Please keep this catalogue, as there won't
be a new sale catalogue printed. After the
show is completed, the sale order will be
printed and available.

July 22-24, 2022

**WELCOME
TO THE
2022
GRASSLANDS
EXHIBITION**

Established 1909

**Humboldt,
SK.**

<https://sasksheepbreeders.com/>

WELCOME TO #GRASSLANDS2022

The Saskatchewan Sheep Breeders' Association was established in 1909 by a group of sheep producers who wanted to improve the sheep industry in Saskatchewan. This group knew that by working together, they could promote the sheep industry, deal with significant issues & support each other in the raising of high-quality breeding sheep.

Today, the SSBA has members from all over the province, and other provinces, producing purebred and commercial sheep. There are breeders of 17 different purebred breeds as well as several crosses.

2022 is the 45th year of holding the Grasslands Sheep Exhibition. We are all very proud to have been able to continue what those in 1977 started. From Vanscoy, Assiniboia, Drake & now Humboldt, all the venues have all ended with the same result, of promoting the production & sale of high-quality purebred & commercial sheep in Saskatchewan, We endeavour to keep the Grasslands Sheep Exhibition going for many more years and thank you all for attending the show and sale. We are very thankful for the Saskatchewan Sheep Development Board for the partnership with the Grasslands event. We would like to take this time to thank everyone who contributed to the 2022 Grasslands Sheep Exhibition to make this event successful!

Saskatchewan Sheep Breeders Association

The Saskatchewan Sheep Development Board (SSDB) with its office in Saskatoon, has been given responsibilities and authorities under a specific mandate enacted by legislation, "The Agri-Food Act 2004" and the "Sheep Development Plan Regulations 2013" to promote and develop the sheep industry. The Board of directors and staff of the SSDB work hard on behalf of Saskatchewan sheep producers for the benefit of all producers in the province.

*Mission Statement

To enable the growth of the Saskatchewan sheep industry through supportive programs and services.

*Vision Statement

Leaders of a prosperous sheep industry.

*Mandate

Our Vision and Mission is achieved by:

- Representing and responding to the needs of all sheep and lamb producers of Saskatchewan.
- Providing effective communications channels.
- Providing marketing options and market information for lamb producers.
- Providing resource stability to the Saskatchewan Sheep Development Board.
- Providing education, extension, and information transfer to assist producers in maximizing returns for lamb, sheep, and sheep products.
- Ensuring access to sheep supplies.
- Promoting the lamb industry, the consumption of lamb and the use of sheep products.
- Implementing the strategic plan developed by the sheep industry for the sheep industry.
- Working in cooperation with other industry groups, marketing associations, commissions, committees which have objectives consistent with those of the Saskatchewan Sheep Development Board.
- Working in partnership with the Saskatchewan Ministry of Agriculture

The Saskatchewan Sheep Development Board is pleased to be partnering with the Saskatchewan Sheep Breeders to bring you the 2022 Grasslands Sheep Exhibition.

Sale Terms and Conditions

Sale Start Time - 1:00 p.m. Sunday, July 24th, 2022

Auctioneer: Scott Johnstone

Online Bidding: DLMS

Buyers: All buyers must register before being eligible to bid at auction. Full settlement must be made with the Treasurer of the Saskatchewan Sheep Breeders' Association on July 24th, 2022 prior to animals leaving the barn... No exceptions. Payment can be made by cash, cheque, or e-transfer. No credit card payments will be accepted.

Guarantee: Ewes & rams entered in Grasslands Sheep Exhibition Sale are guaranteed by the consignor as breeders. The consignor will stand behind their animals, & if any problem arise, they are to be handled directly between the seller and the purchaser.

Risk & Removal: All animals are at purchaser's risk as soon as sold. No animals are to be removed from the barn until full settlement is made & receipt is issued. Present receipt to Barn Boss for inspection. All animals must be removed from the facility by 6:00 p.m. on Sunday, July 24th, 2022

Errors: If any errors are noted, corrections will be made from the auction stand. All announcements at sale time, written or verbal, will supersede any written information in this catalogue.

Liability: The Saskatchewan Sheep Breeders' Association & the Saskatchewan Sheep Development Board & their respective directors &/or employees accept no liability that may occur. Accidents at sheep shows & sales are very rare, but all attending do so at their own risk.

Show & Sale Manager:

Matt Govan - 306-320-1875

Royce Lodoen - 306-662-9093

Saskatchewan Sheep Breeders Assc. Treasurer

Pamela Bartlett - 306-482-8381

CANADIAN ARCOTT EWE LAMB

Lot 20 - Haynestock Kora 154K

Canadian Arcott * Ewe Lamb * Twin * January 22, 2022

Consigned by: Haynestock Farm

Haynestock Kora 154K - Twin ewe born 2022 – she is very long-bodied, with a very correct frame and good muscling. She showed an excellent rate of gain and was our top-gaining ewe lambs of the 2022 lambing crop.

Sire - Haynestock Jefe 90F (784635)

Dam - Braebank Friendly 82F (746171)

Lot 21 - Haynestock Kendle 152K

Canadian Arcott * Ewe Lamb * Twin * January 22, 2022

Consigned by: Haynestock Farm

Haynestock Kendle 152K - A beautiful twin ewe born in 2022 – she is our top pick for the 2022 ewe-lamb crop. Out of one of the very best ewes on our farm – she is all you could ask for in a ewe lamb; long, deep, thick and very correct with a great rate of gain.

