## TERMS & CONDITIONS

Cattle will sell under the standard terms & conditions put forward from the Canadian Speckle Park Association.

## **WELCOME** FROM FORTBROOK FARMS & GUESTS

We are truly humbled and honoured by your interest in our breeding program and the cattle we have on offer. Your presence here today means more to us than words can fully express, and we sincerely thank you for taking the time to be part of the Fortbrook program.

The vision at Fortbrook has always been clear—to breed the kind of cattle that bring together performance, style, and profitability. From the very beginning, we carefully selected proven breed influencers to build a foundation rooted in soundness, structure, and longevity, with the goal of producing cattle that work just as well in the pasture as they do under the bright lights.

We are pleased to offer this strong group of young females and males, along with the foundation group of cows that many of these young heifers are out of. These cattle represent years of planning, selection, and dedication, and it is our hope that as new owners, you will continue to develop and build these cow families for years to come.

This herd has shaped more than just our breeding program—it has molded our family, influenced our children, and created friendships and memories that will last a lifetime. Through these cattle, our girls have learned responsibility, perseverance, and pride, growing into the young cattlewomen they are today. The lessons learned in the barn and in the pasture have been every bit as valuable as those learned elsewhere, and for that we are deeply grateful.

We extend a heartfelt thank you to our guest co-signers, Ryedan Meadow Farms and Belle Carter, for their confidence and support. To the entire team who spent countless hours fitting these cattle, and to our world-class sale team, it has truly been an honour to work alongside you.

A special thank you to Jennifer Clarke and Meghan Black, and to all those behind the scenes who contributed their time, effort, pictures, videos, sale tags and catalog work to help bring this sale together. Your dedication does not go unnoticed.

It is our true wish that these cattle bring you the success and profitability we believe they are capable of. From our family to yours, thank you for being here and for believing in Fortbrook.

Truly grateful,

There's a lot to a name—and Networth says it all. Value. Profit. Performance. Balance. Growth. Return on Investment. The bottom line? This heifer has it all. Fortbrook Networth 7N is the kind that stops you in your tracks. She's long spined, deep bodied, wide topped, and correct from the ground up. Built with power and balance, she combines eye appeal with real-world functionality. Add to that her undeniable show presence—strap the halter on her and she knows it's her time to shine. Backed by proven genetics, Networth 7N is out of US Rich Strike 1K, a standout female that Raya successfully campaigned to many banner wins. She's sired by Walkerbrae Ulysses 91ll, with US Big Block influencing the maternal side—stacking performance, consistency, and quality generation after generation. Her résumé speaks for itself. This past summer she was named Reserve Champion Female Speckle Park at the Old Home Week Exhibition in PEI, turning plenty of heads along the way, and she consistently placed first in calf classesthroughout the show season. Looking ahead, this heifer has the potential to stand at the top as a yearling and the build and pedigree to be a cornerstone female in any program. A true no-miss female. Networth — it's in the name. *Myostatin- non carrier*.

"This gotcha is gonna getcha." Nellie is the kind of heifer that stops you mid-stride. She's soft-sided and long-necked with that extra sweep of rib that sets the good ones apart. Wide muzzled, big bodied, and carrying impressive depth of heel, she balances femininity with power in all the right places. There's a lot of potential here—the kind that only gets better with time. A direct daughter of JSP Jazzee 09 and a maternal sister to Fortbrook Mustang Sally 4M, Nellie brings a pedigree that's already proven its value. If you're looking to add a heifer with presence, structure, and a strong maternal backing, Nellie 3N is the one that might just "getcha" first.

Mustang Sally 4M – Its Wild Bill time, and Sally is the kind that's hard to let go. Out of JSP Jazzee 09J, the yearling Supreme Champion at the Oxford County Show, she's built from winning stock. Sally proved herself early, winning the Speckle Show at Oxford as a calf and standing as a strong Best Bred & Owned contender, placing 3rd among her peers at the 2024 4-H Pro Show, along with many other titles throughout her career. Bred right up and due the first of January to Walkerbrae Ulysses, she carries the power of a true mustang—strong, free-moving, and built to last. With her sweep of rib, openness, long, elegant neck, and sheer mass, she's made to produce the right kind for years to come. Don't miss her... What's her calf have in store?

Preg Checked Safe to Walkerbrae Ulysses 911, due in January.

It all began here. Purchased as a calf from the Jazen family at JSP Speckle Parks in Saskatchewan — she was tough to pry from their herd and for good reason. Raya launched her 4-H career with this big-bodied, full-framed powerhouse yearling, and together they went on to shake the bushes. She claimed Supreme Yearling Female at the Cumberland County Exhibition and only continued climbing from there. Jazzee brings power, frame, substance, and predictability every time. She is the proven dam of Fortbrook Mustang Sally (Lot 10) and Fortbrook Nelly (Lot 2). Bred right back early, she now stands with a strong, promising Walkerbrae Ulysses bull calf at side — a calf built to carry forward everything Jazzee consistently delivers. A tough one for us to part with... Own this pair today and expect everything Jazzee has to offer in this breeding bull.

We're into Pure County territory here. Purchased as a calf out of the respected Andchris program, Jupiter was selected for her quality, correctness, and the proven ability of her cow family to flat-out perform. The dam of Fortbrook Maritimer (Lot 21) and Fortbrook Nova (Lot 6), she's the kind that quietly rises to the top in any herd. An absolute treat to work with — she's first at the gate, first at the feeder, and last to leave. The kind of dependable, no-fuss temperament that makes good cows great ones. Jupiter is bred to Walkerbrae Ulysses, a mating we're genuinely excited about. Thank you to the Walker family for their keen eye and for finding Jupiter for us — this cow has been everything we hoped for. A maternal opportunity you won't want to pass up.

A Walkerbrae Ulysses son out of JSP Keisha (full sister to JSP Jazzee 09J), Mandela was our off-age yearling campaigner this year, taking Supreme Male honors at Cumberland County Exhibition and earning multiple champion Speckle Park male banners all season long. A big thank you to Big Ker and Ryedan Meadow Farms for showing him at the Royal Winter Fair in Toronto, and to Nick Mitchel for his exceptional work on the halter all season—forever appreciated. This December yearling bull brings performance to a whole new level, tipping the scales at 1,175 lbs in November at the Royal, surpassing our daily gain expectations. Expect performance, mass, soundness, and the quality you've come to know from D.A.M. Dots Fully Loaded daughters and Walkerbrae Ulysses matings. A good fit for your breeding program.

An April calf out of one of our high-performing commercial Speckle Park cows, this correct, well-structured calf has potential written all over him. Raya has been fortunate to see back-to-back years of Speckle Park steers winning 4-H Pro Show Market Steer championships, and this one could easily follow in their footsteps.

Keep him intact as a commercial Speckle Park bull, or develop him as a tremendous prospect steer—the choice is yours.

BRF Not Your Valentine "Naughty" is a stout bull calf with the conformation that can carry future generations with ease. Born February 2025 this calf has been a joy to work with in and out of the show ring. You've got to appreciate the thickness and correctness of this calf. To top it all off he's got the steady temperament that makes him easy to

Consigned by - Belle Carter

handle both on and off the halter.

CALICO CREEK HEIRLOOM 108H
