Anchor 1 Angus

14th Annual Bull Sale

Saturday, APRIL 10, 2021

2:00 PM - Live On Line with DLMS

Greetings from all of us here at Anchor 1 Angus

Hello once again friends, fellow cattlemen, valued customers and welcome to our 14th annual bull production sale. The past year has been tough on everyone facing the global pandemic, having rules put in place forcing us to stay in our homes and not shake hands with friends, neighbors and new acquaintances, as well as keeping families from coming together at Christmas time and for other special occasions. This is certainly not the lifestyle we, as cattle producers, are accustomed to. On top of all of this craziness, we still have to deal with the day-to-day challenges of taking care of our livestock, looking after our loved ones and sometimes saying goodbye to the ones we loved so dearly. As many of you already know, our father Ralph Geinger passed away in August of last year, just 1-month short of his 61st birthday. Ralph was an astute cattleman, who took great pride in our operation. For 13 years my father Ralph has written this very same welcome to all of you, and now with tears in my eyes and sorrow in my heart, I know I have big shoes to fill. What helps me get through each day is knowing that "The Big Guy", my Idol, is up there having a cold beer, watching Shane feed the yearling bulls with Gunner sitting on a pail in the tractor cab, thinking, "That's one hell of a pen of bulls, boys" and "Look at the ass on that son of a bitch"! Ralph cherished the relationships we built with our customers over the years and always looked forward to meeting ambitious new cattlemen that showed an interest in our program. We shared a passion for selecting the right bulls to walk our pastures, and semen packages to purchase for each new breeding season that in time has helped strengthen our cow herd. Dad always said he was very proud of the direction our herd was headed, and we truly believe the pen of bulls we have on offer this year for you, our customers, will stand behind his statement.

As always, our 2021 sale bulls were selected for calving ease, correctness, marketability and very strong maternal qualities. Our bulls are fed to perform well on pasture, with their physical health and body structure as a top priority. They have not been overfed, but fed to stand the test of time. We have a wide selection of exciting new bloodlines on offer in both our black and red angus programs, as well as continually proven breed enhancing genetics. Our cowherd consists of 420 highly productive, extremely functional, registered Angus cows both red and black. Through careful herd bull selection and nearly a decade and a half of vigorous culling protocol, we now have a herd that is very easy to maintain and we feel each and every cow family is making important contributions to the overall production of our calf crop. We are very proud of our momma cows and would be happy to show them to you at your convenience.

After much thought, and positive feedback from last year's customers we have decided to run another live online bull sale this year, broadcasted by the DLMS crew. This is a very easy to use bidding system that gives everyone equal opportunity to bid on the bulls from the comfort of their own homes. We will also be hosting a 2-day open house at our farm with the bulls penned up in smaller uniform groups for easy viewing. The sale lots will be on display April 8, 2021 and April 9, 2021 from 11am-7pm. Extra catalogues, current weight and scrotal sheets as well as the sale order will be available at the bullpens on these days. If the online bidding is something you are not comfortable with, please contact us in advance to make alternative bidding arrangements.

On behalf of all of us here at Anchor 1, we hope that the 2021 calving season has been successful for you and we wish good luck to those of you who are just about to begin. May this year bring all of us good health, a strong cattle market, and just the right amount of rain. We look forward to visiting with all of you over the next month, whether it be in person or over the phone, and please remember our sale bulls are available for you to view any day, any time, just contact Kyle or the Geinger farm house so we can assist you. Take care, and we hope to see you all soon.

The Geingers at Anchor 1.

Anchor 1 Angus

14th Annual Bull Sale

Viewing at the Farm April 8 and April 9 - 10 am - 7 pm
The bulls will be penned up for easy viewing at the bull yard

Saturday, April 10, 2021
Live On Line Video Sale with DLMS at 2 pm

LIVE ONLINE VIDEO AUCTION

Due to the Current Covid-19 Restrictions, to keep everyone safe, we will not be having a live sale as we have in the past, but we will be having a Live On Line video sale through DLMS. With a set of head phones or a speaker on your computer you will be able to hear the entire sale. Kyle and our auctioneer Ryan Dorran will still run the block as usual with their microphones in their hands and the bull videos playing on the screen.

