CHALLENGE

Jay Sibbald & Madison Sibbald

Compass Ranch of Cochrane, AB

Jay Sibbald is a fifth-generation rancher who owns and operates Compass Ranch, which is named after their family brand which was registered in 1888. Jay grew up with a purebred Red Angus herd that started in 1971. With 200 purebred cows he and his wife Kari had many bull sales and heifer sales until 2007. After a break from the purebred world Jays daughters, Madison, Kylie and Kalsie, showed an interest and passion for showing cattle. So with a few purchases and flushing they will be expecting 50 head of purebred red and Black Angus calves to hit the ground in the spring. With a break from showing cattle for over 12 years, the highlight of last fall was showing a Black Angus pair they exhibited, receiving top 5 supreme at Farmfair and a top 10 finalist at Agribition.

Madison is the 6th generation on Compass Ranch and is currently studying at the University of Alberta, completing her pre vet courses with intentions of pursuing her DVM and specializing in theriogenology. Madison was the recent recipient of the National Young Cattleman title and won the Western Canadian Show Team Judging Finals this past summer in Bashaw. Jay and Madison are very honoured and grateful to judge the stars of tomorrow show here tonight!
