HOW TO PARTICIPATE IN THE DLMS FARM GATE
TIMED AUCTION WITH EXTENDED BIDDING:
found on the inside back cover

Welcome

I can't believe that this is already our 5th annual timed online bull sale. On behalf of our family, thank you to all of our previous buyers, past bidders, and those who have taken an interest in our program.

All year long, we work hard to bring you the best bulls that we can offer. It starts with selecting good momma cows, either from our own heifers, or buying from other programs. Then we are always researching the best bulls to use on those mommas, both AI genetics and walking bulls. Over the last few years, we've doubled down on our own genetics by using bulls raised right here at KS Cattle Corp. I think that this shows that we have full faith in our own program. We also cull hard. We only want to sell you the best bulls, from the best cows, and with the best temperament. We take great pride in every bull that we put into the sale, so that you can buy with confidence. No bulls are sold prior to the sale, so that you have the opportunity to buy our top end genetics.

We are working once again with Bar Over AJ Red Angus. They have a great group of bulls, so if red is your colour, Aidan and the family are sure to have a bull to fit your needs.

Our sale will be on DLMS again this year. Online bidding is becoming more common in cattle sales, but if it's new to you, or if you need help, please don't hesitate to ask for our assistance. We are always happy to help.

We welcome you to come to the farm any time to take a look at this year's offering. Don't hesitate to call.

Every time that 712E raises a bull calf, it's a good one. This is no exception. Combine that with SAV Renown, and we got a good one here as our leadoff bull.

This young bull is sure to have a lot of eyes on him come sale day. Since we purchased his dam from Jonathan Lock ten years ago, she has always impressed us. This one may be her best one yet!

Welcome

Bar over AJ would like to welcome you to our 4th annual sale with KS Cattle Corp. It's a pleasure to be back with them again, things look a little different this year as we dispersed our commercial herd so we could concentrate a little bit more on the purebred side of things. We look forward to having you out.

At Bar over AJ we are striving to raise excellent quality angus bulls that we would be proud to have in our own commercial herd. Bulls that you can count on to last and breed cows year in and year out, without sacrificing the quality angus bulls buyers love: Calving Ease, Maternal Traits, Calf Vigour and Structure without sacrificing performance.

We look forward to hearing from you and seeing you out at the farm! If you have any questions please don't hesitate to call or text.

FOOTNOTE FOR 4M & 10M
 Two full flush brothers that we are extremely excited about. They are both stand outs in the pen and having great length and structure to them. Don't miss out on these two boys.

2M is a great dark cherry red sleep all night heifer bull. He shows great calving ease without sacrificing performance.

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit www.farmgatetimedauctions.ca, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.
2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.
3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.
4. At closing time of the sale the entire sale will extend bidding for 5 minute if a bid is placed on any lot in the sale. Any bid received after 6 PM will extend the sale by 5 minutes from the time of that bid. When no bidding occurs for 5 min the computer will declare the sale finished.
5. Within 24 hours of the sale close the sale consignors will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot.

If you require assistance with using the new DLMS Farm Gate web site, if you don't understand how to create a favorites list, if you can't figure out the proxy bid or you just plain want to bid via phone, please talk to any of the DLMS team or Sale Consignors.

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.
