# BUFFALO LAKE CHAROLAIS BULL SALE

DECEMBER 5<sup>th</sup> , 2025

2 PM

Stettler Auction Mart

Welcome to the return of the Buffalo Lake live bull sale. In 2019 when covid hit we went to a private treaty sale out of the yard, but have made the decision to go back to a live sale this fall.

It will be a simple format sale – bulls will be taken to the Stettler Auction Mart the morning of **December 5<sup>th</sup>**. At **2 pm** after the stock cow sale the bulls will be sold live through the ring. Settlement for bulls will be made to the Stettler Auction Mart. Once the sale is complete bulls will return to Buffalo Lake and be our responsibility until they pass semen testing & vet checks in January/early February depending on weather and vet schedule. At this time ownership will be transferred and buyer will be responsible for insurance should they choose. If your bull fails semen testing or vet check, buyer has the option of taking a bull from our spare pen or a complete refund of your bull purchase price will be issued. All bulls sell fully guaranteed.

We have a nice selection of performance bulls, moderate calving sires & a select group of heifer bulls. Please join us Dec 5<sup>th</sup> to evaluate this offering.

- The Bignells
