34C 34 *Exhibited by: Wadella Ranch, Wade & Justin Joorisity - Kipling, SK* Pen Weight: 0 Avg Weight: 0  
**Pen of 5 Open Replacement Heifers Born in 2023**  
Breed of Sire: Simmental  
Breed of Dam: Simmental Cross  
Exhibitor Biography: Wadella Ranch is located southwest of Kipling, Saskatchewan. We breed over 400 simmental and simmental cross females annually, which are bred back exclusively to top end red simmental bulls. Our steers are marketed on TEAM in September and have been very well received. This is our sixth year taking part in the open heifer show and sale here at CWA. These females are sired by bulls we have selected for soundness, performance as well as maternal traits. These are the type of females we like to keep in our replacement pen and are the kind that continue to work for us. Palpated open and sound for breeding on November 8th.

44D 44 Exhibited by: Lakeland College Commercial Beef Unit, Bevin Hamilton - Vermilion, AB Pen Weight: 0 Avg Weight: 0

**Pen of 3 Open Replacement Heifers Born in 2023**

Breed of Sire: Simmental

Breed of Dam: Angus Cross

Exhibitor Biography: The 2023 Lakeland College Commercial Beef Unit is excited to share with you their pen of 3 Angus/Simmental heifers born in January of 2023. These heifers are on a full herd health program and were palpated by a vet two weeks ago. This year our calf crop had an average birth weight of 88 pounds and a weaning weight of 719 pounds at the end of September. We have selected these heifers based on their uniformity, structural soundness, and moderate frame size. Our team is proud to offer this pen of heifers and will be around to answer any questions you may have. Lakeland College offers hands-on learning and industry connections to our students and are proud to be at Agribition again this year. Thank you to the committee and other exhibitors for your support in our programming.
