It is with much pride & enthusiasm we welcome you to the Early Sunset Ranch 38th Annual Only The Good Ones Sell.

So far, this winter has been a record buster, with that been said I am not buying into this climate warming myth. One thing I will say is Al Gore don’t know the difference between cheap shit and canned fruit.

Once again, the bull division is the stoutest & strongest group we have offered. There are many half brothers to keep consistency high. As always, the bulls have been raised in big areas to promote exercise & athleticism while being developed on a high roughage TMR Ration to promote longevity.

The female division is really intriguing as they come from the core of the herd. There are some rare finds in both the Angus & Simmental divisions.

Please do accept this as your personal invitation to be with us March 10 at Early Sunset. If you have any questions or concerns regarding the sale offering, please call to discuss your needs.

Jim & Peggy

Also we would like to welcome a familiar face and valued employee, Cory MacFarlane to the Early Sunset team. Cory (Charles) has vast knowledge of the program and will assist you if possible.

He can be reached at (306) 441-7932.

OBI Welcome

OBI is once again pleased to be working with Jim & Peggy Grant from Early Sunset Ranch in their Annual Bull & Female Sale.

The Angus and Simmental bulls are all very unique in pedigree with Early Sunset continuing to use the best A.I. sires in the industry. When touring thru the bulls, you sure do notice the shape and good feet on the athletic bulls, Early Sunset does build them for longevity for their customers. The bulls have a lot of room in the pens and are very docile with power and muscle built right in. They also weighed off very well for their weaning weights while have very moderate BW. Come take a look at them in person and see if you agree with the statements above.

The females selected for this year’s sale are picked thru by Jim with a lot of discussion and thought. The opportunity to obtain top end genetics in either breed is one to consider. The reputation of the Early Sunset program would suggest looking at these females as they do go out and work for their new owners.

We at OBI are very familiar with the Early Sunset program and if you need any assistance, please do not hesitate to call us, Jim, or any of the sales staff. See you at Edam, SK on the 10th of March.

Mark Holowaychuk, OBI

Bull Development Program

Bulls are developed on high roughage ration in large acres to ensure their freedom is not compromised result in sound herd bulls. Our goal is to engineer bulls that are athletic, sound, and ready to work in any commercial environment.

Early Sunset Bull Guarantee

Early Sunset guarantees to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. Should your Early Sunset bull fail to be a satisfactory breeder, he will be replaced with a bull of equal value, or a credit will be given towards the purchase of another Early Sunset bull. If you have a problem with our bull please notify us immediately.

Early Sunset $2 Dollar/Day

From May 1 we will charge $2 per/day for keeping your bull for a reasonable length of time. We will keep your bulls under good management and care, developing them as we do our own breeding stock. If your bull(s) are left in our care and management we require you insure them against death.

Early Sunset In Herd Use

Early Sunset Ranch reserves the right to draw semen for in-herd use on any bull in the sale; at the buyer’s convenience and our expense.

BULL WARRANTY

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.

NOTE: BULLS CAN BE WINTERED UNTIL MAY 1ST AT NO CHARGE BUT ALL BULLS ARE TO BE INSURED

Big solid Herd Bull Candidate! Deep Sided, thick, full of muscle and travels very well. A very good foot under him. Moderate BW with a very impressive adjusted WW of 901 lbs. Been one of my favorites from the very start.

Good haired, thick made bull out of a first calver that really out did herself on this one. I purchased this semen thru OBI to use on my heifers and what a job KG High Regard 2073 did for us. A top end heifer as well in the offering as Lot 50.
Rugged made Herdsire Candidate! Thick and deep sums him best. Out of a never miss cow. I have kept footnotes brief; these are my opinion only. It is your opinion that really matters.

As long as this winters been & way easier to take. Big topped, good headed; an individual who’s offspring should push the scale down extra far. Dam is a cornerstone cow here. A real breeding treasure. A little blast from the past here; Ankonian Elixir 100 son.

Powerful, big wide top, deep quartered and has that herd bull look about him. A lot of Valuable traits. A Paternal brother was one of the High Selling Angus Bulls to South Shadow Angus.

A real meat machine, good headed; a bull not to be overlooked.
An interesting piece; long, thick topped, deep sided, good headed bull that will add dimension to your program.

A good headed, stoughtly made calving ease bull.

This lad is deeply made, clean sheathed; just a darn good bull.
Good headed, solid made. If forage is short, this is the deal. Robert Lundquist finished grass fed steers from a 104Y son with most impressive results.

One of the youngest in the sale, this dude is built like a truck with the high end package.

Solid herd sire candidate that fits in really well with his pen mates.
If I could have took a carload of Simmental bulls to Denver, these Manifest bulls would have been rather impressive.

Well balanced Manifest son that is solid and is a clone to his brothers.

Another Manifest son that is sure to please. That is all I got!
This bull is softly made, stands solidly on a big foot, good headed bull that has many interesting attributes.

Another repeat performance of Manifest; they get better every time you look at them.

For fear of sounding like a broken record, this Manifest son is a total package.
Deep Sided, thick, good headed, good haired; a bull with lots of balance; typical Manifest son that has lots to offer.

Big wide topped, deep bodied, good headed; if one was sourcing a set of brothers to make a uniform set of calves; check these Manifest sons out. Maternal brother sold on last year’s sale to Jim Fulks from SpruceField Farms at Waskatenau, AB. The bull has done a very good job at his place.

This could be the best bull that Cory my herdsman has raised to date. Big solid whopper out of a 1st calver. Long topped, solid made bull that could complement most breeding programs especially with Otis as his sire; renowned calving ease sire.

Another one of Cory’s purebred bulls; this one is Hoc Broker that is strip faced bull that packs a lot of good things about him. His dam goes back above and beyond annually.
Old tuff reverse half blood. (Angus Sired Bull) Not pretty but he really has a lot of good traits. Need to study him.

Should be a calving ease specialist as we have used Odin in our heifer program.

A squarely made solid individual with much presence and balance.

Quite a bull here, well balanced package, most pleasing with that money strip faced.
Rugged made, well balanced, extra aged bull that will handle a larger number of cows or rougher conditions.

Stout & Mobile; will handle a bigger pasture and a larger number of cows; extra age bull.

$30,000 HERDSIRE TO RIVER POINT CATTLE & BAD COMPANY SYNDICATE IN FRIDAY NIGHT LIGHTS 2018. HE IS THE SON OF EARLY SUNSET QUEEN 8C
Intriguing Chevy daughter that will have a shining future. Out of a top end Chisum daughter and out of our famous Queen Mother cow line. Maternal and longevity built in.

Soft made heifer that puts it into a tidy package. Our only High Regard 2073 (the $70,000 herdsire that Hinman Angus bought from KG Ranch in their 2013 Bull Sale) daughter selling in this sale and she is a good one; great EPD’s across the board. Out of a first calving Chisum daughter tracing back to the Top Eileen cow family.

Good heifer and easy to look at; she will be a keepsake.
A very powerful Game Day 9D daughter that has some depth in her making while carrying herself very well in the pen. One to definitely check out sale day!

Solid female, cool fronted, long sided, wide topped, brood cow deluxe.

Another one of these heifers that are rather fascinating.
Wicked, cool looking; this heifer could be a great deal of fun this summer if I was somewhat less aged.

This is a fancy, little lady that I enjoy sitting on the bunk and admiring.
Deep bodied, most pleasing head and a striking presence to her.

Wide topped, soft made female that will be the front pasture headliner.

Good headed, lots of length, the cow maker kind.
