It's unreal that we are already preparing for the 4th annual Autumn Debutante Sale. Time certainly doesn't slow down the older we get. Reflecting back on 2020, we said after the sale, "What can we do better?". The crowd and meal was second to none, sales management, auctioneer and all of our crew were the best - so where do you make it better? You turn it up a notch in the terms of sale offering. We have included more cattle, and we feel the quality and cow families behind the offerings are as good as we can truly offer from every consignor. We strongly encourage anyone interested to reach out to any of the consignors listed with any questions. Please join us for lunch on sale day starting at noon.

AGRICULTURAL WINTER FAIR

NOVEMBER 3-12, 2023

SPECKLE PARK COMPETITION

AT THE

101st Royal Agricultural Winter Fair

The first ever Speckle Park breed show at the Royal Agricultural Winter Fair will be

HELD ON NOVEMBER 3, 2023 AT 2:30PM, TORONTO, ON

This is an exciting opportunity for Speckle Park breeders to showcase this amazing breed on a World Class Stage.

The National Junior Beef Heifer Show with approximately 300 Junior Exhibitors also runs November 3 & 4 for eligible 4-H members from across Canada.

In the future we hope to add Junior Events and opportunities for Speckle Park Junior members.

Exactly 50 Years

SINCE THE 1ST SPECKLE PARK STEERS WERE BROUGHT FROM SASKATCHEWAN TO COMPETE AT THE ROYAL.

AUTUMN DEBUTANTE SALE GROUP
is sponsoring the Champion Female Speckle Park Banner

PLEASE JOIN US AT THESE EXCITING EVENTS AS MOMENTUM BUILDS FOR SPECKLE PARK CATTLE.

Martinstar Luscious has already started to make a name for herself. With her "look at me" attitude she is hard not to notice and she made a lot of friends when the Annual Meeting Tour visited us in June. Luscious is part of the Martinstar show string and started her show career off with a bang, being named Reserve Champion female at the Paris Fall Fair. This is a hard one to part with, but we know we have to offer our best. Luscious is a powerful, fault free female that is big bodied, thick from behind and puts it together in a feminine package. Her show career is just beginning, so jump in now and after she hangs some banners for you watch her become a front pasture female or leading donor depending on what you want to do with her. Martinstar retains show rights until after the 2023 Royal Agricultural Winter Fair. She is entered in the Canadian Western Agribition if her new owner wishes to show her there.

Martinstar retains the right to 1 flush at sellers expense and buyers convenience.

DOUBLE S ANNABELLE 13A
MISTY FRITZ OF P.A.R. 13M

La Belle Angele - Beautiful Angel - glides like an Arabian horse across the pasture. Simply our best - she has both standout presence and gentle disposition. From a long line of very milky females with great udders, her dam is a direct Foundation Stock Misty Fritz of Par 13M by FS Rollin Stone 01R who has already had over eight offspring. Finished off with further foundation stock genetics on the top side (So Sexy of PAR 01S and Petula of PAR 61P), this heifer will allow your herd production to take flight.

Klondike is out of one of our favourite original Codiak cows Annabelle, and she is the spitting image of her. Annabelle is a solid cow who doesn't disappoint year to year; every year she has a calf that is a class act. Klondike is a well balanced heifer with lots of depth in ribs and capacity. Picked up some extra thickness and length from our herd bull Gulfstream, a Wrangler Mr Perfect son and maternal sibling to lot 19, 3L. She is show broke and ready to make a great herd cow.

Bred May 28 to Colgan's Dexter D'Angelo 01, due to calve in January

3 EXPORTABLE SEXED FEMALE EMBRYOS
CAN | US | AUS QUALIFIED

RH 9J was the high-selling female of the 2022 Ladies of the Fall sale. A very complete female, with correct "structure and a beautiful udder stacked with genetics to build on with Putnam in the background. She raised a fine heifer this year and is bred back to the up and coming US Capacity 14k bull. The full outcross Gotcha AI stud needs no introduction with outstanding offspring to show for around the world.

