Welcome ...

Welcome to the **Count Ridge Red Angus 50th Annual Bull Sale!** Whether you join us **IN PERSON** or **ONLINE**, we guarantee to bring you some of the **BEST GENETICS IN THE RED ANGUS BUSINESS!**

For over 50 years, Count Ridge has been dedicated to developing a herd which delivers the traits of fertility, longevity, profitability, ease of handling, and of course- some of the Best Beef To Be Found! The **COUNT RIDGE RED ANGUS HERD** is a carefully crafted, "Performance Herd", backed by years of **DOCUMENTED PERFORMANCE REPORTING - AND INTEGRITY**, which enables us to reliably provide you with the qualities you are looking for!

We are committed to raising bulls for **BREEDING**. They are not creep-fed, finished cattle or show-ring divas. Wean weights are from right off the mother and grass. Once weaned they are fed appropriately, bringing about their best features and providing an adequate evaluation of their potential, without pushing so hard as to compromise feet, health, or reproductive capabilities. After having several days to adjust to their new surroundings, they have been feed since 10/11/23, and weighed/evaluated every 30 days to monitor performance. (Special thanks to Christine and Cattle Land for doing such a fine job!)

We welcome your research into the Bulls EPD's which may be found on "Animal Inquiry" through the Canadian Angus Association website, (data in catalogue is current at time of printing). These Bulls will prove themselves in your herd, boost your bottom line and leave a legacy of profitability!

This year, in celebration of our 50th Anniversary, we have decided to select 12 Purebred Performance Heifers to come to sale also! These females are a sound representation of some of the Sire groups that have driven our breeding programme through the years. They are **NOT** fattened for show but are ready to put their hard-working genetics into gear in your herd programme.

Once again, we have invited Crooked Tree Ranch, from Jenner area, to participate in the sale with 30 head of Red Commercial Heifers. These are not our cattle, but Willy and Kendra have impressed us with their careful selection of High-Quality Bulls over the years, and we are confident that they will fit your commercial needs admirably.

WE ARE ALWAYS GRATEFUL FOR YOUR PARTICIPATION AND ATTENDANCE AT OUR SALE AND HAVE IMMENSE APPRECIATION FOR ALL OF OUR BUYERS, PAST AND PRESENT!

We look forward to seeing you on sale day

All Our Best,

George & Laura Baxter

What determines an Elite Dam?

The Cow must...

- 1 – be enrolled in the CAPP.
- 2 – have a calf with a 205-day weight recorded within the past 18 months.
- 3 – have a calf within 1000 days of her date of birth.
- 4 – maintain a regular calving interval, calving within 395 days consecutively.
- 5 – have four consecutive natural born calves registered and a weaning weight ratio that averages over 105.
- 6 – be in a contemporary group with no less than 10 herd mates to determine wean weight ratio.

Once a cow is designated an Elite Dam, she is always an Elite Dam.

Information provided on each Yearling Bull:

BD: Date of birth

BW: Actual birth weight, taken within 24 hours of birth

AOD: Age of dam in years at time of calves birth

Adj WW: As calculated by the Canadian Angus Association from the calf's actual weight in September, with adjustments made for age of dam.

Adj YW: As calculated by the Canadian Angus Association from the bull's feed gain multiplied by 165, plus the Adj 205 day weight.

Explanation of EPD terms:

Expected Progeny Differences are another tool used to select a bull and are predictions on how each bull rates against the rest of the breed.

BW: This value predicts the difference in avg. birth weight of a bull's calves compared to breed averages.

WW: Indicates the ability of a sire's calves to grow from birth to weaning (expressed in pounds).

YW: Growth from birth to yearling (expressed in pounds).

Milk: A reflection of the milking ability of a bull's daughter. It compares the difference in gain between birth to weaning of the bull's daughter's calves compared to the calves from daughters of other sires evaluated.

We are proud to support the
Canadian Angus Foundation
Future 15 Program

With **YOUR** help we will continue to further the Foundation's mission and the breed.

Since 2019 more than \$300,000 has been **INVESTED** in member education, awards, bursaries and youth scholarships.

\$265,000 invested in **ANGUS** research over the last three years leveraged an additional \$400,000 in grant funding.

\$70,000+ has been invested in history and archives, including the 2019 Canadian Angus history book.

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association. Donations are tax deductible.

Terms and Sale Conditions:

Terms: The terms of the sale are cash or check. Settlement is to be made immediately after the completion of the sale. The right of property shall not pass until after settlement is made. All settlements must be made with a clerk of sale before any cattle will be released. All monies in Canadian funds.

Disputes: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes is final.

Announcements: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.

Purchaser's Risk: Each animal becomes the risk of the purchaser as soon as it is sold. Insurance is available if desired.

Certificate of Registration: Each registered animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Accidents: Although every precaution will be taken to protect the safety and comfort of buyers, neither the manager or consignors, nor the auctioneer assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

Liabilities: All persons attend the sale at their own risk and sellers assume no liability, legal or otherwise, for any accidents occurring in, on, or about the premises.

Breeder's Guarantee: All animals sold have passed a semen evaluation. Any animal that has not proven itself a breeder within six months after date of sale may be returned to the seller at the buyer's expense, if in healthy condition. The seller reserves the privilege of trying for a period of six months to prove the animal a breeder. The seller, at his option, may replace the animal with another of equal quality in full settlement. Should this not be possible, an adjustment will be made to reflect the value of the bull in question or a credit will be given toward the purchase of another bull.

Any complaints regarding breeding difficulties must be reported in writing by the buyer to the seller within the specified time above, and any animal returned must be free from disease and in good health.

We appreciate your attendance at our 2024 sale. And remember, we're here all year, not just at bull sale time!
