

STEWART LIMOUSIN 2020 BULL SALE

MONDAY FEBRUARY 17 2020
AT THE FARM SOUTHEAST OF STETTLER

MUSCLE • FERTILITY
DOCILITY • YIELD

We would like to welcome everyone to the **STEWART LIMOUSIN BULL SALE.**

We are a family run operation located southeast of Stettler, AB. Our family has been breeding Limousin cattle since 1970. Last year was our first bull sale since 1995 and it was a great success. We can not thank our customers enough for all their support.

We are blessed to be in the cattle industry with all of you.

Our goal is to bring quality bulls to the commercial producer and breeding stock operations that have muscle, fertility, docility and yield, and we feel we have done just that. We hope that you as a cattle producer will find a bull in our program that works well with your cows to produce quality calves with extensive marketability for feedlots and desired maternal characteristics for your replacement pens.

In this years offering we have some awesome bulls. If you are looking for a power bull for your cows or a calving ease bull for heifers we have an option for you. The bulls this year are hairy and have some great muscle.

If you have any questions about the bulls be sure to give one of us a call.

A huge thank you to our customers for your continued support.

*Join us for Lunch at 11:30am
Sale will start at 1:00pm*

DIAMOND C BRAVEHEART

We purchased BRAVEHEART from Diamond C Limousin as a 2 year old for \$20,000 half interest in 2016 and absolutely love how he turned out. Braveheart is really something special. He is heavy muscled, has great depth, super docile, tons of performance and great hair. Were currently calving our second group of Braveheart heifers and they continue to perform. These females have great udders with good milk and are extremely docile. We are confident they will be top producers in the herd.

REFERENCE SIRE OF LOTS 1 - 2, 13 - 23

Lot 1 SIRLOIN GRAVE DIGGER SFL 36G

JAN 28/19 CPM4102318 Red • Polled

Sire: EXCEL POLLED POPEYE
DIAMOND C BRAVEHEART

SIRLOIN TENDER 59T

EPD'S:	BW	WW	YW	MK	Actual BW	Wean Weight
	3.9	67	100	22	98	827

Grave Digger is a big hairy performance bull that will cover some bigger cows easily. His dam Sirloin Bella SFL107B is very closely related to the great Sirloin AMMO which was the sire of our top seller last year. An awesome pedigree in this one.

Lot 2 SIRLOIN GHOST RIDER SFL 39G

JAN 30/19 CPM4102319 Red • Polled

Sire: EXCEL POLLED POPEYE
DIAMOND C BRAVEHEART
DIAMOND C UNDIES

Dam: DAMSIRLOIN YIELDER 74Y
SIRLOIN TARGET 28T

EPD'S:	BW	WW	YW	MK	Actual BW	Wean Weight
	3.6	68	98	18	96	765

Ghost rider is a big frame hairy bull. He's built well and has good muscle shape. He will cover those bigger frame cows with ease.

GUTEK'S CORVETTE

We purchased Corvette from Jeff Gutek as a powerful 2 year old, and with a bunch of SFL in his pedigree we felt he would be a great addition to our bull battery. He is thick topped, solid built and strong footed. His calves have great grow to them and a smooth build with larger frame, this is resulting in top weaning and yearling weights. We are currently calving the first set of heifers sired by Corvette and have been impressed with the milk, docility and calving ability. If your looking to bump up weaning weights and have solid footed quality ranch bulls take a look at some of Corvettes sons.

REFERENCE SIRE OF LOTS 24 - 28

Lot 3 SIRLOIN G-UNIT SFL 34G

 Dam: SIRLOIN ACTION
 SIRLOIN X-TRACT

EPD'S:	BW	WW	YW	MK	Actual BW	Wean Weight
	2.5	60	84	18	93	758

Gladiator is a well built bull. He's got lots of muscle, length and eye appeal. His maternal sib was one of the favorites in last years sale. His nice frame size will help him cover bigger cows.

ANCHOR B DONALDSON

We purchased Donaldson in 2017 from Anchor B Limousin at the ABC sale for \$13,000. As a yearling he had a ton of hair, good depth and awesome muscle shape. Being sired by Wulfs Amazing Bull T341A Donaldson has great calving ease and tremendous grow. His dam, Anchor B Bailey 21B has become a cornerstone female for the Bohrsons, turning into one of their top donor cows as well as a very competitive show female. As a yearling we used him lightly on Tyler's 777 cows as well as a few "B" cows creating lots 40,42 as well as producing 777 CATTLE FANTASY which sold for \$9,000 as a bred heifer to Brandon and Sam Nemetz at the Western Select Sale. We are confident that Donaldson sons will be a great calving ease option without giving up performance.

EDWARDS EXTRA EXTRA

We bought Extra Extra from Laird Edwards as a heifer bull in the Prairie Gold Sale. He is a moderate made bull that's deep and soggy and has thrown those qualities into his calves. Extra Extra did not have the calving ease we hoped for but his calves have power and grow to them and are very impressive in the pen. REFERENCE SIRE OF LOTS 9 - 10

BAR 3R ASTEROID

This DLVL Young Gun 125Y son was purchased years ago from BAR 3R and at the time we had enough bull power so he went to work on grandpas commercial ranch until we had some injury issues and he was needed on purebreds. Asteroid has great muscle and length with a slightly more traditional look to him. He has a 31 milk EPD which puts him in the top 4 percent of the breed and have started to see that in his bred heifers that were currently calving. Asteroid sons should create quality replacement females just like himself.

DC COMANCHE 78C

REFERENCE SIRE OF LOTS 38, 39, 40

COMANCHE was a bull we purchased from DC farms. He worked very well as a heifer bull for 3 years. Comanche's calves are deep bodied, thick, and have awesome muscle shape. He now is working on our 900 head commercial ranch.

Here's a bull that everyone can appreciate. With a 68 pound birthweight and a -2.1 BW EPD he is sure to work well on heifers but at the same time produce calves with awesome muscle and weaning weights. His dam Sirloin Diamond 8D is one of the few sired by Sirloin Apostle, which was a Wulfs Waldo T928W son that we only got one year out of because of injury. These few Apostle daughters have proven to be top producers in just a couple years.

SIRLOIN BULLET

Bullet is a home raised bull sire by Hillview Your Pick. He was heavy muscled and extremely long bodied. We only used him for a few years until he was injured. We have a hand full of quality females off Bullet that do very well in our herd. His dam Sirloin Trade Secret is a favorite and she continues to produce for us at the age of almost 13.

Over the last couple years we have had an influx of heifer calves as well as a tough time with strange deaths. Because of these 2 factors we only have one offering in this years sale but this bull is one were very proud of. Frodo is heavy muscled, docile and moderate. With a 78 pound birth weight we feel he could be used on heifers. Frodo is top 15 percent of breed for birth weight EPD as well as top 10 for milk EPD.
