

21st Annual  
**ANNUAL BULL SALE**

*Saturday, March 9, 2019 2:00PM*  
at the Ranch, Kenaston, Saskatchewan

# Welcome

from Horseshoe E Charolais

Welcome Friends and Customers to our 21st Annual Bull Sale!

As time moves on, things change. Our girls have all grown up and are basically moved away from home. Shae-Lynn is an R.N. at St Paul's Hospital in Saskatoon. Shelby is convocating this year from the College of Agriculture with a degree in Ag Business. Calina spent her first year of college in Olds taking Ag Management and is playing basketball with the Olds College Broncos. With all that, Paula and I are short of help. We've increased our numbers a little, never hired anyone, and just worked harder. So we have decided to move the Bull Sale to the ranch.

The sale will be a video sale, so please come early and look through the bulls. If at all possible, take time to view the videos of the bulls prior to the sale, or you are more than welcome to stop in before the sale and we can show you the bulls one on one. Feel free to ask us questions about any of the bulls, their dams or their sires. We have raised most of their mothers and know a lot about them. If you can't come sale day, online bidding will be available through DLMS, or contact Layne, Paula or one of the sale staff. We would be happy to help you out.

We hope to see you March 9th! Join us for lunch in our heated sale barn. The bulls will be penned outside for viewing and we look forward to being your hosts.

## Welcome

from By Livestock

Welcome to the New Horseshoe E Charolais Annual Bull Sale. New because they have made some big changes to the sale this year. They are moving the sale home to the ranch near Kenaston from the previous location at Johnstone's in Moose Jaw. While doing this they are also going to a video sale in a brand-new heated building. The bulls will be displayed right outside the building but will not be coming through the ring to be sold. I like video sales because the atmosphere is a lot more relaxed for both the bulls and the buyers and that is important.

And as much as things are new, there are some constants. The sale bulls are as good as you will find this spring, with everything from calving ease to big performance bulls in both the two-year old and yearling pens. There are many  $\frac{1}{2}$  and  $\frac{3}{4}$  brothers for those that want to purchase multiple bulls and have some added consistency in their calf crop. There are many sons of the proven Legend and Maverick bulls who have done a great job across the country being bred to many heifers in many operations. There are some definite herdsire prospects again from the Agribition Reserve Champion Grizzly, and many other proven sires. The first sons of the Justice and Diesel bulls have some added punch in their pants for extra pounds at weaning. There are bulls for the most discriminating purebred or commercial producer with something in everyone's price range.

If you can't make it to the sale, come ahead of the sale, look through the bulls and bid online or on the phone sale day. Have a visit with Layne and let him help you with your selections. All the videos will be online ahead of the sale to view. If you can make it sale day, come early and have a look at all the bulls and enjoy some Evans hospitality and lunch before the sale.

If Jon, Candace or I can be of any assistance before the sale or on sale day, please don't hesitate to give us a call. We would be happy to find you bulls that are right for your program.

Always in the best interest of Charolais,

Helge & Candace By Jon Wright
