## *Welcome...*

Thank you to all of our customers for their support over the last eleven years. A special thank you to those individuals who purchased bulls last year with the disruption created by the COVID pandemic. Because the pandemic continues, I have chosen to conduct the sale as a "Farm Gate Timed" Auction rather than having the sale at Innisfail.

Even though 2020 was not a normal year, Charolais cross calves are hard to beat and the buyers are certainly still looking for them. This year's sale will consist of white, tan and red yearling bulls.

A new sire group added this year are JWX Everest. If you are looking for bulls with lots of hair, length and calving ease these would be a good choice for you.

Duplicitious and Northern Star bulls are still on offer if you are looking for a low birthweight and calving ease Charolais bull.

If you are looking for a performance Charolais bull we have Elder's Blackjack and CML Notorious.

Eureka Valley Charolais is a guest consigner at the sale again this year.

The sale will be hosted by [www.DLMS.ca](http://www.DLMS.ca). The sale begins on Thursday, March 18th at 9:00 a.m. and will close on Friday, March 19th at 6:00 p.m.

The format of the auction is "Racehorse Style Close".

Because of COVID, I would encourage anyone that would like to see the bulls to call me at (403) 870-3960 to arrange a time for safe viewing.

and family

## EUREKA VALLEY CHAROLAIS

Hello and welcome to the 2021 edition of the Reese Cattle Co. bull sale. My name is Wyatt Glover. I am currently in my third year taking the Bachelor of Applied Science Agribusiness degree at Olds College. This is my third year consigning bulls and I think this is the best set yet. I think that there is something for everybody needs including colour. These bulls are bred for soundness, structural correctness, and are going to be able to out and work for you. If you have any questions please feel free to contact me either by phone (403) 348-3324 or email [eurekavalleychar@gmail.com](mailto:eurekavalleychar@gmail.com).

## *Online Bidding*

# **THIS YEARS BULL OFFERING WILL BE AVAILABLE ONLINE ONLY VIA DLMS FARMGATE TIMED AUCTIONS**

**[www.farmgatetimedauctions.ca](http://www.farmgatetimedauctions.ca)**

1. Visit [dlms.ca](http://dlms.ca) and follow the link to the DLMS FarmGate timed auction site [www.farmgatetimedauctions.ca](http://www.farmgatetimedauctions.ca), click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a user name and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.

2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.

3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.

4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In Most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time the computer will declare the sale finished.

5. Following the sale the Owner or Sale Manager will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery, pick up or shipping of your purchases.

**WHAT IS RACEHORSE  
 STYLE SALE CLOSE?**

Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

Timed Auctions Made Easy

**HOW WILL EXTENDED BIDDING WORK?**

When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

## *Terms & Conditions*

**Terms:** The terms of the sale are cash or cheque payable at sale location, immediately after the sale, unless satisfactory arrangements have been made prior to the sale. The right of property shall not pass until after the settlement is made. All settlements must be made with the clerk of the sale before any cattle will be released. All monies are in Canadian funds.

**Bidding:** Each animal will be sold to the highest bidder. No by-bidding will be permitted. In cases of disputes, bidding will be re-opened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

**Announcements:** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.

**Purchaser's Risk:** Each animal becomes the risk of the purchaser as soon as sold.

**Certificate of Registration:** Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made unless stated that there is no paper.

**Breeder's Guarantee:** Should any bull fourteen months of age and over fail to prove a breeder after being used on females known to be breeds, the matter shall be reported in writing to the seller within six months following the date of purchase or six months after the bull has reached the age of fourteen months of age. The seller will then have the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze. If multiple bulls are used in common pasture, no further guarantee than the semen test will apply.

The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

**Exception Guarantee:** In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

**Settlement:** Transportation charges on animals returned to the seller are for the account of the buyer. No incident expenses such as feed, care, interest, veterinary charges, etc. will be charged by either party when making settlement. If the seller is successful in proving the animal to be a breeder, then said animal will be reclaimed by the buyer at his expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement, F.O.B. ranch or location of origin. Should a dispute arise over the quality of a replacement animal, the sales manager will appoint a mediator.

**Accidents:** Although every precaution will be taken to protect the safety and comfort of the buyers, neither the sales manager, auctioneer or consignors assume responsibility in this matter and disclaims any liability, legal or otherwise, in the event of accident or loss of property.
