## Darryl Clark

*Darryl Clark ranches, along with his wife, Layne, and daughters, Kaleigh and Harper, near Edgerton, AB. Darryl was fortunate enough to work for the Trefiak family while attending school and developed an interest in purebred cattle. His interest was cultivated and in 1992 a small group of 25 select Red Angus females were purchased to start their story. Over the years their numbers increased, and now Aspen View Angus Farms calves out 425 females annually.*

*The Clark family has marketed their bulls through the Back to the Basics Bull Sale for 20 years and a number of well-respected cattlemen trust their program. In 2016 an opportunity come up to take over Layne's dad's cows and the decision was made to commercialize the cows and move our calving to May/June. What a great time to calve cows!!*

*The cattle business comes with challenges (2021!!), however, they enjoy the lifestyle and opportunity it provides to their daughters. It is truly an honor to have been asked to assess the bull calves at the Stockade Round-Up, this area has some of the best genetics in the world.*

*Kurt, his wife Becky, & their kids own and operate Pedersen Livestock north of Edgerton, AB where they raise Black and Red Angus cattle.*

*Kurt was very active in 4-H and the judging opportunities that came with it. He has judged at many different competitions such as the Western Canadian Finals and was fortunate enough to win the Provincial Judging Competition which gave him the opportunity to compete in Denver at the National Western Stock Show.*

*He has continued to judge, giving back to the programs that helped him by judging various 4-H & junior shows, including Summer Synergy in Olds. Kurt exhibits cattle at shows throughout Western Canada every fall including Lloydminster Stockade Round-Up and is very proud to have owned a past Reserve Champion King of the Ring.*

*Kurt would like to thank the Stockade Round-Up Committee for asking him to judge at this wonderful event.*

## Kurt Pedersen

## Darwin Pollard

*Darwin grew up on the family farm NE of Lloydminster. He married Diane Turvey and have three children Amanda, Brady and Jordyn. They farm on the family farm, as well as, helping at Diane's family's farm. They currently run a 400 commercial herd and grain farm 1000 acres.*

*He played hockey in Hillmond and then played Midget and Senior hockey in Marwayne. Darwin was very active in the Northminster 4-H Beef club as a member and later an assistant Leader of the Hillmond 4-H Beef watching his children in 4-H.*

*When not farming Darwin can be found chasing Jordan's singing career, hanging out with the grandson, Bently, watching hockey and cattle.*
