forth such a fantastic show. Without you, as exhibitors, and the friends and family who helped you arrive in Weyburn, we would not be able to show the talents of the youth in agriculture today. If you see a volunteer or a sponsor in the barn, please be sure to thank them.

I look forward to meeting each and every one, so please do not hesitate to find me if you have any questions or comments.

Good luck and enjoy our Bonanza’s Ruby celebration.

Carmen Millham
Bonanza Adult Co-Chairperson

I can’t believe Bonanza is here!! We are so very excited to be hosting the 40th Anniversary. It has been our summer holiday since my kids were very young. We have made many friends over the years and have been privileged to tour other provinces in the process.

Agriculture is a way of life that generates a passion for the land and for its people. The Bonanza Showcase allows our children to learn and network with their future friends and business associates. Many of the competitors here have had parents and grandparents be a big part of the last 40 years. The memories we have are many and I want to thank the association for providing such a strong program.

Bonanza has bought participants from all over the world and from many other purebred and commercial breeders herds. It says a lot for the Hereford program that it generates that kind of interest.

I hope you all enjoy the next five days. Special thanks to our strong committees, they put this show on without a hitch. It has been a pleasure to work with all of you.

Meet Our Judges

Jordan Bubba grew up as a 4th generation at Lewis Farms. She took Livestock Production at Lakeland College after high school and then returned to the farm full time to co-manage the 1000 hd of Simmental and Angus mother cows. Through this she was a large part in breeding, raising and developing many Canada wide high sellers thru their annual bull sale and bi annual female sale as well as thru consignment sales such as Checkers, Friday Night Lights and the Agribition Simmental Sale.

Jordan also was a large part in getting fall show cattle ready until the farm decided to take a break from show starting in 2013. Thru all this time she was still developing a purebred Shorthorn herd of her own. In the fall of 2013 she campaigned a yearling Shorthorn bull that went on to win both major fall shows in the west including the National Show, he also went on to win the National Western Stock Show in Denver that winter, making him the first bull in Shorthorn history to win to National Champion in two different countries in the same show year.

On the judging side of things Jordan has had the pleasure of judging many 4-H and junior association shows as well as a few majors being IPE, a few breed shows at Farmfair and most recently added the RBC Beef Supreme Show at Agribition to the highly regarded shows she has been able to judge.

Jordan has recently taken a step back from Lewis Farms to pursue a new life path. She is now helping to develop a Simmental herd for Blairs.Ag as well as picturing and videoing cattle with Golden Thread Livestock Images at her new location by Cochrane, AB.

Clint Morasch owns & operates Lazy MC Angus, a 200 head purebred Red & Black Angus cow calf operation on an irrigated land base in South Eastern Alberta, near Bassano.

Lazy MC Ranch hosts an annual bull sale the third Saturday in April at the ranch. 2019 marked the 23rd Annual. This first generation operation has also exhibited cattle at most North American shows, with both Canadian and US National Champions.

Both Clint’s children Laurie & Layne Morasch have also participated through the junior show programs. It has been a very rewarding learning experience.

Lazy MC is also home to the Bow Valley Genetics and Westgen embryo and semen collection facility.

Thank you to the Saskatchewan Junior Hereford Association for asking me to judge the 40th Canadian National Jr Show. I look forward to seeing all the great juniors and their projects.

Kind Regards

MAXXUM SERIES TRACTORS

A HARDWORKING, VERSATILE MACHINE THAT YOU CAN RELY ON.

Case IH Maxxum® series tractors combine efficient power with operator convenience. Powered by FPT engines, these multipurpose workhorse tractors deliver increased productivity, performance and fuel efficiency to handle the multiple tasks of livestock and row crop operations, specialty crop production or roadside mowing.

CUSTOMIZE YOUR MAXXUM TRACTOR TO MEET YOUR NEEDS

Maxxum series tractors are available with three transmissions – ActiveDrive 4 semi-powershift, ActiveDrive 8 dual-clutch transmission, and CVXDrive continuously variable transmission. Whether you prefer a top-of-the-line, superior operator environment or the basic comforts, Maxxum series tractors let you customize your experience to the level that meets your individual needs.

ROUND BALERS

CAPACITY WITHOUT COMPLEXITY.

Designed for the toughest crop types and conditions, the Case IH RB565 baler provides superior bale shape and density. This round baler is as smooth in function as it is in form. Behind the curvy exterior lies a machine that is more rugged than ever, and provides thorough windrow feeding from the pickup into the bale chamber. Combine that with a feeding system that has 20 percent more capacity plus a winning combination of rolls and belts to move the crop and bale fields faster than ever.

TRACTOR & BALER AUTOMATION

This system controls the tractor stop, bale wrap and bale eject functions without any operator input required. Paired with a Puma® or Maxxum tractor, operators can take advantage of ISOBUS Class 3 controls to automatically stop the tractor when the target bale size is reached. After that, net wrap is automatically applied and, when the wrap cycle is complete, the baler tailgate raises and lowers automatically to eject each wrapped bale. Once the completed bale is ejected, the operator can simply move the tractor shuttle lever to the forward position and go.

BALE WET OR DRY CROPS

From wet silage to dry hay and stalks, the new Case IH RB565 Premium HD round baler gives you the flexibility to bale more crops. It builds on the robust design, larger platform, and improved bale-rejection system of the RB565 family in addition to a higher torque load on the clutch cutout, a larger main gearbox with heavier output shaft and a larger roll drive chain. In short production windows, you’ll have the power to bale more - even at higher moisture levels.

Thank You for Supporting Bonanza!

The Keith Gilmore Foundation was established in 1987 with its headquarters located at the Canadian Hereford Association in Calgary, Alberta. It was established to provide scholarships to worthy applicants in the fields of agriculture, veterinary medicine and agricultural journalism. The foundation is named in honour of the late Keith Gilmore, editor and publisher of The Canadian Hereford Digest for 30 years. It recognizes his contribution to the Hereford breed, agricultural journalism and the beef cattle industry.