If you are bidding through DLMS you must contact them either online at www.dlms.ca or call Mark Shologan at 780-699-5082 to sign up as a bidder. We will also have people with phones on hand to take your bid and bid for you. The numbers are written above for you to use or contact Kyle at 780-269-0053 or 780-785-8262 to get a phone number to call to bid on a bull if you feel more comfortable doing this than going on the computer yourself to buy a bull.

Please feel free to call anytime before the sale to arrange to come and view the bulls at our farm. We will have the bulls displayed for easy viewing in smaller pens on Thursday April 8 and Friday April 9 from 10am to 7pm.

We will be posting our catalogue and the bull videos on our web site www.anchor1angus.com by March 31. The catalogues will be out and about by April 3.

We really appreciate your business and look forward to your continued support. We hope you will stay healthy and well and look forward to the end of this virus and everyone getting their lives back to normal and hopefully next year our sale will continue in the original format at the farm and Deerlodge Hall.

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	2.0	57	107	17	1.0	1.0	-	-	-

$950,000 (total valuation US) full brother to S A V Seedstock 4838 passing maybe a bit more frame to his calves than Seedstock while retaining all the same attributes as his brother – length, thickness, hairy and smooth fronted for calving ease with unbelievable maternal lineage and tremendous performance EPDs. Now that we are running low on SAV Sensation semen in the tank, we have decided to keep one of his sons home to walk the pastures with our cow herd in the years to come so that we can continue to offer the same quality that Sensation has delivered us the past couple years. Look forward to progeny from Anchor 1 Sensation 9H in the years ahead.

"Legacy" is a top breed producer for calving ease, fleshing ability and most commonly remembered for the Beautiful daughters that he continues to leave behind year after year. We are continually recognizing how valuable our Legacy semen is to our herd as he always crosses well no matter who we breed him to. We really appreciate what the Legacy sons have brought to the table over the years and we hope to retain many more direct daughters into our program as time goes on. Have a look at our Legacy son in the yearling bull pen this year 11H as we are collecting in herd semen on him before the sale and he may very well be the lead off black bull on sale day.

S A V SEEDSTOCK 4838 IMP 4838B 1890621
S A V REGISTRY 2831 X S A V BLACKCAP MAY 4136

	3.6	63	110	17	0	2.0	-	-	-

$225,000 (US) AI sire with explosive growth EPDs, who is structurally superb, with unbelievable maternal lineage with his dam Blackcap May 4136 generating Multi Millions in progeny receipts. His calves here are so uniform in every aspect. Long, thick made and hairy with smooth front ends lending to their calving ease credentials. They truly are some of the best bulls we have ever raised here at Anchor 1. Purchasing a Seedstock son from our bull pen could really add maternal value to the future of your cow herd.

BROOKING CASH ADVANCE 8120 JSTN 120F 2037614
BARSTOW CASH X E A ROSE 918

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	0.2	75	129	22	9.0	13.0	80	808	1221

"Cash" as we call him, purchased from Brooking Angus Ranch is bred up really well. Sired by the heavily used Barstow Cash bull and out of the breed icon cow EA Rose 918, Cash contributes calving ease, performance and second to none maternal strength. The females retained in our herd from this bull will be treasured and on another note, Cash offers 7 stylish sons in our sale this year all raised by 1st calf heifers.

REMITALL F CAVALIER 43F GR 43F 2034278
REMITALL F CAVALIER 67C X REMITALL F ELINE 141D

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-0.6	52	106	18	8.0	9.0	76	754	1303

"Cavalier" was a sale highlight that we purchased 2 years ago from Remitall Farms to add fleshing ability and performance to our calf crop. While still siring low birth calving ease progeny, Cavalier is doing exactly what we had hoped. He is breeding gain ability and thickness into our program but still adding style and maturity. Some of his sons in the pen just look at the feed bunk and gain weight. We are truly happy with the Cavalier sons in our bull pen this year and we are really looking forward to breeding his first set of beautiful daughters this summer.

