MEET OUR JUDGES

Kelsey Knott

Kelsey Knott, along with my parents, Greg and DeeAnn, own Tailor Made Cattle Company. They run a herd of commercial, purebred Black Angus and Speckle Park cattle.

From a young age her passion has always been in the cattle industry. Growing up, she was a member of the Fort Saskatchewan 4-H Beef Club for ten years and attended junior/open jackpots shows throughout Western Canada. Along with her family and a group of other volunteers, they coordinated a successful junior/open show, referred to as the UFA Country Classic, for over ten years.

She is also an Event Manager specializing in cooperate events and agriculture programming for future events in Strathcona County. As the years go by, major changes in our agriculture industry have been seen, both the good and the bad, but at the end of the day, our industry can only get stronger with the demand for high-quality meat, proven genetics, and industry education.

Kelsey is thrilled to be here today at Stockade Roundup and wants to relay a huge thank you to the Lloydminster Exhibition staff and volunteers for all the hard work and behind-the-scene organizing they do and asking her to judge this great event. In addition, she would like to thank the sponsors who truly make these shows happen and help create lifelong memories for all these producers.

Larry Macnab and his wife, Cheryl, along with their three children, spouses and their kids operate Macnab Angus at Mervin, SK. Their children are 4th generation farmers and are raising 9 members of the 5th generation.

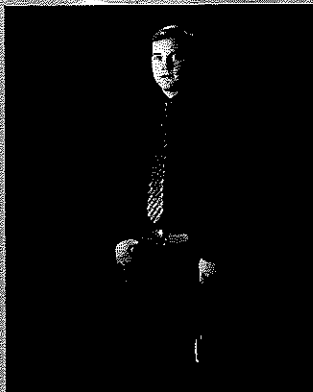

Macnab Angus breeds 200 purebred Black Angus cows annual and farms 3500 acres of grain land. The bulls are sold off the farm by private treaty.

Larry is passionate about the beef industry and is excited to be a part of Lloydminster Stockade Round-Up.

Ryley Pashulka

Ryley Pashulka farms with his parents Ken & Josie, and his brothers, Tyson and Taylor, near Derwent, AB. Rusylvia Cattle Co. is Ryley's passion raising purebred Simmental, Black Angus, and Maine Anjou cattle as well as a commercial herd numbering 400 cows.

Showing cattle at junior shows, jackpots and 4-H shows across Western Canada has been a passion of Ryley's since his youth. He has also enjoyed showing at Lloydminster's Stockade Round-Up, Canadian Western Agribition in Regina, Farmfair International in Edmonton and the National Western Stock Show in Denver, Colorado.

Ryley has also participated in numerous judging competitions in both Canada and the USA. While he appreciates all aspects of the cattle industry, he especially enjoys clipping, fitting and the cattle people involved. Ryley is always working to promote Rusylvia's main breeds as well as their annual bull sale, which is held the first Wednesday in March and their fall online female and steer show in October.

Ryley thanks the Committee for having him come evaluate the cattle today during the 43rd Annual Stockade Round-Up.
