LAURON RED ANGUS

BULL & FEMALE SALE

Offering **62 BULLS
& Open Females**

Ron & Laurie

Emmett, Garilyn, Rhett, Jared & Charlotte

Jen & Ryan

Travis & Alex

WELCOME TO OUR 34TH ANNUAL BULL AND FEMALE SALE 2025!

We have been blessed to be a part of this agricultural industry for 40 plus years, have seen our children be involved, grow and now the next generation is well on the same path to “living the dream.”

We wouldn't have been in this game had it not been for the help and encouragement of family, friends, sales staff, the behind the scenes crew and customers and we are eternally grateful. Thank you for your continued support!

Once again the cattle speak for themselves, raised in a no nonsense environment with no creep and natural pasture setting. There are a variety of pedigrees that work for us and ultimately will work for you, some are tried and true with a great deal of consistency and certainty, with some newer genetics added to keep things current. We are constantly noting important traits such as performance, calving ease, maternal traits, structural soundness, disposition and eye appeal.

The bulls are wintered on a forage ration of silage, chopped hay, rolled oats and a custom formulated bull ration to ensure longevity and growth. By sale day they will have received 2 shots of Fusogard vaccine for foot rot and passed a semen test, no deferred bulls on offer. Scrotal measurements and updated weights will be available closer to sale day. The open females are reflective of the bulls offered and are from our replacement pen. The commercial heifers are managed the same way, some home raised and some sourced from Ric Arthurs. All will be palpated to ensure breeding soundness. We stand behind all cattle, and should problems arise, please contact us so we can set things straight.

Once again we are hosting the sale at the farm, a video sale with bulls displayed outside the sale barn. Visit with us anytime prior to the sale to help with your bull battery needs, or contact the ring staff or sales management who are happy to help. If you can't make the sale online bidding will be available with DLMS. Directions to the farm are 5 miles east of the Didsbury overpass off QE II on Highway 582, north side of the road. Check out the bull/female videos closer to sale date on our website www.lauronredangus.com or DLMS. Bulls can remain at the farm free of charge until May 1. Any animals staying must be insured and Cheryl Brown with Stockman's insurance will be on site. If you choose to take your purchases home sale day or within 1 week of the sale, receive \$100 off your purchase. Delivery can be arranged and will commence 2nd week after the sale so please give complete instructions at the settle up desk at the conclusion of the sale.

And of course join us for lunch sale day and enjoy some post sale hospitality. We look forward to reuniting with previous customers and meeting new ones!

CATALOGUE ABBREVIATIONS

B.W. Actual Birth Weight
205 Adj Adjusted Weaning Weight
365 Wt 365 Day Adjusted Yearling Wt

EPD'S

Expected Progeny Differences - EPDs are one tool to help in selecting decisions that compare an animal to his contemporary group, the numbers will change as the more data is collected and will increase the accuracy.

CE Basically predicts the percentage of unassisted births, the higher the number the higher unassisted births
WW ability of calves to grow from birth to weaning (expressed in lbs.)
YW Growth from birth to yearling (expressed in lbs.)
Milk Indicates milking ability of bull's daughters, expressed in lbs. of calf weaned.

CANADIAN ANGUS EPD AVERAGES 2023										
RED EPD's	CE	2.5	BW	1.3	WW	43	YW	75	MILK	24
BLACK EPD's	CE	3.4	BW	2.0	WW	55	YW	98	MILK	23

CALVING EASE LEGEND

"Calving Ease is related to factors including birth weight of the bull, gestation, nutrition, dam's genetics and her management and environment. The Calving Ease score is our best estimate considering Actual BW, EPDs, structure of the bull and genetics."

- **** Likely to have a high level of calving ease.
- *** Should be minimal problems for moderate size heifers.
- ** Recommended for second calvers or smaller framed cows 1100 -1300 lbs.
- * Recommended for mature cows 1400 lbs. plus.

ELITE DAM The Canadian Angus Association's ELITE DAM program is an effort to identify superior cows in the Angus breed based on early puberty, breeding, regularity of calving and above average performance of offspring.

CAN'T MAKE THE SALE?

Watch, Bid & Buy Online

To view & bid visit www.dlms.ca, log-in with your username and password or sign-up for your free user account.