ANCHOR 1 THOR 49F RKKG 49F 2048542
ANCHOR 1 THOR 42A X HF ROSEBUD 332Y

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	1.3	51	88	15	8.0	12.0	89	678	-

Thor 49F is a direct son of our herds foundation bull Thor 42A. 49F was the Thor son we chose to take the old boys place in our herd bull lineup, with big shoes to fill, he is rising to the occasion. Raising calves with a little more length and frame than his sire but still stamping them with the famous Thor hair and presence. Raised by a gorgeous, no miss momma cow and stacked to the roof with proven genetics in his pedigree. Thor 49F will continue to raise highly maternal females and powerful calving ease bulls for many years to come.

ANCHOR 1 DONE RIGHT 18A RKKG 18A 1889077

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	3.2	47	77	22	-1.0	8.0	-	-	-

"Done Right" was a standout in our very 1st pen of black angus bulls we ever sold. We liked the bull and his mother so much that we collected semen on him before we sold him. Done right has always bred true high-performance cattle with great hair and structure. We still reach in the tank ever so often for a straw of this great herd bull. 1 son on offer this year and he is a meat machine.

ANCHOR 1 WHO'S THAT 9C RKKG 9C 1861367

	2.1	48	92	17	5.0	9.0	85	689	-

"Who's That" was a promising young herd bull that we sold a few years back to the good folks at K-C Stock Farm. 9C bred cows for the Dodgson's for 3 years with great success leaving them with a beautiful group of productive females. Dale liked the bull so much that he convinced me to make a trade for some heifers to get him back home. Standing on perfect foot structure and still strutting around our herd sire pen with swag at 6 years old we are sure glad that we got the opportunity to use him here as well. With much of the same results in our herd Who's That, is siring big topped, easy doing bulls with solid structure and maturity, as well as beautiful females that will be impressive producers as time goes on. All of his sons in our sale this year are worth having a look at.

Black & Red Angus Reference Sires

BAR-E-L THE GENERAL 44E YHB 44E 1982079

S A V PIONEER 730Z X BAR-E-L DUCHESS 53C

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	0.5	59	86	27	7.0	7.0	80	793	1388

It costs some money to bring a herd bull home that checks all the boxes but this guy was definitely worth it. An SAV Pioneer 7301 son from an SAV International 2020 daughter, who Dave Longshore says is a beautiful cow, his pedigree is loaded with breed legends in the black angus breed. Strong footed, tremendous haired, very deep bodied, smooth fronted calving ease sire with a beautiful head – all traits he passes on consistently to his sons all while maintaining pretty impressive performance EPDs as well. We are extremely excited about the future of this guy here at Anchor 1. The General's daughters are milking here now and these classy young females are raising the bar for the future of our cow herd.

MJT EXTRA 209B MJTA 209B 1890799

MJT TOUCH DOWN 505Z X MJT LADYBIRD 440Z

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-0.6	37	64	17	11.0	12.0	80	-	-

Extra was "our pick" and the second high seller at the very successful MJT Cattle Co. bull sale in 2016. We selected him for our heifers to maintain strong calving ease traits, length of body, style and performance. He has since then met and exceeded all of our expectations as his calves are even more attractive than we could have ever imagined. His style, consistency and performance is what we hope to receive from any newly acquired herd sire and his sons will offer you a very similar sense of satisfaction for your own programs.

HF Resolution 18Z

Grandsire: Conealy Concensus 7229

ANCHOR 1 RESOLUTION 307D RKKG 307D 1924777

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	2.6	30	59	25	1.0	7.0	88	593	-

Tremendous pedigree in this HF Resolution 18Z son we retained to walk our pastures here at Anchor 1 to keep producing offspring like old 18Z's – the $210,000 (US) Conealy Consensus 7229, Wilbar Ruby 955N (HF Kodiak 5R's dam), and the $95,000 HF Rebel 53Y just to name a few. Several paternal sisters are in our herd that are beautifully uddered females that consistently raise awesome calves. 307 D is very easy fleshing with awesome feet. His dam is a big powerful Rebel daughter. 307D sires calves which demonstrate moderate birth with growing ability much like his father did. Beautiful replacement females, good performance and structural correctness is what you can expect his sons to pass on.

