# Welcome

## **-To the Count Ridge Red Angus 51st Annual Bull Sale!**

Whether you join us in person, or online (dlms.ca), we guarantee to bring you some of The Top Performing Red Angus Genetics Available in Today's Market!

For over 50 years George has been dedicated to developing a herd which consistently delivers the fertility, longevity, profitability, and ease of handling that make the cattle business rewarding.

The Count Ridge herd has been carefully crafted, backed by 50+ years of Documented Performance Reporting Completed with Honesty and Integrity.

We are committed to raising Bulls for Breeding. They are not creep-fed. Wean weights are from right off the mother and grass. Once weaned they are fed appropriately, developing their best features and providing an adequate evaluation of their potential, without pushing so hard as to compromise feet, health, or reproductive capabilities. After having several days to adjust to their new surroundings, they have been on feed since October 17/24, and weighed/evaluated every 30 days to monitor performance. (Special thanks to Kristine and Cattleland for doing such a fine job.)

We welcome – and Encourage, your research into the Bulls EPD's which may be found on "Animal Inquiry" through the Canadian Angus Association website, (data in catalogue is current at time of printing) These Bulls will prove themselves in your herd, bringing Ease Of Calving, Above Breed Average Wean Weights, Yearling Weights And Milk, which all work out to More Profit For You as a producer at the end of the season. And let's not forget the potential for building a respectable solid herd of Replacement Heifers, should you wish.

This year we have decided to select 10 Purebred Performance Heifers to come to sale also. These females are a sound representation of some of the Sire Groups that have driven our breeding programme through the years. These girls are Not Fattened for show- but are certainly ready to put their hard-working genetics into gear in your herd program.

Once again, Crooked Tree Ranch, from Jenner area, will be participating in the sale with 35 head of Red Commercial Open Heifers. These are not our cattle, but Willie and Kendra Waldner have impressed us over the years with their careful selection of High-Quality Bulls, and we are confident that these females will fit your commercial needs admirably.

**We Are Always Grateful for Your Participation and Attendance at Our Sale and Have Immense Appreciation for All of Our Buyers, Past and Present!**

**We look forward to seeing you on Sale Day.**

All Our Best,  
*George & Laura Baxter*

## What determines an Elite Dam?

### *The Cow must...*

- 1 - be enrolled in the CAPP.
- 2 - have a calf with a 205-day weight recorded with the past 18 months.
- 3 - have a calf within 1000 days of her date of birth.
- 4 - maintain a regular calving interval, calving with 395 days consecutively.
- 5 - have four consecutive natural born calves registered and a Weaning Weight ratio that averages over 105.
- 6 - be in a contemporary group with no less than 10 herd mates to determine wean weight ratios.

***Once a cow is designated an Elite Dam, she is always an Elite Dam.***

# Information Provided on each Yearling Bull

**BD:** Date of Birth

**BW:** Actual birth weight, taken within 24 hours of birth

**AOD:** Age of dam in years at time of calves birth

**Adj WW:** As calculated by the Canadian Angus Association from the calf's actual weight in September, with adjustments made for age of dam.

**Adj YW:** As calculated by the Canadian Angus Association from the bull's feed gain multiplied by 165, plus the Adj 205 day weight.

**Explanation of EPD terms:** Expected Progeny Differences are another tool used to select a bull and are predictions on how each bull rates against the rest of the breed.

**BW:** This value predicts the difference in avg. birth weight of a bull's calves compared to breed averages.

**WW:** Indicates the ability of a sire's calves to grow from birth to weaning (expressed in pounds).

**YW:** Growth from birth to yearling (expressed in pounds)

**Milk:** A reflection of the milking ability of a bull's daughter. It compares the difference in gain between birth to weaning of the bull's daughter's calves compared to the calves daughters of other sires evaluated.

★ **Tags in ears correspond to  
Lot Numbers in the Catalogue**

***Actual Sale Weights, Scrotal Measurements  
and Sale Order to be available in printed  
form on Sale Day.***

*We are proud to support the***Canadian Angus  
Foundation  
Future 15 Program**

With **YOUR** help we will continue to further the Foundation's mission and the breed.

**15%**  
of a lot  
means  
a lot...

Since 2019 more than \$400,000 has been **INVESTED** in member education, awards, bursaries and youth scholarships.

\$295,000 invested in **ANGUS** research over the last three years leveraged an additional \$600,000 in grant funding.

\$75,000+ has been invested in history and archives, including the 2019 Canadian Angus history book.

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association. Donations are tax deductible.

If you are interested in giving back or learning more about this initiative, please contact Belinda Wagner, Canadian Angus Foundation Executive Director at 306-537-1518 or email [bwagner@cdnangus.ca](mailto:bwagner@cdnangus.ca). You can also visit the Canadian Angus Foundation website at [www.cdnangus.ca/foundation/](http://www.cdnangus.ca/foundation/).

# Terms & Sale Conditions

## **Terms:**

The terms of the sale are cash or check. Settlement is to be made immediately after the completion of the sale. The right of property shall not pass until after settlement is made. All settlements must be made with a clerk of sale before any cattle will be released. All monies in Canadian funds.

## **Disputes:**

In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes is final.

## **Announcements:**

All announcements made from the auction block will take precedence over the printed material in the catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.

## **Purchaser's Risk:**

Each animal becomes the risk of the purchaser as soon as it is sold. Insurance is available if desired.

## **Certificate of Registration:**

Each registered animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## **Accidents:**

Although every precaution will be taken to protect the safety and comfort of buyers, neither the manager or consignors, nor the auctioneer assume any responsibility in the matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

## **Liabilities:**

All persons attend the sale at their own risk and sellers assume no liability, legal or otherwise, for any accidents occurring in, on, or about the premises.

## **Breeder's Guarantee:**

All animals sold have passed a semen evaluation. Any animal that has not proven itself a breeder within six months after date of sale may be returned to the seller at the buyer's expense, if in healthy condition. The seller reserves the privilege of trying for a period of six months to prove the animal a breeder. The seller, at his option, may replace the animal with another of equal quality in full settlement. Should this not be possible, an adjustment will be made to reflect the value of the bull in question or a credit will be given toward the purchase of another bull.

Any complaints regarding breeding difficulties must be reported in writing by the buyer to the seller within the specified time above, and any animal returned must be free from disease and in good health.

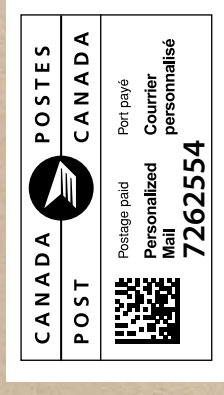

We appreciate your attendance at our 2024 sale. And remember, we're here all year, not just at bull sale time.
