Welcome to the 11th Edition Herd Builder Speckle Park Sale

The Herd Builder Sale is focusing on moving the breed forward with a fresh set of eyes to the selections to this year's sale.
This year's sale we have add DLMS live bidding to assist buyers from around the globe to successfully purchase the live cattle, semen and embryos at this year's sale.
Everyone is welcome to come out the night before to view the cattle with fellow breeders & owners. I welcome new and old customers to this year's sale.

Steele Speckle Park

Our family farm is located just outside of Thamesford, Ontario. We make effort to grow the majority of feed inputs and straw on farm. We have always been involved in breeding cattle genetics. Since selling our Holstein herd it was a perfect fit to get into another established black and white breed. We are pleased by the overwhelming interest that this breed has created. Moving forward we like working with the Speckle Park breed and plan to share our genetics and are not afraid to sell our best! We have been involved in the Herd Builder Sale since inception in 2014. We believe there is still more room for new quality Speckle Park breeders in Ontario and look forward to meeting new breeders at the upcoming sale.

Silver Tip Speckle Park

Silver Tip Speckle Park is a family run farm by Hugh & Paula MacNeil in St. George, Ontario. We run a feedlot with up to 1000 head of natural raised cattle for Meyers program and a few other prominent suppliers. We also run an 80 head cow herd of predominantly Speckle Park cows which are all bred to our purebred Speckle Park bulls. We have carcass weight up without jeopardizing grading and feed efficiency which the breed is known for. The breed is a premium for the home freezer beef trade as the sides are always consistently palatable with lower overall price to the consumer with smaller families that do not want a huge side for their freezer. With this breed growing in huge demand, we are proud to be part of its success and recognition in the Ontario market now and for years to come. "Black, white and Canadian" let's put ourselves on the map!

Underhill SPECS

Underhill SPECS aims to be a progressive operation and is owned by Jordon & Donna Underhill and two sons Hayden & Sterling. Running registered Speckle Park breeding stock in Alma, Ontario. In 2019, we calved 50 plus Speckle Park cows but our long term goal is to get smaller and better. Cattle heat detection and calving are all monitored via wireless cameras direct to our Smartphones, allowing us to work off farm to run our agricultural tradeshow company – ROI Event Management. We have invested heavily in walking bull power, with all our calves coming out of high quality registered Speckle Park bulls. Our goal is to breed for larger scale performance cattle, without sacrificing quality. We thank all previous Herd Builder bidders and buyers and look forward to connecting with new faces this October.

SALE TIME : SATURDAY, FEBRUARY 29, 2020 1:00 PM EST

WITH CATTLE VIEWING THE NIGHT BEFORE FROM 6PM - 8PM AND SALE DAY STARTING AT 10AM

Our sales manager Mr. Jeff Stephens comes from Troy Ontario, where he lives with his wife and 2 girls next door to the family farm. Yellow Briar farms is internationally known for their dedication to show quality and breeding expertise. Though his 20 some years he has owned, developed and sold elite cattle. Yellow Briar farms sold out in 2016; as a new interest Jeff and his youngest daughter developed a small herd of breeding and show quality Angus. Due to their success the business has flourished and are now customizing heifers for others. Jeff is an official dairy judge in all breeds across Canada, throughout North America, England and most recently Azores. Supporting the industry and fellow farmers are one-way Jeff feels he can give back to the industry. Developing tag sales such as Deal or No Deal and the Taste of Ontario, giving breeders recognition as many of the animals going through the sales are winning at the local, provincial and international levels. With his new adventure into the Angus breed he hopes to do the same . With Jeff's strong connection to farming and his young family's dedication to 4H Jeff is now a leader in Hamilton Wentworth and gives back to the Canadian Association by volunteering his time to youth judging clinics, most recently in New Brunswick and his educational seminars often as a part of his tag sales. Jeff has worked for Holdstar – Rapid Bay Genetics as a semen rep in Western Ontario for the last 9 years and most recently added to his portfolio the mineral, vitamin and shampoo line from Max Active Canada.

Zeppelin offspring have made a big impact at Agribition over the past 2 years and this Stake Out female is no different. On the dam side, you have our favorite milk bull in the breed – Raven Meadows Magnum.

FEB 1 WT: 760 LBS

TERMS AND CONDITIONS

TERMS:
Payment of the sale price shall be made in cash, cheque, debit or credit card with proper I.D. in hand (an additional fee is charged on credit card payments) Animals shall not be released to the buyer until satisfactory settlement has been made in full, including all order buys.

BIDS/DISPUTES:
The Auctioneer shall accept all bids, other than those considered to be irresponsible, and the bidder offering the highest bid shall be the buyer. In case of dispute as to the successful bidder, the animal shall again be put up for advance bids, and if there are no advance bids the animal shall be sold to the bidder from whom the auctioneer accepted the last bid. The auctioneer's decision in such a matter will be final.

HEALTH GUARANTEES:
All sale animals are fully vaccinated.

REPRODUCTIVE GUARANTEES:
All sale females are being sold as reproductively sound for breeding with breds preg checked the day before the sale by vet. All sale bulls have passed a semen test via professional repro, the day before the sale with written letter provided and scrotals meet or exceed breed standards by CSPA.

BULL WINTER HOUSING OPTION:
Consignors may take bulls back for buyers until spring breeding season, but these arrangements must be made with the individual consignor prior to the sale. At that time the terms of the housing can be coordinated.

RISK:
Animal errors noted in the catalogue will be announced from the Auctioneer's stand. Any announcements from the Auctioneer's stand will take precedence over any material in the catalogue.

CERTIFICATE OF REGISTRATION:
All registered animals will carry papers issued by the Canadian Speckle Park Association (CSPA). After full payment has been received and cleared the seller will transfer papers to the buyer at no cost to the buyer. If you are a new buyer of registered Speckle Park, please contact CSPA to become a member.

LIABILITIES:
All persons attend the sale at their own risk. The facility owner, sellers and sale manager assume no liability legal or otherwise for any personal injury while attending the sale.

WARRANTIES:
The seller warrants clear title to and the right to sell each animal offered for sale. David Carson Farms & Auction Services Ltd. acts as the sellers' agent only and is not personally responsible for any warranties, guarantees or representations made bona fide reliance upon information provided by the consignor. The consignor is responsible for all warranties, guarantees and representations. Buyers have the option of checking their animals before loading, but once the animal is sold, it's the buyer's sole responsibility.

CONSIGNOR: UNDERHILL SPECS

The second public offer of The Big Smoke semen, offered exclusively through Herd Builder Sales. The best feed converting bovine we have had on our farm period. Calves are thick, feet are correct and have a dark undercarriage for udder structure longevity. Calves carry an extra 15% condition over our other calves on grass. Smokeshack has been shown across Canada and is a great pasture herd bull. Calves are coming gray and leopard 68-78lb average birth weights. Safe for use on cows and heifers.

Buyer pays shipping from either Bow Valley (AB) or EastGen (ON) – your option.