RED KJHT POWER TAKE OFF IMP 6717D 1954701

RED SOO LINE POWER EYE 161X X RED SRA PAINTBUCKET

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	2.0	34	74	21	5.0	9.0	68	853	-

"PTO" is a bull that we did not know a whole lot about when Kevin Blair sent me a text msg asking if we wanted in on 1 of the 1st packages of semen. We did know However, that he had an outstanding pedigree and the phenotype to go with it. After a little further research and a phone call to Kevin we found out this bull was really starting to create a name for himself around the world in the show ring. After crossing PTO with our cow herd, we are now fully onboard with this bull's potential as every single PTO sired bull calf born here last year is now a sale feature in our upcoming bull sale. Offering calving ease, style, muscle shape and thickness, these PTO sons are the real deal and we are so impressed I might add that we will be collecting semen for our own in herd us on our personal favorite before our sale.

ANCHOR 1 THOR 42A

SOO LINE THOR 1085 X HF TIBBIE 260Y RKKG 42A 1861359

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-1.8	39	74	20	17.0	16.0	75	727	-

Extremely thick, stylish and consistent calving ease bull stacked with so many "great ones" in his pedigree. We purchased Thor in dam from Hamilton Farms back in 2013, we knew from an early age that we had a special calf but we never imagined the influence he would provide for the foundation of our Black Angus program. He consistently stamps his calves with uniformity and marketability. His male progeny continue to be favorites for our customers with sons topping our sale year after year and his female offspring have added tremendous maternal strength and beauty to our production line. Thor's bloodline has proven to "stand the test of time" and his legacy will live on in our program. We are extremely proud to offer our customers another outstanding set of Thor sons once again this year.

ANCHOR 1 LUTE 31C RKKG 31C 1857414

PLEASANT VALLEY LUTE 1207 X HF MAYFLOWER 69U

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-0.8	25	43	27	9.0	11.0	89	654	-

Purchased "in dam" with our last purchase of females from Hamiltons we used him here at Anchor 1 for the tremendous female traits in his pedigree. Absolutely outstanding maternal genetics with his grand dam being named Grand Champion female at Denver in 2010 and an "auntie" in 2014. Half sib sisters have sold for $26,000 and $18,000 and a half sib brother for $35,000. And if the maternal super strength is not enough, he's really put together right and is consistently siring low birth calves with satisfactory performance.

RED U2 MERLOT 266F DUA 266F 2042172

RED U-2 RECKONING 149A X RED U-2 MABEL 60A

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-0.8	30	62	26	6.0	7.0	73	746	1471

"Merlot" is a newly acquired herd bull that we purchased in the spring of 2019 at the highly anticipated, U2 Ranch annual bull production sale. We chose Merlot out of that very strong set of bulls because of his stacked pedigree, outstanding performance data and overall structure and attraction. Since then, we have had the chance to admire him breeding cows in our pastures for 2 years. With 2 calf crops now on the ground and several of his last year born bull calves in our bull sale offering this year we are now certain that he was the breeding piece we were searching for. He is consistently siring easy doing cattle with so much class and presence. His calves are born small and grow quickly into uniformity with each one owning their attractive make up and calm disposition. Merlot is an absolute stud himself and we cannot wait to see what level his new contributions will take our herd to in the years to come. Offering tremendous maternal quality as well, there may very well be a Merlot sired bull that fits your needs in our 2021 bull pen.

