We have used him on all our Blue Valentine mares and we are keeping all his fillies to put in the brood mare pen. It was a hard decision to part with this stallion but we have decided to give someone else the chance to use him to breed some great foals. I have been riding him for two months and he is doing great. Our girls love giving him lot of attention and he likes getting it. His pedigree has Robert Redford, Two Eyed Jack, Major Bonanza, Zan Par Bar and Krogs Quiet Zip. This Stallion has good looks is very versatile and will be a great addition to your program.

This is an amazing minded two-year-old. She has been ridden solo as well as with groups of horses. I've swung roes off of her as well as worked cattle. I predict that she's an appendix cross as we knew the mother and have a good idea of the father. She has a lot of heart and give to her and would make a good rodeo prospect or ranching prospect. She was taken to the 3-day Geoff Hoar cow horse clinic at Everything Equine and worked cattle down the fence as well as cutting with only a month of training. Though she has never worked bison, she is pastured up against them and she is quite comfortable with them.

Here is a big strong 15.3 hh gelding, athletic and a good disposition. Hack has been used in the branding pen and is really talented and fun to ride in the sorting pen. He has been my go-to horse for halter breaking here at the ranch. Started on the head side, his natural talent shows he is an "A" student. He will make a great addition to any ranch and a great all-around family friendly gelding.

Good looking athletic mare with a great disposition. Gypsy has seen lots of miles in the badland coulee's here at the ranch. She has roped the heel-o-matic and lead steers, ponied colts and been used to move and check cattle in the pasture. She will excel at breakaway roping, team roping or gymkhana events.
