*Bar Heart Ranch & Guest  
Consignors Horse Sale*

*August 12, 2023*

*Preview at 11:00 am Sale at 2:00 pm*

*Irma, Alberta*

Welcome to our 26th horse sale. It is now the longest running horse sale in Alberta and Canada. Over 1000 horses have gone through our little sale so far. From the very start we have told people exactly what they are, what we have done with them and still do to this day. It's simple, but it works. Due to the fact I'm not getting any younger, we have branched out and added some exceptional cowboys that have been training some of our horses. They are handy and know their way around a horse. We have top end consignors that are appreciated. A special nod to the Bennett Ranch, they have been with us since day one. We are proud of what we do and why we do it.

### Notes

**1. Buckskin Gelding 2017 Grade 16.1HH**

**Bar Heart Ranch  
Ridden By: Adam Jamison**

We call him short bus, he is as wide as he is long and seats ten people. Adam Jamison has been training and and came up with the handle. Adam likes Short Bus. He is kind and gentle with a good work ethic. Adam lives and rides in the foothills, just west of Longview, where Short Bus has been hauled to brandings, crossed creeks, and has had a lot of good honest miles. He is a 6 year old draft cross, stands 16.1 HH and weighs 1400 lbs. For a big horse he rides smooth and he can lope a 10 foot circle with ease. He was my mount for round ups last fall and I enjoyed working with him.

16.2 HH 4 year old Draft cross, really nice easy to be around horse, that I started last spring as a 3 year old, since then he was in Longview learning the ranching ropes. I will have Ranger the whole summer, riding him until sale day. He's seen the inside of a branding pen and has handled everything perfect. He's an easy travelling, long strided gelding that will work every day for you and will stand about anything you put him through. Ranger will go through bush, mud, over hills and through creeks, not much phases him. For more information or questions, contact Austin Dow at 780-318-3317

I'm not sure where to start on Maui. As a yearling Maui was a 2x Canadian Nationals Champion weanling stallion, Canadian Colors Futurity Champion Yearling Stallion, as well as, APHA PAC World Champion Junior Stallion. All panel results are negative. Maui has had quite the start in the show world. And last summer he got the introduction into the ranch world with Tye Bennett. He has drug calves to the fire, rode the pasture, and used for general ranch work. Maui is not just a pretty face, he has the brains to go with those incredible looks.

We have had Topper since he was a weanling and he has been a gem right from the start and has taken everything thrown at him in stride. Tye Bennett put 2 months on Topper last fall. We have continued Topper's education this spring, he spent a month with Austin Dow, and then back at the ranch doing general ranch work and will be tracking the heel-o-matic sale day. Topper is the first to greet you at the gate and is just a pleasure to be around.

Chip is a big, strong, black 3 year old gelding that stands 15.2HH. Great mind on this young gelding. He was very easy to start - stepped on and rode away. This fancy gelding would make an excellent ranch or rope prospect or a great family horse. He's been used on the ranch, moving cattle, checking pens, and lightly roped on. He has a nice easy lope and fast walk. Resch has started Chip the right way and he has a bright future. Make him your family horse.
