RIVERCREST OF ANGUS RANCH R

Welcome everyone to our 21st Annual Bull and Select Heifer Sale! Our program here at Rivercrest focuses on calving ease, pounds in the fall and maintaining a strong maternal presence. We strive towards genetic improvement and keeping the essential traits that the Angus breed demands, to rise to the top, such as good feet, fleshing ability, phenotype, length, volume, good udders, superior soundness with a calm disposition.

Last year was challenging with the lack of moisture, short pastures and dugouts drying up. But the feeder and cull cattle prices have certainly helped the cattle industry push on.

We ended up creeping our calves for 3 weeks before weaning this year. Primarily it was to help out with the short grass and they were able to wean with less stress and issues. They came up to feed bunks sooner and did less pacing and bawling, resulting in a much smoother weaning process. Note DLMS will be broadcasting our sale online again for those who cannot make it sale day. As well, we have OBI, Jay Wildman, Jimmy-Joe Henderson and Gary Rairdan you can speak to, as well as our crew, about any of the sale cattle.

It is truly an honour and privilege to serve all of you, our customers. We are truly blessed with such a wonderful, supportive community and friends.

If you have any questions, please give us a call and we would be happy to answer them as best we can. We welcome you to come for a visit and view our offering before sale day too.

Jamie-Lee & Cayden - New Year's Hockey Fun

Jody, Craig, Jamie-Lee & Cayden - Family Rodeo Fun

Thomas John Spady March 29, 1935 - September 26, 2023

Tom was a true cowboy, cattleman and family man. He loved the outdoors, riding his horse to check the cows that he truly admired and he usually had his faithful dog following along too. He enjoyed team roping, many brandings and his time spent in the mountains.

Tom had a strong eye for good cattle and started the Rivercrest herd in 1955. In the early 70's he decided he needed to build this very building, and start an Angus Production sale. In 1975 he headed up the first Annual Spady Production Sale with his dad Jack and brothers Roger and Lorne. The next year Harold also joined in and it was a full family affair. They went until 1984 which was the last Production sale, as most of the kids were into rodeo, hockey and other activities. When he wasn't looking after his cattle he was hunting, fishing or roping.

Tom valued his time spent with family and friends whether it was playing cards, watching his kids and grandkids in various sports and activities. He went to many a hockey game, rodeo, 4-H event or school sport to watch all his grand children. Tom passed away Sept 26 after a long battle with Parkinsons. Tom was a man who had true grit and integrity. He loved to ranch and also lived for the small quiet things in life, like sitting on lookout points overlooking the Battle River. He will be greatly missed, but never forgotten by everyone that loved him and called him their friend.

We bought No Doubt at the 2017 Peak Dot Spring Bull Sale. He was our top pick of the entire selection. No Doubt was the second highest seller of his sire group, topping out at \$37,500. He is powerful in every dimension and demands your attention with his thickness, length, great muscle expression, great foot and the most gentle disposition, all which he passes on with great consistency. His daughters are very shapely with beautiful udders. We just can't get enough of them. We believe he is one of the best curve bending bulls still today, that carries a moderate calving ease package. He produced our all time high seller going to LLB Angus for \$29,000 in 2019.
