KFC Cashmere 18N is a heifer we have a really hard time letting go. The Gladiator daughters here have easily been our favourite producing cows. They are bigger framed females with plenty of substance and milk heavy. 18N is no exception. She is a broody bold ribbed individual while still maintaining a feminine look. Her full sister was a barn favourite last year winning Reserve Champion Female at Agribition. Gladiator semen is limited so don't miss out on this chance to own one.