Sire - Haynestock Jefe 90J (784635)

Dam - Haynestock Gracious 2G (756401)

Lot 22 - The Govan Ranch 2K

Canadian Arcott * Ewe Lamb * Twin * January 20, 2022

Consigned by: The Govan Ranch

Sire - The Govan Ranch 41H (780522)

Dam - Nikkel RB 506D (736397)

Lot 23 - The Govan Ranch 5K

Canadian Arcott * Ewe Lamb * Twin * January 24, 2022

Consigned by: The Govan Ranch

Sire - The Govan Ranch 41H (780522)

Dam - Nikkel RB 101E (740274)

Lot 24 - Wright's Mandy 33K

Canadian Arcott * Ewe Lamb * Twin * January 6, 2022 * CLRC - 790583 (updated)

Consigned by: CJL Livestock

Here is a smaller frame flashy ewe lamb that is hard to part with. 33K has fertility built in, being a twin off a first-time ewe lamb who was also a twin, is just a bonus. 33K has the look. She is balanced, feminine and carries all the traits we select for, off of a long line of ewes that have great mothering ability.

Current WT - July 2, 2022 - 92lb.

Sire - LQTR 129H Hernandez (769743)

Dam - Wright's 3J (790526)

Canadian Arcott * Ewe Lamb * Twin * February 3, 2020

Consigned by: Haynestock Farm

Twin ram born in 2020 – he is very well built, with long, wide and deep loin, along with a deep body and has exceptional breeding capacity. He is very correct with exceptional rate of gain (125lbs @ 100 days)

Sire - Braebank Element 1101E (745026)

Dam - Braebank Certainy 56C (714555)

Lot 32 - Wright's Kong 23J

Canadian Arcott * Yearling Ram * Single * April 29, 2021

Consigned by: CJL Livestock

A yearling power Ram! 23J is a great example of what we strive to breed; correct structure, heavy boned, tons of breed character, added length and muscle, and most of all he is very docile. 23J is off one of our favorite young ewes and being a first-time mother, she did an exceptional job.

13lb BW, 50 day – 60 lb, 100 day – 112 lb, Current WT - July 2, 2022 – 230 lb.

Sire - LQTR 129H Hernandez (769743)

Dam - The Govan Ranch 7H (771831)

Lot 33 - Wright's Patch 26J

Canadian Arcott * Yearling Ram * Single * May 10, 2021

Consigned by: CJL Livestock

Powerful yearling Ram! 26J is a Ram we selected especially for the 2022 Grasslands sale. Easy fleshing, added shape and stoutness, correct structure, Patch is the total package. 26J is also out of a very correct first-time ewe who did a bang-up job. Our yearling rams did not receive any creep and have not been pushed on feed. We developed them on a balanced ration and grass, maximizing longevity in your investment.

11lb BW, 50 day – 58 lb, 100 day – 105 lb, Current WT - July 2, 2022 – 210 lb

Sire - LQTR 129H Hernandez (769743)

Dam - The Govan Ranch 48H (771830)

CANADIAN ARCOTT RAM LAMB

Lot 34 - Haynestock Knockout 155K

Canadian Arcott * Ram Lamb * Twin * January 22, 2022

Consigned by: Haynestock Farm

Haynestock Knockout 155K - Twin ram born 2022 – he is the best performing ram lamb of our 2022 lamb crop. He is thick and deep set with good conformation and exceptional rate of gain (132lbs @ 100 days). He is from the first generation of lambs coming out of one of our new sires Haynestock Jefe 90J.

Sire - Haynestock Jefe 90J (784635)

Dam - Braebank Friendly 82F (746171)

Lot 37 - Wright's Big Rig 41K

Canadian Arcott * Ram Lamb * Twin * January 15, 2022 - CLRC 790524 (updated)

Consigned by: Struck Farm

A snappy Ram lamb off our current Agribition Grand Champion Ram, Wright's Ace 2J. We selected a small number of ewes to breed to 2J and he did not disappoint. The performance, muscle and added length of 41J will make him sought after for the serious sheep breeder. The old saying, "length pays" is very true, and having added body length is one of the first things you notice in this Ram prospect.

12lb BW, 50-day - 64 lb, 100 day - 115 lb, Current WT - July 2, 2022 - 135 lb

Sire - Wright's Ace 2J (780748)

UNION

FORAGE

Canada's Forage Innovators

Silage Programs To Maximize Revenue/Acre with
a Second Silage Crop or Extended Grazing

Impressive turnip and grazing forage rape regrowth, even in a year where rainfall was poor to say the least. Our silage averaged a ton more with Union Forage blend and stayed green for a longer harvest window.

Perry Rasmuson, Moosomin, SK

I've made my pastures work for me summer and winter, thanks to the Union Forage guys. You can trust what they tell you. The Union Forage swath-grazing mixture was seeded in June, it grew well and created a lot of forage for the cows as well as putting energy and nitrogen into the soil. The Goliath forage rape is frost resistant to -10 C, so it keeps growing late into the year.

Kevin Ziola, Penhold, AB

We have had great success with the perennial pasture mixtures, the various legumes and grasses helped increase our production while lowering fertilizers costs. Cover crops after silage or green feed is beginning to be an integral part of our operation to help extend our fall/early winter grazing season with a high-quality feed.