RED ANCHOR 1 KODIAK 86E RKKG 86E 1979899

RED BRYLOR RED KODIAK 3A X RED CROWFOOT STRETCH 4320P

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	1.3	46	70	27	5.0	2.0	87	716	-

Kodiak 86E is the last bull calf raised by probably our highest $ accumulating red angus cow to date Red Crowfoot Stretch 4320P. We bred her this way late in life because we were hoping for a son that was made right to carry on her legacy and breed maternal greatness into our herd long after her time. "I'll be dammed" if the stars didn't a line right in front of our eyes with 86E. Kodiak 86E is a big bodied, deep sided, hairy rascal with tremendous eye appeal. Having ample impressive bull power hanging around the last 2 years we have not used him for much more than a cleanup bull until this year and even almost sold him a few times over the past couple years. Now that he is maturing, we couldn't be happier that he is still here because this year he bred 50ish cows and his calves will "Blow Your Hair Back" all displaying consistent uniformity, low birthweight and outstanding growth potential. The maternal quality in the females 86E and his sons leave behind will have the potential to take any operation to another level of production.

Red Angus Reference Sires

RED ANCHOR 1 KODIAK 53D RKKG 53D 1955791

RED BRYLOR RED KODIAK 3A X RED ANCHOR 1 FREYJA 3Y

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-3.3	38	69	24	14.0	11.0	78	687	1245

This guy is the definition of a high performance calving ease herd sire. 53D is an attractive dark red bull that stands on a very solid set of feet. His offspring have great length as well as natural thickness and they profile as good as any in our pen. His sire Red Brylor Red Kodiak 3A is a bull that made significant improvements in our red herd in a very short time and we strongly believe a son from 53D could help further improve your programs as well. His dam 3Y is a model Red Angus Cow and you will want to hold on to as many daughter's as possible if you purchase a 53D son. Kodiak 53D is going to be a key building tool for us in the years to come.

RED WILBAR SPECIAL BLEND 101D WJD 101D 1911412

RED PIE SPECIALIST 430 X RED YY URRISAL 945W

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-3.3	38	69	24	14.0	11.0	78	687	1245

Special Blend was the high selling Red Angus bull in the 2017 Wilbar Cattle Co. "Tools of the Trade" bull sale. "SB" offered us fresh exciting genetics but what made us want to chase him to the end was his undeniable attraction, strong calving ease features and impressive growth credentials. He proved to be a very efficient breeder right out the gate and once his first set of calves started hitting the ground we knew we had a special new herd bull. Maybe the most consistent calving ease bull we have ever used breeding 30 plus heifers each year for 3 consecutive years and I cannot recall ever assisting a heifer bred to SB. SB is breeding strong uniformity and style into his offspring. Take a good look at his sons in our offering this year as we are confident they will work well for you.

RED ANCHOR 1 THOR 29D RKKG 29D 1924814

ANCHOR 1 THOR 42A X RED ANCHOR 1 SAM'S ICE 259B

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-3.4	27	50	20	18	15	61	741	-

Incredibly stylish, high performance calving ease herd bull. Sired by our most highly regarded Black Angus herd sire Thor 42A and raised by a gorgeous, functionally correct Red Angus female. Thor 29D was retained back into our herd not only for his own strong qualities but also as a portal to introduce Thor's proven bloodline into our Red Angus program. The outcome is exactly what we had hoped for; He is siring red hided calves with the same style, thickness and fantastic disposition that we have admired over the years in our black program. Walking the pastures primarily with our red cows gives him a 50/50 chance of producing a Red Angus or a Black/red gene carrier but at the end of the day they are all moderate birth, very marketable cattle with the definitive Thor hair coat and phenotype.

RED KBJ LIMITLESS 947A KBJ 947A 1744845

RED U-2 LIMITLESS 298Y X RED KBJ SYRINGA 917X

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	2.8	23	44	19	-3.0	1.0	78	668	1191

Limitless is a proven herd bull that we purchased as a 3 year old at the Glesbar dispersal in 2016. He is as dark red as they come and at 7 years old he still stood on perfect feet and was one of the most athletic and efficient breeders we have ever walked. His daughters are always right at the top of our replacement pen for style and his sons are very structurally sound. Limitless offers a very strong group of bulls with fantastic disposition.

RED COCKBURN ASSASSIN 624D CWJ 624D 1942328

RED PIE SPECIALIST 430 X RED COCKBURN CORA 254Z

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	1.2	51	91	32	-3.0	5.0	78	787	1421

Assassin is a very stylish Pie Specialist son that created quite a buzz in the red angus industry a few years back. Assassin showcased tremendous style and performance along with high end maternal quality. Assassin born progeny have continued to be sale features over the years and what I can see from the lone son in our offering, they are the right kind.

