

Family Ties Angus

**Bull and Heifer Sale
Including
20 Purebred Angus pairs
30 Commercial Pairs**

**Saturday, April 27th, 2024
Northern Livestock Lloydminster, sk**

We would like to take this time to welcome everyone to the 11th annual sale. We are very excited to bring this years bulls to town. They are a very consistent group. We have been focusing our herd on maternal strengths; udders, feet and fertility are extremely important to us.

This year has been a year that has challenged us to the max. We welcomed a new addition to the family just in time for calving to start. With the addition of our new baby girl and Sam out of commission we decided to push the sale back to the end of April.

Conway accepted a job close to home and now gets to come home every day, its been 5 years since he could do this. Sam is working full time on the farm and looking after baby.. Connor is going to college in Lloydminster and is taking power engineering, he is working this summer at the upgrader in Lloyd. Blake moved home to Kerrobert in December and helped us out on the farm till Mid March, he will be working in Luseland at Nutrien this summer and is headed to Saskatoon in the fall for Xray Technician.

Vaccination Protocol

Our calves are given ..

At birth

- Enforce 3
- Calf Guard
- Vitaferst-Care

Before Pasture

- Pyramid 5+ Presponse
- Blackleg / Sommegen

Weaning

- Pyramid 5+ Presponse
- Blackleg / Sommegen

Our cows get Triangle 5 and Blackleg pre-breeding.

On Offer:

2 yr old Black and Red Angus bulls

Yearling Black and Red Angus bulls

Viewing of the Bulls: Bulls can be viewed at the sale barn 1 day before the sale or visit the farm at anytime.

Delivery of Bulls:

Family Ties will take the bulls home and keep them till May 1. Bulls kept after May 1 will be at a cost of \$5/day. All bulls must be insured. \$100 credit for bulls picked up sale day. \$50 per bull to buyers who purchase 2 or more bulls.

Terms & Conditions

Cattle sell under the rules and regulations set forth by the Canadian Angus Association. Terms of the sale are cash or cheque payable in Canadian funds. As soon as the animal is sold, it is the responsibility of the new owner.

Guarantee

We 100% guarantee to provide you with a breeding sound bull. If for any reason that bull should fail to be breeding sound we will replace him with a bull of equal value or a credit will be given towards purchase of another bull. If you have a problem with your bull please notify us immediately.

Seman

Family Ties retains the right to collect semen for in-herd use on any of the bulls cataloged for in herd use only. This will be done at our expense and buyers convenience.

 LLB Lassie 487S

275B was a farm favorite and rightfully so, she's long, deep, has an amazing udder, great feet and is an amazing momma cow. We would love to have a whole herd just like her, and that's what we are trying to do. We have had a couple great flushes leaving us lots of grade A embryos. Her bull calves on offer have us super excited. We have 6 more embryo calves on the ground so far this year with more yet to come. If your looking for some moderate framed tanky type females definitely take a look at these bulls.

NO OTHER way I would like to start a bull catalogue than with this outstanding bull. Power, Eye Appeal, bloodlines that check all the boxes. A meat machine that will work for you, a herd bull that will fit into any herd. Mother speaks for herself, you will love the replacement females, the daddy, one of the most appreciated sires in the black angus directory. Have a look, there's nothing not to like. Use on heifers or cows.

This guy is out of a daughter of the 275B donor cow. We showed this guy and his mom at Perdue this summer where they made alot of friends. This guy is sure to make alot of friends on sale day. Calving ease while still putting the pounds on the calves in the fall.

20L is what we have been striving to produce. Heres a calving ease sire that stands at the top of the bull pen. His Harvestor dam did an amazing job on her first calf. Use on heifers or cows and sleep sound at night. Bred right with good numbers, check him out!

18L is a maternal brother to Lot 4. Packed full of maternal power and sure to put the pounds on your calves in the fall. He is smooth made, large footed with lots of muscle and depth of rib.

Here's a ET calf out of our 117C donor. Backed by the legendary Natural Law bull this is one to check out. With a 88lb BW, lots of style, solid footed, with great hair coat and lots of muscle. Look at him in person, I think you will like him.

Family Ties Net Worth 59L comes from a long line of great cow families. the 14T cow is one of the original cows that started the Family Ties herd. We flushed her the year before we lost her and this bull is the result of the last embryo we had in storage. This bull should be used on cows and with his power and performance will make a great herd bull for someone. Not one to miss on sale day.

This Entertainer son is out of our original Rachel cow. This bull is as wide as a freight train, lots of meat in this package. Look him on sale day and don't miss out. Heifer Safe.

Looking for a heifer bull?? Take a peak at this guy, 78lb BW, smooth front, soft made shoulders and some performance too. A HF Entertainer calf that has stood at the front of the bull pen since weaning time. Dam goes back to a cow we bought at the Garnier Herd Dispersal and who has done everything we could ask for. LOT 9 is built correctly, square backside, with a soft front side and solid feet and testicles. Use of Heifers or Cows.

Sired by our Walking bull. This bull is well made and has good daily gain and muscle mass. The dam has done everything you could ask for and this bull has all her qualities. Performance, power with a smooth finish that will put weight on your calves. A 83lb BW, use on heifers and cows.

Here is a Racer Son we are super proud of. This guy is the result of an embryo package we purchased at red roundup. We got 2 heifers and 2 bulls out of them and wow! The females stand at the top if our replacement pen and the bulls are easy to find and are sure to make lots of friends. This Racer son is always the talk of the Red Bulls on the farm, he is big and strong, big boned with great feet and testicles. He stands out in any crowd and would make a great addition to any bull battery. He is just plain out good, Light 84lb BW and a 821lb WW. Come in person sale day, you will pick this one out.

We bought some U2 Skoal semen at the U2 herd dispersal, had some great success using it. With a 72lb BW, he has calving ease written all over him. On the Dam side this bull goes back to the Hi Tree Young Sakic, lots of calving ease on both sides and with the U2 bloodline has the backing of a great herd. He offers a smooth, soft made front end with power and lots of middle.

Sired by our walking Range boss son, and having the Black Hills bloodlines on the Dam side makes consistency a given. This 2yr old has lots of power and jazz. He has moderate BW and will give lots of flesh and muscle to his calves. His is going to make great replacement females. Big strong footed bull that is as wide as he is tall, has a big back-line you could sit a dinner plate on. 83lb BW, use on heifers or cows.

Another Range boss son that will work on heifers. He really gets out on the move and is smooth and elegant. Big deep body with a smooth front end, just one of those bulls who will go out and work. Will work in any herd and add length of rib and tremendous muscle to his calves. Dam has a great foot with a nice neat udder. With a light 83lb BW use him on heifers or cows.