We are pleased to offer this genetic package for your consideration.

Terms & Conditions

TERMS: The terms of the sale are credit card, Interac, cash or cheque payable in Canadian funds at par immediately following the sale. The right of ownership shall not pass until after settlement is made. All settlements must be made before any livestock will be released, unless there has been an agreement made between the seller and purchaser prior to the sale.

INSURANCE: Each animal becomes the risk of the purchaser at the time of sale. We strongly recommend purchasing insurance for full value.

CERTIFICATE OF REGISTRATION: All registered animals will carry papers issued by the Canadian Speckle Park Association. The seller will transfer papers to the buyer at no cost to the buyer after full payment has been made.

HEALTH: All animals in the sale have met all necessary health requirements.

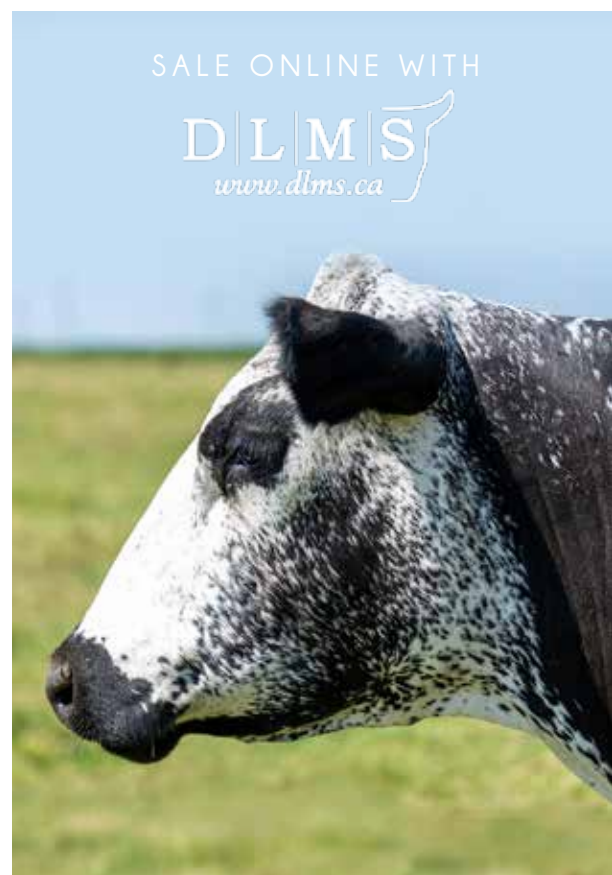

GUARANTEE: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Speckle Park Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

EMBRYO & SEMEN LOTS: Full payment must be made in order for embryos/semen to be released. Shipping arrangements and costs are the responsibility of the buyer. Contact the seller directly to make shipping arrangements in a timely manner as they cannot be expected to store embryos/semen for you longer than 10 days unless you have personally made arrangements with them. Embryo guarantees are between buyer and seller. **DELIVERY:** We will assist in arranging delivery as quickly as possible after the sale. Each animal becomes the risk of the purchaser as soon as sold. If the animals are not taken home by the new owner on sale day, arrangements must be made with sale staff and seller on sale day for delivery.

EXPORT: Purchases going to the United States will be delivered at cost. The currency exchange will be set on sale day based on the published Bank of Canada rate. **ACCIDENTS:** Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales staff, facility owner, auctioneer, or consignors assume any responsibility in the matter and disclaims any liability, legal or otherwise in the event of accident or loss of property.

GENETIC TESTING & PREGNANCY: Please contact the seller regarding respective lots if you are interested in test results for genetic markers, if not listed in catalogue, or details about breeding and when pregnancy checks have been made.

ERRORS: All announcements at sale time, written or oral, take priority over any written material in the catalogue.
