LAURON RED ANGUS

BULL & FEMALE SALE

Offering **61 BULLS
& Open Females**

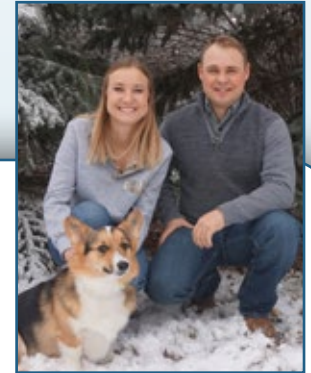

Ron & Laurie

Emmett, Garilyn, Rhett & Jared

Jen & Ryan

Travis & Alex

WELCOME TO OUR 33RD ANNUAL BULL & FEMALE SALE 2024!

Firstly, we would like to extend a warm welcome to our 33rd Annual Sale! It's hard to believe we've been hard at it that long, but it's not hardly like going to work if you really enjoy what you do on a daily basis. We are enjoying record prices across the board and its an exciting time for this industry.

Secondly, we would like to thank all the people that have supported our program along the way, customers, friends, neighbours, family and the behind-the-scenes crews for clipping, sorting, sale day help, videos, sales management, ring staff etc. as it truly takes a village.

Thirdly, the cattle speak for themselves. Raised in a no-nonsense environment with no creep, natural pasture, strict culling for important traits such as performance, calving ease, maternal strength, structural soundness, disposition and eye appeal. They are a strong and consistent group whether you are looking for heavy duty performance sires or sleep easy calving bulls. The bulls are wintered on a forage ration of silage, chopped hay, rolled oats and a custom formulated bull supplement to ensure longevity and growth. By sale day they will have received Fusogard vaccine for footrot and passed a semen test, no deferred bulls offered. Scrotal measurements and updated weights will be available closer to sale day. The purebred open females are a reflective group to that of the bulls offered, from our replacement pen from cow families and pedigrees that have worked well for us. The commercial heifers are managed the same way, they are home raised or a few sourced from Ric Arthurs. All will be palpated to ensure breeding soundness.

We will be having a video sale once again, DLMS will be on site for online bidding so please familiarize yourself and sign up prior to the sale. Of course there is in person bidding or phone bid contacts or have a visit with any of the ring staff or sales management who are happy to help. Cattle will be penned just outside the sale barn sale day and you are free to view the cattle any time prior to the sale or give us a call to discuss any questions you may have. Directions to the farm are 5 miles east of the Didsbury overpass off QE 2 on highway 582, northside of the road. Check out the video links on our website www.lauronredangus.com or DLMS. Bulls can remain at the farm free of charge until May 1 and feed charge of \$4/day thereafter. Any animals staying must be insured and Cheryl Brown Stockman's Insurance will be on site. If you choose to take your purchases home sale day or within the week receive \$100 off your purchase. Delivery can be arranged so please give complete instructions at the settle up desk at the conclusion of the sale.

And lastly, join us for lunch sale day and enjoy post sale hospitality. We look forward to a visit!

CATALOGUE ABBREVIATIONS

B.W. Actual Birth Weight
205 Adj Adjusted Weaning Weight
365 Wt 365 Day Adjusted Yearling Wt

EPD'S

Expected Progeny Differences - EPDs are one tool to help in selecting decisions that compare an animal to his contemporary group, the numbers will change as the more data is collected and will increase the accuracy.

CE Basically predicts the percentage of unassisted births, the higher the number the higher unassisted births
WW ability of calves to grow from birth to weaning (expressed in lbs.)
YW Growth from birth to yearling (expressed in lbs.)
Milk Indicates milking ability of bull's daughters, expressed in lbs. of calf weaned.

CANADIAN ANGUS EPD AVERAGES 2023										
RED EPD's	CE	3.5	BW	2.0	WW	54	YW	95	MILK	23
BLACK EPD's	CE	2.8	BW	1.2	WW	43	YW	74	MILK	25

CALVING EASE LEGEND

"Calving Ease is related to factors including birth weight of the bull, gestation, nutrition, dam's genetics and her management and environment. The Calving Ease score is our best estimate considering Actual BW, EPDs, structure of the bull and genetics."

- **** Likely to have a high level of calving ease.
- *** Should be minimal problems for moderate size heifers.
- ** Recommended for second calvers or smaller framed cows 1100 -1300 lbs.
- * Recommended for mature cows 1400 lbs. plus.

ELITE DAM The Canadian Angus Association's ELITE DAM program is an effort to identify superior cows in the Angus breed based on early puberty, breeding, regularity of calving and above average performance of offspring.

