JONOMN
Hereford Ranch

Bull & Female Sale

Thursday - February 20, 2020- 1:00 pm
North Central Livestock Exchange
Clyde, Alberta

Welcome From Jonomn Hereford Ranch

Welcome to our 48th year of marketing bulls. Always a pleasure to visit with our loyal repeat customers and look forward to meeting new folks and friends alike. Our 2020 sale will once again be held at NCL Clyde, AB, where the bulls will be walked in the ring in front of you and online as well.

These cattle are working man's cattle. They are not pampered or highly managed. Their purpose here is to utilize all marginal, tough ground that Michael can't farm. They sell in their natural condition and will excel in most environments. Barring accident and rare circumstance, customers report excellent results from our bulls.

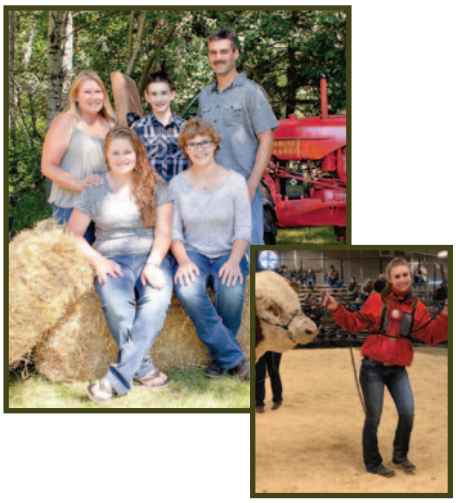
Our program is not high on electronically generated figures but on visual performance appraisal. Full spectrum, season long, all in appraisals for production & manageability in all environments. Joanne checking from her horse year round, Mike Grimmeyer and myself from birth to background to sale.

Emphasis on total management, performance and most of all reproduction. We evaluate from the ground up. Feet, legs, depth of rib, guts and do ability. Big quarter, level hip and thick strong top. Then we've added the cosmetics to our program of pigment, deep eye-set, clean sheath all with thick northern hair coats.

We have closely monitored other breeds but we have specialized in the redevelopment of the Hereford breed to a standard that is comparative and compatible to all. Manageability by all family members is a must.

We are proud of these cattle and look forward to responding to what they can accomplish for you. Joanne, Mike G and I develop them. Michael, Leanne and kids make feed for them and we all look forward to seeing what our program can do for you. We all look forward to your company and visiting sale day.

Norm, Joanne & Crew.



Michael, Leanne Chloe, Tonie, Rebecca & Christopher Parrent

Sight Unseen Purchase Plans

If for any reason you can not attend the sale please use one of our sight Unseen option to get your next herd sire bought.

1. Call any of the NCL Fieldman Listed on Pg 2 for assistance with your purchases.
2. Call the Owners and they can talk with you about the cattle and assist you with your purchases.
3. Internet Bidding Is Available via DLMS.ca

Mike, Vanessa, Kate & Emma Grimmeyer

Terms & Conditions

TERMS - The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made previous to the sale with sale manager. The right of property & Delivery shall not pass until after settlement is made.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable time.

ANNOUNCEMENTS from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - The proper Registration paper, will be duly transferred and furnished to the buyer for each animal after settlement has been made upon the Buyer Request.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

GUARANTEE - All animals will carry standard breeding guarantee as specified by the Canadian Hereford Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, or Jonomn Hereford Ranch and or the Parrent Family assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Health & Fertility

All JoNomn Bulls are part of our full herd heath program and have been health and fertility examined by the Westlock Veterinary clinic prior to the sale.

Delivery

We encourge you to bring your trailer to the sale, However if this is not possible please contact the consignor and they can assist you with Delivery of the bulls or arrange to keep the bulls until delivery or pick up can be arranged. We will combine or cooperate in any shipments where possible to keep delivery cost as low as possible. Insurance agents will be available sale day and it is recommended that all purchases be insured as cattle are the new buyers risk as soon as sold.

About the JoNomn Hereford Bulls

These bulls are managed to be active good breeding 2 year olds. Born April and May with no creep, special attention or confinement. Fed and managed in large groups out in the open field behind wind fence. Pictured and presented in their working clothes. They will be totally examined and evaluated by the vets at Westlock Veterinary Clinic and will all sell with satisfactory semen test. In addition all bull are given hoof rot vaccine at semen testing to protect them in breeding season.

As yearlings they ran in a large field, fed high roughage rations and are never fed to achieve big performance to 365 days. Turned out on grass in the summer then started again on cut hay then to silage as the pasture runs out.

We have had good reports that bulls are very sound and stand up well. Buy with confidence, these bulls are targeted to peak in your breeding pastures.

This calf crop was weaned end of Nov, with the fall we had we were behind and did not get them weighted at weaning and yearling weights obtained April 28.

Targeted to peak in your Breeding Pastures.

The first of 4 Carter 8C Bulls and a powerhouse. Feature polled bull from our 66 cow family which boast more hip and hide quarter structure then I have ever seen. Lovely udders with very correct leg placement, wide chest floor on ideal strong feet. This bull no accident, check his pedigree. Stacked with big strong powerful cattle. Homegrown 8Y – Jefferson 32J – Stockton 43S - 511W - Online 122L - Dynasty and Bond. For me, the depth of his pedigree is what defines this bull. He's just like his pictures. We would love to show you the whole family. **Selling in his entirety.**

This bull gets more impressive every day. Extremely correct and balanced and nice to look at. Full sister, a powerful female admired by all at Farm Fair 2018. Admired for her depth, volume, and overall breed character, now a super young cow that has put a top heifer calf in the pen on her first year. 393F will build a cow herd. Progeny from this family in the herds of Eugene Slette (LaGlace) and Benwyn Farms (Dawson Creek). Had I taken time to manage this bull, Look Out! Would like to retain interest.

About the Bred Heifers

Very strong set of heifers combining our freshest genetics. Sired by powerful bulls. Heifers with volume and capacity, balance and thickness. Sure to make maintenance free sound producing cows. All bred to the same exciting young bulls as our replacements.

Herd Health & Preg Check

Bred Heifers are enrolled on a whole Herd Health Program set out by Westlock Vet Clinic
Vaccinated Pre Breeding with
Bovi Shied Gold FP5 - Covexin 8
Fall Dec 9 - Ivomec & Scourbos 4
Booster Jan 29 - Scourbos 9.
Heifers were preg checked December 20 by ultrasound by Westlock Vet Clinic. The months listed are their estimates as of the December 20 Preg Test Date.

Delivery / Shipping

These heifers will be very heavy in calf. If looking for females plan to bring your trailer. If not possible we will arrange shipping or have them delivered as soon as possible. They will be looked after.

It's a pleasure breeding cattle like this after 48 years, the challenge of breeding the next crop better then the last. It's what keeps me excited and looking forward to the challenge of a better next crop. This heifer will be a tough act to follow. Her picture describes. Goggle her pedigree and see what defines her. Nothing but highly recognizable breed leaders all the way back. Put a group of these together and look forward to a very bright future in the Hereford breed. Pretty Pretty Pretty . Very interesting March calf coming by 405F.
Exposed PTT 405F May 31 – Sept. 10 Ultra sound due - March.

	-1.0	+5.2	+47.5	+66.4	+16.0	+39.8

Very close copy of 808F and very similar to all 31C heifers. Dam 510U by 435M still going strong consistently putting calves in the front pen year after year. 840F will be keeping 808 company sale day. Expect a mid to late April calf.
Exposed PTT 405F May 31 – Sept. 10 Ultra sound due - mid to late April.
