ALLENCROFT ANGUS BULL SALE

MARCH 20, 2025 | 1:00PM | TABER AGRIPLEX | TABER, AB

Welcome

Welcome to the 26th edition of the Allencroft Angus bull sale. Over the past quarter century we have always tried to provide sound high quality breeding stock that reflects the needs of the beef industry, we always consider all genetic traits in selecting herd bulls and AI sires not just the 1 or 2 that are being pushed at any given time.

This years offering of bulls is as good as any we have offered in the past, all are yearling and there are lots of heifer bulls. As always the bulls have not been pushed, just allowed to grow out at a respectable level.

Please feel free to come and inspect the bulls at any time in their pens at the farm. They will be moved to the Agplex sale morning. Hopefully we don't get hit with a raging blizzard sale day this year as we did last sale day.

Please note there will again be a group of yearling heifers on offer. DLMS will have videos up a week or so before the sale day and online bidding will be offered during the sale. Please join us for lunch starting at 11:30 sale morning and don't hesitate to call me with any questions, 403-634-4588.

Thank you for considering us in your bull search.

Stout, heavy muscled is an understatement on this impressive young sire I purchased in the 2019 sale. One of the high selling bulls that year. He has been successfully used on both heifers and cows. There is a great selection of his progeny in this years offering.

Growth Fund led the Angus breed for registrations in 2023. He is best known for his ability to sire consistent quality regarding phenotype and genetic merit for almost any mating combination for both males and females. Growth Fund is still one of the elite growth sires in the breed, ranking in the top 1% for WW and YW EPD with double-digit calving ease.

Purchased from the CD Land & Cattle program. I really liked his overall length of body, depth of rib, and freedom of movement. Looking at him as a 3 year old you can't help but be impressed with his perfect foot which is lacking in many bulls these days. we are very happy with the progeny he is siring.

TERMS & CONDITIONS

All bulls sell under the standard terms and conditions set forth by the Canadian Angus Association.

GUARANTEE: Bulls are semen tested and evaluated. Bulls that fail to be satisfactory breeders will be replaced or credit given on purchases or replacement from the seller. They should be returned to the consignor in good condition and properly cared for so they can be re-evaluated. Consignors are responsible only to the purchase price of the bull in question. Each animal becomes the responsibility of the purchaser at the fall of the hammer.

INSURANCE: We recommend you insure your purchase as purchaser assumes responsibility at the fall of the hammer. An insurance agent will be available on sale day.

HEALTH: Animals are from TB and Bangs free area. They are examined by a qualified veterinarian at semen testing time.

TERMS: Terms of sale are cash or cheque payable at par in Canadian Funds to sale clerk on sale day. No animal will be released without satisfactory settlement.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected by announcement from the auctioneer block at sale time and such correction shall take precedence over the printed matter in this catalogue.

SEMEN INTEREST: We reserve the right to draw semen on any catalogued bull at our expense, and buyers convenience.
