ONLINE BULL SALE • MARCH 28 & 29, 2021 • DLMS FARM GATE TIMED AUCTIONS
www.farmgatetimedauctions.ca
43 ANGUS BULLS • 3 LIM-FLEX BULLS • 1 SIMMENTAL BULL

Videos of the sale offering will be available prior to the sale at www.riverstonecattle.com

For special sale updates and announcements find us on

@riverstonecattlecompany

Riverstone Cattle Company

VIEWING OF THE BULLS

Viewing of the bulls is welcome at any time prior to the sale at the farm west of Olds. To arrange a time please call Tim 403.556.5744. The coffee is always on and the beer cold!

INSURANCE

We recommend you insure your bull purchases right after the sale. Cassie Dorran of Crossfield Agencies would be happy to help you out with your insurance needs. Cassie 403.586.1699

RIGHT TO SEMEN

Riverstone Cattle Co. reserves the right to draw semen on any of the bulls in the offering. Semen will be used for in herd use only and will be drawn at the expense of Riverstone Cattle and at the convenience of the buyer.

EPDS INFORMATION

All information printed in the catalog is known to be true and accurate as provided by the Canadian Limousin, Angus & Simmental Associations. Please note that EPDs may have changed by the time the registration paper is transferred.

TERMS & CONDITIONS

All bulls sell under the Standard Breeders Guarantee and Guidelines recommended by the individual breed associations. Copies are available upon request.

BOARD ON SALE BULLS

We can keep the bulls until delivery. We would like all bulls picked up or delivered by May 1 unless previous arrangements have been made. **These bulls must be insured.**

BULL BREEDING GUARANTEE

All bulls will be semen tested and veterinary inspected prior to the sale.

US BUYERS

US buyers can take advantage of the Canadian dollar. \$1000 CA = Approx. \$800 US. Sale exchange rate will be announced on sale day.

Welcome...

I would like to welcome everyone to the 2021 Riverstone Bull Sale. As I sit here writing this opening letter I can't help but reflect back on the past year and how things have changed in the world but yet how they have stayed the same. I know that sounds corny but in the "COVID" world so much has changed. I feel very fortunate as a rancher that most of my day to day work has not been affected. With that said, because of all the lockdown's that happened around our 2020 bull sale we have decided to make a big change to this years sale.

With all the uncertainty on the ever changing rules that our government has enforced upon us over the last year we have decided to change to an **online sale only**. The plan is to do a "horse race" finish style closeout. All of the information and instructions are posted on the next page of the catalog. It seems like this type of sale is becoming more and more popular. As usual, viewing of the bulls is always available anytime at the ranch but you can relax at home and bid at your convenience over 2 days to select a bull(s) of your choice. If there are any questions on how this works please call ahead for a better explanation or problem solving. **Please note that if you have purchased animals in the past during a DLMS LIVE AUCTION that account information WILL NOT work with the FARMGATE TIMED SALE. Please make sure you create a new DLMS Farm Gate account if you have not already registered as a Timed Sale purchaser.

For this years offering you will see we are trending more towards the Angus breed. We had to downsize our herd over the last couple of years and that was the tough decision that was made. We will always have a few Limousin and Simmental around as you can see in this years offering. We have once again concentrated on using breed leading AI sires for both calving ease and performance. We always like to have a variety of sires to give you the best options to match a bull to your cowherd. Along with the AI sires we have our own herdsires that will hold up against any others. As usual we are offering both yearling and long yearling bulls. For those who haven't been here before the yearlings are born in January and February and the long yearlings in September and October. We put all long yearlings back on grass after weaning in May and are brought back in to be put on feed with the calendar year group in September. This way all the bulls can coexist in one pen for feeding and viewing.

All of these bulls are fed with a free choice pelleted ration from Bullseye Feeds. Along with this they get high protein hay and silage. We found this grows out the bulls at an acceptable rate without burning them out. Prior to the sale all bulls will be semen tested and veterinary inspected and will have passed the examinations before the new owners take possession.

Videos will be made available on www.dlms.ca as well as www.riverstonecattle.com approximately two weeks prior to the online sale. If you are unable to make it to the farm for viewing prior to the sale we would be happy to help out in anyway to make sure you find the bull(s) that meets your needs. The Bohrsen Marketing team is once again on board to assist anyone who might require their assistance to give their knowledge of the bull pen. Please feel free to call anytime.