SPUR FRANCHISE OF GARTON X RED C-BAR ABIGRACE Y11

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-3.1	39	79	32	9	3.0	-	-	-

$105,000 (US) calving ease sire with explosive performance, extra muscle shape and dimension in an extremely stylish herd sire look, perfect disposition and a dam who is one of the most prominent cows in the red angus breed. We bought semen on him at Red Round Up and bred him to some of our prettiest most consistent cows. Out of a black/red carrier sire his genetics are totally outcross from anything in our herd.

RED FINE LINE PACKER 20B

RED SAWMILL PACKMAN 7Y X RED FINE LINE BERTHA 16Z

EPD	BW	WW	YW	MILK	CE	MCE	BW	AWW	AYW
	-3.1	37	62	28	14.0	10.0	72	686	1138

Purchased from Fine Line Angus in 2015 this guy consistently sires "bet the farm" calving ease with tremendous performance. Long, smooth, and dark cherry red with excellent feet, his dam was considered by Nick to be one of his best young cows- and if you know his herd that is saying a lot. His sons are some of our most highly recommended heifer bull prospects and his daughters are really starting to mature into gorgeous productive females.

- **Our Thor 29D sire is 5 years old today and still breeds very efficiently on a perfect body and foot structure**
- **This young calving ease prospect will not disappoint**

Terms & Conditions

TERMS The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made.

BID Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable time.

ANNOUNCEMENTS from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautionedto pay attention to any such announcements.

CERTIFICATE OF REGISTRY The proper Registration or Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made.

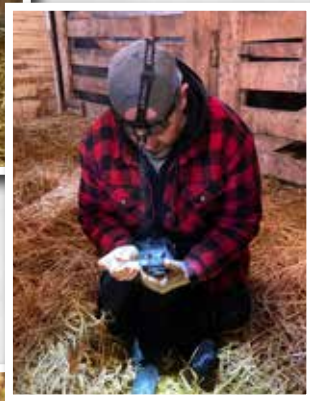
SHIPPING Assistance will be given in making shipment after the sale but no risk is assumed by Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

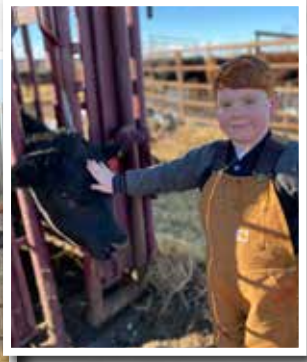
GUARANTEE All animals will carry standard breeding guarantee as specified by the Canadian Angus Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

ACCIDENTS Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.





Our Anchor 1 Angus Family are so blessed and lucky to be surrounded by family, friends and extended family who help us in so many ways. Kevin, Wendy, Trent, Tenielle, Pacen, Xandra, Cole, Colton, Kyle H, Bo, Jay, Jordan, We Thank You from the Bottom of our Hearts Without all of you we would never be ready for our Sale.

In Loving Memor

September 10, 195

We never expected that we would have to say goodbye to our loving father, grandfather, husband, and son so soon in life, but on August 15th, 2020, Ralph William Geinger passed away after losing a hard fought battle with his heart. When we lost dad, one of our mentors and a huge part of our farming operation was gone and an overwhelming workload still remained. Our family was incredibly blessed and so appreciative of the heartfelt love and support we received from our extended family, friends and our community. We were very thankful to Mark Shologan and thought it was quite fitting and special that dad's service could be viewed on cattle vids, the very same place our bull sale videos are viewed each year. While getting prepared for the day, one of our dearest friends described the online gathering as "The grand champion bull's final auction". As we move forward, we'd like to honor him and pay tribute to a life well lived as we continue to build his dream and work in the industry that he loved, on the farm that meant so much to him.

