We'd like to thank you for taking the time to flip through the catalogue and look at our offering. We are excited to once again offer females from the heart of our herd. Each and every female offered we'd love to keep in our herd because we know they are going to turn into good footed, good uddered functional cows. Our cow herd has gone through extensive culling to get where it is now to offer these top quality females. We start by running a 60 day breeding cycle and cull all the opens. We have focused on fertility, structure, feed efficiency, calving ease, maternal strength, docility, production and longevity. This has given us a foundation of females that we are happy to show anyone. We'd love to show you our cow herd and what we expect these females to turn into so please stop by anytime to go for a tour. Whether you're looking for a female to win with in the show ring, a donor or looking to get into the breed you will find top quality females that we stand behind. Bid with confidence and get the genetics that will improve your herd. Please don't hesitate to contact us with any questions we are more than happy to help with your selections.

MOOVIN ZPOTZ 16A

Grand Dam MOOVIN ZPOTZ 16A and Dam
D.A.M. DOTS KUTIE 316K as Heifer calf

This big bodied bred heifer is exactly what so many people look for. She has the size and power to produce a herd bull yet the softness to produce show heifers. Her granddam and dam were successfully shown as a cow calf pair and this girl could easily follow in their footsteps. She's super quiet and easy to work with. Exposed to Greenwood/Martin Matrix April 16 to June 14.

Lot 2

542M is a perfectly balanced bred heifer. Her dam has worked for us for over a decade producing good ones, from herd bulls to prominent females. If your looking for a heifer who can add quality and longevity to your herd, don't miss out on her! Bred to Top Ten Qualifier Coal Train, her first calf could pay for her! Exposed to Greenwood Coal Train April 16 to June 14.

**SPECKLE PARK
FEMALE SALE**

WOLF LAKE SPECKLE PARK

Dan, Heather
Lily, Luke & Melody Brundige
780-812-9250
Bonnyville, AB

This is our 5th Female sale and once again we think this is our strongest set of females we have offered up for sale yet. Out of proven blood lines that we know work, we are proud of every one of the cow families each of these females represent. Speckle Park have been bred for their adaptability and it gives us great pleasure to see Wolf Lake genetics at work in nearly every Canadian province and in different countries around the World. We hope you can come to see us at Farm Fair or Agribition to see some of our sale heifers in our show string or stop by for a herd tour and see the cow lines that have built our confidence in these females. Exciting times to be in the beef industry and we believe Speckle Park have the qualities to enhance any beef program. If you're looking for more information on any of the lots on offer please contact us.

JSF TRADE SECRET 11A
DAM: WOLF LAKE ZURINA 16J
PURA VIDA ZURINA 37Z

FarmFair 2025 Reserve Champion Senior Heifer Calf

RAVENWORTH KRAKEN 505J is only beginning to leave his stamp on the Speckle Park breed. This heifer is a perfect example of this. See her in our show string this fall at Farm Fair and Agribition. Trade Secret and the great Zurina 37Z on the cow side. Possibly one of the best heifers we have ever offered up for sale. Zurina 1N will make a great show heifer for whoever purchases her or a project heifer for a junior.

COLD CREEK ZAMA 26Z

Sire - Ravenworth Kraken 505J

This heifer is a calf out of a cow that was our pick of the herd from Moovin Zpotz Cattle that we purchased from the 3rd Annual Integrity Speckle Park Female Sale. This heifer has been a stand out from day one. Beautiful feminine front end with great length of spine and a sweetheart temperament to top it off. We debated a long time on whether to add her into the sale as we like her so much. Watch for her this fall in our show string.

This is the first heifer we've ever offered for sale from the 118C cow. Purchased out of the Agribition sale this cow has been a foundation female for us and the Dam of some good ones from Wolf Lake Bob to Wolf Lake Leviathan. A never miss cow line and sired by the great Ravenworth Kraken. A heifer that will go out and produce just like her dam has for us.

Lot 11

Lot 11 WOLF LAKE ASPEN 8N

SIRE: HIGHMARK 005H KRAKEN 8K
HIGHMARK HOT LADY 7H

RAVENWORTH KRAKEN 505J
DAM: WOLF LAKE CINDER 41L
WILCOX CINDER 8J

The only HIGHMARK 005H KRAKEN 8K sired heifer to sell in our sale. A paternal half sister sold for \$10,750 at the National Speckle Park sale at Agribition last year. We purchased her granddam WILCOX CINDER 8J from the National sale a few years before that. Out of a first calf heifer that did an awesome job raising this heifer this summer. The Cinder line has had a solid track record for performance in multiple different herds.

Lot 12

Lot 13

This heifer comes out of one of Luke's cows. Very long and feminine, stamped fancy by her sire RH 09F JUSTICE 310L, a bull we picked out of the Summit Sale last year due to his style and performance. The A-Long cow family has built a track record in our herd for milk production and docility.

WOLF LAKE DIPLOMAT 15D
DAM: WOLF LAKE GLORY 82G
CODIAK IDA GNK 33Z

Lot 14

If you recognize the IDA cow family you may remember WOLF LAKE IDA 4J who we sold to Colgan's Cattle Company Corp and became the Reserve Champion Female at Agribition in 2022. Or WOLF LAKE TRADE MISSION 41F who River Hill used for many years in their heifer program. IDA 26N is out of the same line and is another head turner. A fancy one that could have easily made it into our show string or be a feature in your front pasture.