Sincerely, *Tim Matthews*

SALE VIDEOS OF THE BULL OFFERING

Videos of the sale bulls will be available appropriately 2 weeks prior to the sale at www.riverstonecattle.com

SIGHT UNSEEN PURCHASE PROGRAM

If you are unable to attend the sale or require assistance in your bull selection, feel free to call Tim Matthews or a Bohrsen Marketing Representative. We would be glad to discuss the bulls and your needs to find you a bull or bulls that will fit your program. If you are unsatisfied with the purchase at delivery you will not own him.

ONLINE BIDDING & VIEWING

Bulls in this sale will be offered online only via DLMS Farmgate Timed Auctions. Please refer to the next pages for bidding instructions and registration information.

PLEASE NOTE * * * IF YOU HAVE PREVIOUSLY REGISTERED WITH DLMS LIVE AUCTIONS YOU WILL HAVE TO CREATE A NEW ACCOUNT WITH FARMGATE TIMED AUCTIONS

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit www.dlms.ca , scroll down sale list to find the sale you are interested in bidding on. Click on the sale listing and you will be taken to the FarmGate Timed Auction Sale page.

2. After you are at the FarmGate Timed auction site - farmgatetimed-auctions.ca, click the **LOGIN/REGISTRATION button.**

First time FarmGate users:

- First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. (please note due to some of the text notification features the FarmGate Time Auction Site requires a new account separate account from your DLMS Live sale site)

- After you create your FarmGate account you will receive a text message with a pin code to verify your account.

- On your first log in to FarmGate Timed auctions we recommend you go to your profile and confirm your notifications are set to YES. This allows the site to send you text and/or email notifications when you are out bid and if there is activity on your favorite lots.

Returning FarmGate users:

- If you have used Farm Gate Timed auctions in the past simply enter your user name and password to continue. After you have logged in you are able to browse the timed auctions on DLMS FarmGate Timed Auctions.

3. How to Bid

Now that you are logged in and your account phone number / email is verified you are able to bid on an upcoming sale. Simply find the lot you are interested in bidding on. After you have found the lot there are 2 options for bidding on the lot.

- **Place Next Bid** – to place the next bid on the item, you see the amount in the first box, you simply click the "Place Bid" button and after you review the bid and agree to the terms and conditions your bid will be placed.

- **Max Bid Amount** – to place a max bid you put your max bid in the second box listed as "Max Bid" on the item, and then click the "Place Bid" button and after you review the bid and agree to the terms and conditions your bid will be placed as the next bid. With the Max Bid placed the computer will then keep you as the high bidder to the max amount you have placed. This can be a great feature if you are not able to give 100% attention to the sale close out and protect your interest so you do not miss out on any lots you want to purchase. The Max Bid amount is completely confidential from the seller during the sale process.

Example of How the Max Bid Works - If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest. Please note that in some cases a lot value can change very quickly if 2 max bids are placed on the same lot competing against each other.

4. Watch List Feature

If you have items in multiple auctions or only a few from the same auction that you want to watch with out having to scroll through the entire list you can add the lots to your watchlist. On each lot you will see the "eye" button beside the bid button, by clicking this "watchlist" icon that item is added to your personal watchlist for easy viewing of just your favorite lots in this sale or on the entire site.

5. Sale Ending / Closeout

Most FarmGate Timed Auction sales close racehorse style with extended bidding.

What is Racehorse Style Close?

Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

How will Extended Bidding works?

When we get to the close out end time the clock for close out extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

6. Bidding Close & Follow-up

After the clock has gone to "ENDED" and no bidding has occurred for 5 min the computer will declare the sale finished. Following the close typically within 24 hours of the sale close the sale consignor will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot. Or as the winning bidder you can contact the sale consignor / sale manager to confirm payment instructions.

Please make sure that your account info is up-to-date and correct if you are the winning bidder of a lot as this is how the billing is sent to Sale manager and/or Sale consignor.

