Welcome

It is with great pride and enthusiasm we welcome Limousin breeders and producers alike to the 4th annual Night Shift Sale....
A Genuine Connection!

Firstly, we would like to thank those that have supported the sale both online and in person, and of course, our previous years bidders and buyers! It's a great time to be in the best industry in the country and there has never been a more opportunistic future for our way of life we love and breathe every day.

Each year we strive to bring both a great sale experience, and a diverse offering of quality cattle and genetics and this year will be no exception! The event highlights a diverse offering of high-quality cattle, including an exciting herdsire prospect, open heifers suitable for junior projects or donor potential, and top-tier bred females. New addition to the sale this year is an opportunity on new fresh genetics to hit the Canadian market along with an exclusive pick of the females at Double B Cattle! The sale emphasizes dedication to the breed's vision, showcasing diverse bloodlines and pedigrees that align with breeders' goals for elite female advancement and herd profitability.

Attendees, both online and in-person, are encouraged to engage with consignors for questions about the lots or their breeding programs. Hope to see you online or in person at The Night Shift!

Barricade is a commanding figure in the pen. A big performance calf packed with muscle. A moderate birthweight and medium boned should make him user friendly. By L7 Kingpin, a CELL Envision son, brings a different bloodline to many programs. The Dam of Barricade is a beautiful young cow with a gorgeous udder and an abundance of milk. Lots of Hair, lots of testicle development, homozygous polled, good feet, excellent disposition, he checks a lot of the boxes. 2N is one of the young bulls that deserves a look this fall.

SELLING 50% INTEREST & FULL POSSESSION.

THE NIGHT SHIFT SALE

DAM EMF LIFE OF THE PARTY 24L

SIRE JYF KABAB 71K

This is the red show heifer a young member could be looking for. She has an excellent disposition and has the style to be very competitive in the show ring. Out of a first calf heifer, who has a beautiful udder & lots of milk, 522N has all the right pieces. She is sired by JYF 71K, that we used for calving ease and he didn't disappoint. Her granddam THE 5E, is also the dam of Lot 11 -THE 409M. Have a look and see the quality of the genetics for yourself. A real good cow in the making.

When Ashton first called and asked us to be a part of the Night Shift Sale, we were truly honored and knew we needed to consign something that would turn some heads. This young cow has been a standout since birth and one we had intended on retaining for the future of our herd. She's super deep bodied, big topped, big ribbed, with great feet and a flawless udder. She comes from one of the broodiest cows in our herd, 80H whom we purchased from Eric Martens a few years back and she has not disappointed. There is huge maternal power on both sides of this pedigree. Jammer, her sire was hand bred to a few of these elite cows before he went onto his new owner, and we couldn't be happier with the result. Something about having your own genetics turn out this good that makes your heart smile. This one will be a Luxury to have in your herd!

Exposed to **BBAR/VLE MAGIC MIKE 50J** April 1 - April 15, Pinnacle's Mainstreet 72M (**BBAR/VLE MAGIC MIKE 50J**) April 15 - May 9.

MATERNAL SIB RPY PAYNES RUSH

Beach Body has been one of the most successful donors that we have ever flushed. She is a herd bull producer and her name shows up in the pedigree of some of the breeds most influential sires. Her offspring generally have lighter birth weights adding to the appeal of utilizing her genetics. We acquired the Wulfs Hat Trick semen last fall and look forward to seeing what this homozygous polled, red sire can bring to our calf crop. Hat Trick came onto our radar when he sired the 2023 Agribition Reserve Grand Champion female, and he is a former high seller in the Wulfs Opportunity Sale.

SELLING 3 EMBRYOS, GUARANTEE ONE 90 DAY PREGNANCY. RESULTING CALF WILL BE HOMOZYGOUS POLLED.

THE NIGHT SHIFT SALE

SIRE SSTO GUNS N ROSES 9408G ET

DAM RICHMOND GAGA SRD 134G

SRD 134G is a homozygous polled Richmond Zodiac daughter that we selected as our pick of the Richmond cow herd. We flushed her to Guns N Roses when we were moving her up into our calving interval and are happy with the resulting calves to date. We have two bulls that made the show pen and a fancy summer heifer that we are looking forward to getting into production. Gaga is a big beautiful female and the mating to Guns has the potential to produce some awesome progeny.

SELLING 3 EMBRYOS, GUARANTEE ONE 90 DAY PREGNANCY.

Payne Livestock, Eden Meadows Farm & MacTavish Farms purchased the Canadian rights in KLS SULL Charmer at Agribition in 2023. Based on the success we have had using his full brother, Guns N Roses, we jumped at the chance to add the homozygous polled trait to this pedigree. Judging by the few calves that we had in 2025, we think he is a sire that will breed the type of cattle that will be accepted both in the show ring as well as produce commercially desirable bulls. They are stamped with the look we would expect from the genetics brought by Riverstone Charmed, with a little extra muscle shape to them.

Lot 19 // PICK OF THE DOUBLE B FEMALES

Opening the gate for an exciting and exclusive pick of the females at Double B! A once in a lifetime opportunity to get your hands on any female that has lead the way to where our program is today. From purchasing the first purebred females in 2014 from Hewson Limousin and through an attentive AI and Embryo program, these females reflect the blood, sweat and tears. The Double B

leading ladies are on a short leash when it comes to a management program where quality is over quantity. High standards in efficiency, functionality and overall production are first and foremost! The maternal foundation has always and will be the most valuable part of our program and we are proud to offer this exciting lot for this years Night Shift Sale.

PICK TO BE MADE BY DECEMBER 15, 2025.

A large, dark-colored cow, likely a beef breed, stands in profile facing left. It is illuminated by a bright spotlight from above, creating a strong highlight on its back and legs, while the rest of the scene is in deep shadow. The background is a dark, textured field under a night sky.