Ralph was born on September 10, 1959 and raised along with his sister Linda, by their loving parents Frank and Fern Geinger. As a child, he was easy to raise, and he never caused much grief for his parents. Right from the time, he was old enough to walk, Ralph was interested in farming and spent an awful lot of time outside with his own dad and his grandpa Bill watching, asking lots of questions and learning. His love of learning continued throughout his school years, as he strove for perfect attendance and top marks, which would eventually earn him the honor of being the class valedictorian. He attended school in Mayerthorpe and went on to study agriculture at Olds College, but after only one year he decided he'd already been taught everything he needed to know about farming from his own father and grandfather so he chose to stay home and work on the family farm where he could be closer to the woman that he loved. Ralph married Karen, his highschool sweetheart, on October 25th, of 1980. They were married in the United Church in front of their friends and family and shared 40 wonderful years together. Shortly after marrying, they began a family of their own. Over the years they were blessed with four children, Amanda, Kevin, Kyle and Tenielle. Ralph enjoyed watching his kids grow and shared many of his favorite hobbies with them.

Aside from his family and farming, Ralph had a few other loves. He was in a couple of different bands over the years. As a child he played the accordion in a band called the Country Kids. They knew five songs and enjoyed playing at local dances. In the early 1980s Ralph started a band called White Line. This venture brought some great friends into his life and although things were busy with farming and raising young kids, we will never forget the joy in dad's voice when he spoke of those years. Another of dad's most beloved hobbies was curling. He watched his parents curl from a young age and was intrigued by the sport. He began curling in high school and spoke fondly of the memories he made with his teammates. After he graduated, curling became a pastime that Ralph and Karen enjoyed together, and later on,

Forever in Our Hearts.

Kevin and Kyle were fortunate to curl with him as well. They remember many laughs created by Ralph, upstairs in the Mayerthorpe Curling Rink. Last but not least, growing up, we heard many stories about his fastball days, the ball, the boys and the fun times they had. Dad's eyes lit up every time he talked about his old team and many of the best times of his life were had with those guys. After fastball ended, Ralph and Karen got into slow pitch. It was great because it was something they could do together with other couples; Ralph did not enjoy the ball quite as much, but the company was just as good. No matter where dad was or what he was doing, he always surrounded himself with good people. A family friend, Darla Masterson, sent a message shortly after his passing that made all of us smile and cry at the same time. She said that whenever there was an event somewhere, everyone wanted to get near to where he was sitting as you were always guaranteed a great time with full on belly laughs. We think that truly describes our dad.

Ralph's grandchildren brought so much joy into his life. They meant the world to him and all of them loved him so much. His favorite thing to do was cuddle up with as many of them as he could on his chair. No matter how tired or sore he was after a day of work, he still put everything he had left into showing his grandkids how much he loved them. We wish that they could have had more time with him.

Being a third generation farmer, it was never just a job to Ralph, it was a way of life and he loved it. Dad's truest passion besides family and friends was farming. He worked right up to his last day and he wouldn't have wanted it any other way. Dad had recorded a little video last year in anticipation of the online sale and Gunner found it on his mom's phone. He is often found watching it and we wanted to share a last thought from our dad with you that we feel really sums up how he felt about farming and how proud he was of Anchor 1 Angus.

"The simple things we get to bare witness to every day like the magic of a baby calf being born, his mother's instant affection for him and his jubilation at discovering that first teat as his tail waves rhythmically in the air with every swallow or just seeing those older calves take off at a 100 miles an hour across the pen on a beautiful sunny winter's day. I know grain farmers often comment on how they love watching their crops grow and mature throughout the summer but for me that's a little akin to watching paint dry. For me, as well as I'm sure for many of you, watching those baby calves running and playing, growing and developing especially if you take one of these Anchor 1 bulls home to work your pastures this summer, (just a little plug there), is what it's really all about and is always the highlight of my day. I'm excited about the bulls we have for offer this year, probably some of the best ever and even more excited about the direction our herd is heading."

- **Probably the lead off Black 2-year-old come sale day**
- 280G is already getting some interest early on as he is a true standout in our pen
- He is extremely long bodied and clean fronted with outstanding natural thickness
- From a strong cow family this guy has the ability to make powerful momma cows
- **Calving Ease X Performance, don't let this guy pass by**
