

NOVEMBER GOLD

CLUB CALF STEER AND HEIFER PROSPECT

Sale

NOVEMBER 15, 2020
SLS, SASKATOON, SK

Dear Customers & Friends,

On behalf of the November Gold Sale Group, we would like to extend our warmest welcome to our 8th Annual Prospect & Club Calf Sale. The calf market is strong, new 4H guidelines have been set and this coming year looks like it will be a great one! We can't thank you enough for trusting in our programs year after year. Huge thank you to all the Juniors and their families for all of your hard work this past year, even though it was not the year we had all hoped for. 2020 has proven to be a trying year, with many obstacles to overcome, but we truly admire the hard work and perseverance you all had this year with your projects, despite shows being cancelled. There were a lot of great calves purchased last year and a lot of dreams went unfulfilled, but the strength and determination of the Juniors throughout the year did not go unnoticed. From Virtual Shows to marketing your Beef in different ways- we could not be more proud of the way you all carried yourselves this past year. The future in the Beef Industry is bright. Huge pat on the back to you all!

With each new year, brings change. This year we had to forego our Junior Event due to Covid restrictions. We want to thank all of the Families, Juniors, and Sponsors for your tremendous support over years. You all made our Junior Event a huge part of what November Gold is, and for that we will always be grateful. We held our first ever Virtual Show for November Gold Juniors and we are super happy with the results and hope we can continue to showcase these Juniors and their projects in a Virtual Event for the years to come. There was a change of management at SLS, leaving the purebred side of things in the hands of Ryan Hurlburt. We would like to take this time to thank Ryan for continuing to accommodate us and for the use of this wonderful facility. This year we are also broadcasting the sale live on DLMS. Thank you to Mark and his crew for taking us internet rookies under their wings. We look forward to what the option of technology will bring to the sale.

We would like to extend a big thank you to our families and friends that help to make this Sale happen, as it really does take a small village! We are also grateful to welcome our friend Mike Fleury back to the auction block this fall. Thank you Mike, for all you do for us and for believing in us these past 8 years, we are forever grateful for your support and friendship.

It takes grit, a love for ag, beef, nature and this crazy unpredictable life to keep doing what we all do. The only thing we can all do is dust ourselves off and keep pushing forward. Strive to keep producing the best steers and heifers for the sale we can and hopes that this crazy world gets itself figured out so we can get back to living. Back to showing. Back to sharing in success and failures. Back to sharing laughs and tears, steers and beers. Back to sharing hand shakes, high fives and hugs. Back to the excitement and rush of stepping into that show ring. Back to the comradery, the circle of friends and common interest we all need in our lives to balance the daily stresses of farm life. It will happen and 2021 is that year. Let's roll into this new year with hope and determination. Let's dust off our halters and show sticks and make this show season one to remember.

Yours Truly,

November Gold Sale Crew - Arch Holdings, Wright Livestock, & Elldem Cattle Investments

Last Spring we broke down and tossed in a straw of Monopoly that has been sitting in the tank for 6 years, and boy are we glad we did. What an awesome individual Chief is. From his cool brockle face and fuzzy ears, to his great structure. He is made just right- he is stout, long bodied, soft made, nice fronted and moves out very well. He has been a farm favorite since day one and we really think Chief has the potential to hang some banners.

Viper is a steer out of our Earley Livestock share program. Viper had a bit of a sketchy start, with a first calf mama that had no interest in him what-so-ever. Luckily for Viper, Fisk Show Cattle- Austin Fisk & Jen Jones, needed a calf for a special old cow, and just like that he had himself a new mama! Big thanks to Austin and Jen, as their cow did a hell of a job on this steer. Viper (a.k.a. "Ryan" as Jen called him) is a solid individual. He is as stout as you can make them with a huge hip and top, a soft middle, and a big foot underneath him. He is as hairy as you can make them, and we think the potential for this calf is endless. Whether it is a jackpot steer or a 4H steer you are after, look no further, as Viper could do it all!

CHERRY BOMB 127A (PRETTY SNAZZY)

The Cherry Bomb x Whizard cross is a proven no miss. Rusty has had two full sisters run through the ring at November Gold- one selling to Drayton Keifer and one to Connor Kowalczyk. We were hoping for another heifer this year to add to our own herd, but she decided to give us a very exciting steer instead. There is just something about Rusty that keeps you looking. Whether it be his cherry red color, his crazy hairy ears or his undeniable great structure, there is no denying this steer is something special. He is Sara's pick this year!

Her Dam, Vanity Fair, made a lot of friends on the show circuit last fall, and is a cow we are very proud to have raised. Luna reminds us a lot of her mother as a calf. She is a very powerful heifer, yet remains very feminine. She is good footed and strides out very well. Maternal is in her genes and there is no doubt in our minds she will make a great cow. Her maternal sib SBMC ARCH American Honey sold to Landon Schelske in Bohrsen's Cobra Event. Landon and Honey had a tremendous show season together and she has gone on to turn into a beautiful first calf heifer with a tremendous udder. Take Luna out and show her or take her home and breed her black and add her to your program. If she turns out half as good as her mother and sister, we know you won't be disappointed.

Her dam Sweet Emotion was Jack's 4H heifer last year and our show bred for the summer. She is a direct daughter of none other than Halle Berry, and a full sister to our Lot#21 heifer RASA Southern Comfort 366H. We thought the proof was in the puddin' with Sweet Breeze on what these Halle Berry daughters could produce, so that's why you will find her in the catalogue. Once again putting our best foot forward, only offering the best of our still growing Maine herd. Sweet Breeze is a chunk of a little heifer. She reminds us a lot of her mother at this age, soft middled, stout, pretty fronted, good footed and hairy. We think Sweet Breeze would make a fun Junior project and will qualify to show in the National Maine Show next fall at CWA. When it comes to our Angus program here the Swan cow family is a tried and true line that always produces outstanding breeding stock. It's a tough decision to sell ones like this but one must put their best foot forward. Swan 20H is sired by our now deceased show bull, Frank, who was highly successful during the 2019 show season. The Angus Junior Showdown is scheduled for next summer in Brandon, MB. So, it only seemed fitting to offer this high caliber purebred angus female. CONSIGNED BY ARCH HOLDINGS**Service Sire: BCII MLA Next Up 015 (PB Angus) Service Date: Apr.23/20**

With only one other Tom Selleck bred at home, it was a tough call whether to sell Pearl or not. Pearl was slated for the summer show team this year. She is the kind of female we like around here- one with some growth, depth of body, sure foot, feminine, hairy, and good natured. She comes from proven cow families on both the top and bottom side, with her full brother being the very successful show steer, Rooster, purchased by Emma Thomason, and her Grand Dam being a farm staple, Halle Berry 117Z. We bred Pearl to the calving ease Angus bull Next Up. If it is any indication by our Lot #23 heifer- Emmy Lou, what the Next Up calves turn out like, we think Pearl is a no brainer to toss your hand up for.

Congratulations to these Juniors