**HA COWBOY UP 5405
SIRE GROUP**

This is an exceptional bull on paper and even more impressive in terms of his phenotype. He is an outcross option to most of the popular Angus pedigrees right now, and will move your herd in the right direction. Wide based, long spined, big bodied, sound made, with excellent feet and legs. Perfect bull to put the punch and power back into your Angus cattle. His outcross pedigree, phenomenal performance and powerful yet traditional Angus phenotype have made him one of the most popular bulls in the industry. A breed changer from a growth performance and body mass standpoint.

**SAV PEDIGREE 4834
SIRE GROUP**

SAV Pedigree 4834 was the top-selling and record-setting lot of the 2015 Schaff Angus Valley sale at a total valuation of \$1,087,500. This SAV Pioneer son is out of SAV herd matron, SAV Blackcap May 4136. He offers the pedigree, phenotype and breed-leading EPD profile to be one of the truly great breeding achievements in Angus history. Stunning in his design, this bull is stylish, super fronted, long-sided and has a powerful hip.

**PF OKLAHOMA 6625
SIRE GROUP**

PF OKLAHOMA 6625 is one of the most complete calving ease bulls with maternal greatness and stacked EPD's in the breed. Utilize OKLAHOMA to increase visual quality while adding impressive maternal lineage as he is out of one of the very best donors in the industry. He is strong footed, sound structured, large scrotal, smooth made and nearly impossible to find a hole in for an exciting up and coming calving ease prospect. Genetically, he is intriguing by representing two of the great cow families in the industry with the Rita on the top side and the world renowned Henrietta Pride on the bottom side.

**SAV RESOURCE 1441
SIRE GROUP**

Resource has gained the admiration of cattlemen worldwide as a sire of body mass, efficient conversion and phenotypic power like few sires the breed has ever seen. As impressive as his sons are, Resource's greatest attribute is likely his daughters. A foot improver and a sire of tremendous udders and excellent dispositions; Resource offers a perfect mating option for breeders looking to build functional quality and maternal equity into their cow herds.

I have had the pleasure to work with the Matthews crew at Riverstone Cattle Co. for many years. Their operation has transformed and focused very hard on their Angus program. Throughout the transformation, their focus on raising high-quality functional cattle has never waived. The bull feed program utilizes high-quality on-farm forages with a custom-designed complete feed pellet balanced for proper protein and energy

requirements. Organic minerals are used to ensure proper immune function and overall health. If you have any questions about the sale bulls' nutrition, please feel free to give me a call. Best of luck on sale day.

NCB COBRA 47Y
 Many astute breeders have claimed NCB COBRA 47Y to be one of the most under rated and highly productive sires within the Simmental breed today. He is a sire that flat out gets it done in a calving ease package (top 1% for HCE, CCE & MCE) that doesn't sacrifice performance. He is one of the most complete calving ease Simmental bulls to surface in some time. His proven pedigree combined with his flawless presence makes him a truly unique breeding piece. COBRA has maternal strength and is backed by some of the most predictable cow families in the breed.

Chuck Groeneveld

MAY 26, 1937 - OCTOBER 30, 2020

In October of last year we lost one of the great ones! The cattle industry lost its best beef ambassador and we lost one of our most beloved and loved.

Uncle Chuck along with Aunt Lorraine owned and operated Highwood Land & Cattle Co. The cattle industry gave him so much joy and the opportunity to exhibit at all the major shows across Canada and judge at many local and national shows. He believed in giving back and gave his time to many organizations including 4-H, Alberta Beef Producers, Calgary Stampede, Canadian Cattlemen's Association, and the Alberta and Canadian Simmental Associations. He was a mentor to many young people and always had time for a visit. Uncle Chuck was inducted into the Canadian Simmental Hall of Fame in 2011 and received the Western Legacy Award from the Calgary Stampede in 2015.

He was so much more than just an outstanding cattleman or even an uncle and friend... he was a second father and make shift grandpa. Every year he waited around all day to watch our kids enter the show & sale ring for 10 minutes or drive 3 hours round trip to watch a one hour hockey game. He attended every birthday party, holiday and family event. His love for kids and cows was unparalleled. Although we truly miss his friendly smile and corny jokes we know that he will always be seated in the stands, whether it's around show ring or in an ice cold arena. Forever in our hearts!
