Auction Mart Contact:

Cliff Grinde 780-336-6333

Robert Kunnick 780-336-6301

Insurance - Jill Wildeman Ph: 780-305-1146
will be available Sale Day

Important Notice:

This sale will hopefully be held at the Viking Auction Market and will be COVID-19 compliant, meaning there will be limited seating capacity and social distancing. This also means, there will be no presale lunch being served. In the event of a complete lockdown the sale will move to 100% online, so we encourage interested buyers to view cattle at the respective farms prior to the sale.

Welcome to the 2021 Langco/Kueber Bull Sale! Wow! A year goes by fast, and what a year! As our lives hopefully return to normal as soon as possible, I have never felt so fortunate to be in this great Agricultural Industry. We have brought to town another great set of bulls we are proud of and our valued customers have come to expect. Not over fed or over managed, these coming 2 year old bulls have not been picked through or "leftovers", but raised exclusively to be marketed through this sale. New to this year's female sale, we are beginning the process to market only bred heifers, therefore our fancy blue roans will come to you next year, as breds. In their place, we dug deep into the shorthorn replacement pen and brought 6 top notch bred heifers that I didn't think grandpa really wanted to sell. An added bonus, they are all bred to last year's high seller, Firestorm. Tyson & Del Bieleny are also bringing an excellent set of blue roan young cows for those expecting to buy some blue roans. Feel free to view any of the lots at their respective farms prior to the sale. Stay safe, Steven.

Welcome to our 8th Annual Bull Sale held at the Viking Auction Market. Once again, we are happy to team up with the Lang family to present a set of functional, useable cattle that are ready to work in their respective environments this spring.

2020 certainly came with many unexpected challenges, but as tradition in the agriculture community we adapted to the challenges and continue to persevere. For our 2021 sale COVID-19 protocols will be in place sale day- stay tuned for details. We strongly encourage and welcome you to the farm prior to the sale to view the bulls and dams in their home environment. Internet bidding/streaming will once again be provided by DLMS and we encourage the use of that service for those who are familiar.

Within our 2021 offering we feel we have a relatively uniform group of smooth made, calving ease bulls that are structurally correct and do not sacrifice shape or performance. Each of the bulls in the sale is out of a "flat-out-good" angus cow. Throughout the footnotes you will see added information on each lot to help describe our program and inform your decision. We emphasize on cow families and have

expanded our herd in recent years through the use of embryo transfer. In embryo transfer we can single out our top producing females and leverage their heritability and genetic potential to build around at a faster pace. In 2020 we implanted 55 embryos, and we look forward to the resulting matings in 2021 and more importantly- beyond.

The bulls selling have been managed for a conservative gain with longevity and integrity in mind. In preparation for the sale, the bull pen was pictured mid December, and we would like to invite our customers to view the bulls continued development in their home environment prior to the sale.

As always, we offer complimentary wintering of the bulls until the beginning of April. Furthermore, every bull in the sale sells with a 100% satisfaction and sight-unseen guarantee.

With much gratitude, we would like to thank our past customers, the sales staff, and fellow producers for the continued support in this great industry. We look forward to enjoying pre and post sale hospitality with you on February 12th 2021.

This years feature flush offering is definitely one we are excited about due to the completeness of this mating in multi trait criteria for both male and female progeny. While on our southern saskatchewan tour, Youngdale Hi Definition 185B was the most complete sire group we found and subsequently resulted in a flush to our most potent donor, Rosebud 32Y. These calves are phenotypically pleasing with abound muscle shape, top and length of spine. All of these flushmates have come with moderate BW and enhanced curve bending yearling growth. A flushmate was one of the high selling black calves to Gracedale Stock Farm in the 2020 Northern Select Angus Sale and maternal siblings are working at Mixburn Colony and Mike Fawcetts.

HA OUTSIDE 5307 SONS

3 flushmate full siblings by HA Outside 5307 who originally came from Hinman Angus in Montana. Robb Holowaychuk suggested we purchase an interest in this sire and we are sure glad we did. These calves are wide chested, small headed, long spined, and nice hearted. 52H leads the pack with his stout expression, correct feet and legs, and unmatched internal dimension. HA genetics offer calving ease, maternal focused genetics that are ranch tested in the hills of Montana. Rosebud 32Y is the model angus cow; moderate framed, fertile, forage efficient, good footed and perfect uddered.

Here is a big hipped, stout made calf from one of the industries leading sires, Natural Law. 75H is a big ribbed, soft flanked, dimensional, hairy calf with an abundance of "Aberdeen" character. His recip dam was a tank of a cow and as a result I would expect mid 80's BW from this calf as a more realistic BW benchmark. His dam, Whiskeygirl 592A is responsible for some of our bests over the years to HR Hahn Cattle, Lyseng Land and Cattle, MJT Cattle Co, Hugalta Farms, Kevin Baird, etc. 75H is the only Natural Law calf to sell this year as all his flushmates were retained in the replacement pen.

Two calves by the 'female maker'- Magic Mike. These two calves are loose hided, wide pinned, rugged-made, with added frame, length and capacity. Auburn 76T is a phenotypically flawless angus cow and a member of the renown Auburn tribe at Wheelers in Saskatoon. Auburn combined with the legendary Indeed 104H and Meg 85N is a pedigree that could not be more maternal.

Thank You to our 2020 Bidders and Buyers

TERMS & CONDITIONS

TERMS: The terms of sale are cash or cheque. All cattle must be settled for at the conclusion of the auction. Cattle will not be released from the sale premises until payment is received in full, unless other arrangements have been made prior to the sale with the individual contributor. Every animal sells to the highest bidder, in the case of disputes, the auctioneer's decision will be final, and becomes the risk of the purchaser. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure times.

BUYERS REGISTRATION: Buyers please register for a buyer number at the office prior to purchasing.

BREEDING GUARANTEE: All bulls are guaranteed to be fertile & reproductively sound in accordance with the rules & regulations recommended by the breed associations. All bulls will be semen tested.

ANNOUNCEMENTS: Errors in this catalogue will be corrected by announcements from the block at sale time & such announcements will take precedent over any printed material. Any disputes will be settled by the auctioneer.

ACCIDENTS: Although every precaution will be taken, All Persons who attend the Sale do so at their own risk. The owners, management and the sales staff assume no liability, legal, or otherwise for any reason.

CERTIFICATE OF REGISTRATION: A certificate of registration duly transferred will be furnished to the buyer by the breeder for each registered animal after complete and full payment has been made.

INSURANCE: Bulls who go back the seller's farm must be insured by the buyer, insurance agents will be in attendance.