Macho Man has everything to offer, soggy made, square topped and correct he has been an eye catcher from the get go. Dam, a Buster daughter with an impeccable udder, has a great track record producing herdsires such as Firecracker to Lust Farms, Justin Time to Shiloh Cattle Co., and Komodore to S-7 Ranches and a daughter retained. The numbers speak for themselves a perfect birth weight of 83 to adj weaning of 719 and adj yearling weight of 1314. **Herdsire Prospect.**

A substantial individual with plenty of natural muscling with a profile similar to his sire. Dam is a moderate made female, feminine with enough milk to make Maestro one of the top indexing calves at weaning. Grand dam 108X is still on the calving roster at 15 years young and has a reputation for producing the calving ease bulls.

Strong topped with an extra rib, extended loin, clean fronted and stylish! Use him on the heifers or cows and to produce some fantastic females! When a 15 year old dam can raise a top calf who ranked 12th at weaning and then he goes on to rank 1/72 as a yearling there is no guess work here. Dam has had 5 sons sell through this sale, 4 daughters retained, 2 daughters working in other purebred herds, quite a record!

Smooth shouldered and sharp fronted with plenty of length, note he is a twin and from a larger framed dam, so I would tend to stick to the cows or larger framed heifers for best results. Genetically a good bet.

The last calf from 106A, I'd say she did pretty good for being 11 years young. 124M was in fact ranking in the Top 10 at weaning. True, proven & dependable genetics at work here. The lone Dillinger son in the sale. Dillinger progeny were known for their good feet and docility.

15% OF A LOT MEANS A LOT

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association. Donations are tax deductible.

We are proud to support the
Canadian Angus Foundation Future 15 Program

With **YOUR** help we will continue to further our mission and the breed.

Since 2019 almost \$400,000 has been **INVESTED** in member education, awards, bursaries and youth scholarships.

\$295,000 invested in **ANGUS** research over the last six years leveraged an additional \$600,000 in grant funding.

\$75,000+ has been invested in history and archives, including the 2019 Canadian Angus history book.

If you are interested in giving back or learning more about this initiative, please contact Belinda Wagner, Canadian Angus Foundation Executive Director at 306-537-1518 or email bwagner@cdnangus.ca.

An eye catcher from the get go, Queen 2M has fantastic potential with that little outcross pedigree. The first few Justice daughters calved out thus far have nice tidy well formed udders. Dam put plenty into her first attempt.

Here is your chance at a Blackbird female. The dam is a great producing, beautiful uddered Blockbuster daughter and laid down and had a full sibling to this heifer the other day. Note Blackbird 28M is a 3/4 sibling to the Lot 1-3 bulls at the front of the catalogue. We really think highly of these Elevate progeny.

A sweet and feminine Justice daughter that is from a truly maternal Scenic Route daughter. Dam has proven her longevity- being a 2014 model year. In fact, she raised our high selling bull in 2020.

Don't adjust your sets! A black-hided red carrier that is pretty darn good with the stats to back her up she ranked 13th at weaning and 7th at yearling for indexes of 108/113. Dam came to us from the good folks at Glenrose through the Northern sale.

Dam - Glenrose 1X Queen 82A

With the look of a broody female, feminine up front, deep and correct Sally 57M could handily wear a show halter. Destined to be a productive investment, she clocked in Indexes of 104/102. The Mack daughters thus far have been very good and give it their all.

Dam - Red Lauron Sally 13B

COMMERCIAL HEIFERS

Approximately 25 head of Red and Black commercial heifers selling without papers, will be palpated and sorted into lots of 2-4 head according to weight. Sourced from Ric and Linda Arthurs or home raised. No brands.

SALE TERMS AND CONDITIONS

TERMS: The terms of the sale are cash or cheques payable in Canadian funds upon the conclusion of the sale. The right of property shall not pass until after settlement is made, no animal will be released from the premises until settlement is made. Each animal becomes the risk of the purchaser as soon as sold. Each animal will be sold to the highest bidder. In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision will be final.

CERTIFICATE OF REGISTRATION: A certificate of registration will be transferred when payment is made in full.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed material.

BREEDERS GUARENTEE: All animals are sold as guaranteed breeders as outlined by the CAA bylaws. No guarantee is given that a bulls' semen will freeze. All bulls will have passed a semen test prior to the sale. A bull may be replaced with one of equal value, guarantee does not apply to bulls injured, sick or uncared for. Under no circumstances shall the seller be liable for more than the purchase price of the bull.

INSURANCE: Insurance will available sale day.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of the buyers, neither the sale manager, auctioneer or owners assume responsibility in this matter and liability, legal or otherwise in the event of accident or loss of property. All persons attend the sale at their own risk.