One heck of a product from a first time mother 110J. Lancer exemplifies what we are trying to produce and has been a long time standout. Great footed and out of nice uddered Trooper dam. Ranked 2nd overall at weaning with a Weaning Weight Ratio of 118. The first calf crop from Justice exceeded expectations.

A performance oriented cow bull that should produce those steers that push down the scales. He boasts 102 weaning index, 115 yearling and 121 on feed! With top EPD's for weaning and yearling as well as milk, consider keeping replacements too. Dam is massive bodied and broody, milk flows from a well attached udder.

If you like your bulls dark red and full of meat, circle 87L at the top of your list. Descending from the heralded Blackbird cow family that has produced numerous donor/4H females and herdsires for progressive cattleman. Abundant length of spine, deep ribbed and wide hiped. This bull ranked #1 out of 70 bulls for yearling weight. Don't overlook this bull for the cows.

Living up to his name, this bull can be your knight in shining armor. A Jailbreak son starting out at 78lbs that will sure to sire some high end steers and replacement females. Depth of rib, length of spine and stout. Dam produced a daughter that sold through Red Roundup to Mar Mac Farms in Manitoba.

Red Lauron Jailbreak 61J was our 2022 high seller to Redrich Farms and we maintained a semen interest to utilize him in our own herd. Lot 42 offers a ton of bone and thickness while maintaining a respectable birth weight. If docility is a factor in your bull selection then you may want to have a look at this guy. Dam is a good producer with an excellent udder.

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association. Donations are tax deductible.

We are proud to support the Canadian Angus Foundation Future 15 Program

With YOUR help we will continue to further our mission and the breed.

Since 2019 more than \$300,000 has been INVESTED in member education, awards, bursaries and youth scholarships.

\$265,000 invested in ANGUS research over the last six years leveraged an additional \$400,000 in grant funding.

\$70,000+ has been invested in history and archives, including the 2019 Canadian Angus history book.

If you are interested in giving back or learning more about this initiative, please contact Belinda Wagner, Canadian Angus Foundation Executive Director at 306-537-1518 or email bwagner@cdnangus.ca. You can also visit the Canadian Angus Foundation website at www.cdnangus.ca/foundation

A sweet and feminine daughter out of the Justice bull. She's got rib shape and thickness in a moderate package. Out of a nice uddered first time Mack daughter that is proving her worth. We are excited about these Justice daughters. We have another sizable group on the ground now.

This deep cherry red sweetheart has all the credentials for a foundation type female with performance. Dam is larger framed and heavy milking, a full sibling to high selling bull Colton 24C a few years back. Sire is semen we snagged from Red Round Up and was a bull successful for several progressive breeders.

Super sweet and feminine, correct, Sally 60L will surely be the type that will not disappoint. Dam is moderate Tradin' Right daughter with a well structured udder and ideal teat size and placement. She crossed well with the Justice 240J bull.

A female with plenty of volume and dimension, expect her to mature to an ideal female like her Buster sired dam with a tidy udder with plenty of milk.

ELITE DAM One of the higher performing replacements this year, this striking young lady Blackbird 71L should contribute much to any program given her superior maternal family heritage and longevity. Dam is **ELITE**, maternal sister to Lot 56 bull, and a pasture favorite.

Extremely correct with a tidy front, depth of rib and broodiness this Buster sired female is the type you can breed any way and get fantastic results. Dam and grand dam are great females and have been very good for us.

COMMERCIAL HEIFERS

Approximately 25 head of Red Angus and Black Angus heifers selling without papers, will be palpated and sorted into lots of 2-4 according to weight. Sourced from Ric Arthurs or home raised, no brands.

SALE TERMS AND CONDITIONS

TERMS: The terms of the sale are cash or cheques payable in Canadian funds upon the conclusion of the sale. The right of property shall not pass until after settlement is made, no animal will be released from the premises until settlement is made. Each animal becomes the risk of the purchaser as soon as sold. Each animal will be sold to the highest bidder. In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision will be final.

CERTIFICATE OF REGISTRATION: A certificate of registration will be transferred when payment is made in full.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed material.

BREEDERS GUARENTEE: All animals are sold as guaranteed breeders as outlined by the CAA bylaws. No guarantee is given that a bulls' semen will freeze. All bulls will have passed a semen test prior to the sale. A bull may be replaced with one of equal value, guarantee does not apply to bulls injured, sick or uncared for. Under no circumstances shall the seller be liable for more than the purchase price of the bull.

INSURANCE: Insurance will available sale day.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of the buyers, neither the sale manager, auctioneer or owners assume responsibility in this matter and liability, legal or otherwise in the event of accident or loss of property. All persons attend the sale at their own risk.
