

November GOLD

CLUB CALF STEER AND HEIFER PROSPECT SALE

OCTOBER 18, 2025 | LLOYDMINSTER EX GROUNDS

Welcome to our 13th November Gold Sale! We couldn't be more excited to bring you this set of calves! Every year we say we think we have brought our best set yet, and I think as cattle producers that is what we all strive for- to keep putting our best foot forward and improving our herds year after year.

This cattle market is on fire! Never in our life time did we think we would see highs like this! From small calves, to heavy calves, to cull cows and bulls- you can't miss. What an exciting time to be in the cattle business! We have saved high quality steers and heifers for you all this year. We have calves for all ages and all levels of competition. We truly believe if you flip through these pages, you will find a calf suited for your needs. Please do not hesitate to reach out to any of the consignors with any questions you may have- we would love to talk cattle with you! We have stuck to our guns the last 13 years and consistently brought our best to town, and this year is no exception.

It was another outstanding year for our November Gold Juniors! We saw Club Champions and Regional Champions across Saskatchewan and Alberta. We saw many Jackpot Champions, and many steers and heifers at Junior Shows throughout the year stand in the final drive. We also saw many young and first time members get through the ring themselves. You don't have to win a ribbon for us to be proud- they are just icing on the cake. We had 5 steers in the Calgary Stampede this year and that was very exciting for us all! So to our Juniors and their families, we extend a huge thank you to you all for getting these calves down the road and doing a heck of a good job!

This year will look a little different for us with a new Auctioneer on the block. We would like to welcome Kolton McIntosh from Eriksdale, Manitoba to our crew. We all look forward to working with Kolton and are excited for what he brings to the table. With that, we owe a huge thank you to our good friend and Auctioneer, Mike Fleury. With over 40 years on the block, Mike has retired and is enjoying his time with his family. We will miss you Mike, but wish you all the best- you have earned it!

We look forward to seeing you all in Lloyd at their wonderful facility this Oct.18th! Make sure to mark the date in your calendar for another exciting group of steers and heifers. A group worth waiting for!

Nacho was Champion Prospect Steer at both the Perdue and PA Fair this year. He very well may be the best steer we have ever raised. So impressed by this calf, we flushed his Dam this way this spring. Nacho is everything we like in a steer- big boned, big footed, big hipped, big topped, big middled- BIG TIME. He is sound- he can get out and move. He is as hairy as you can make them and as quiet as they come. The potential is endless for this calf. We are very excited to see where this year will take him.

Here I Am cranked out both Champions at the Calgary Stampede this year, and this Here I Am steer continues to impress us each day. He comes out of one of our ultimate favorite commercial Simmy cows 145B. She is an Earley Livestock cow that has had almost every calf she has produced grace the November Gold Sale ring. We are hoping for a heifer before her career of a herd matron comes to an end! Donnie has that show steer look- huge fuzzy ears, big stout hip, big top and a tremendous hair coat. We feel Donnie has as much potential as any steer we have ever offered through this sale ring. Have a look here- this guy has all the right pieces.

Rifled around deep in the AI tank this year and pulled out one of the original orange bulls- Orange Crush. He can still do it. Cheese is just a good honest steer. Really is hard to poke a hole in this guy He is stout, big topped, long bodied and big boned with a huge foot under him. He is so very quiet and would be great for any age. Good haired and nice headed- we think Cheese has endless potential.

Another one to prove that old clubby genetics can still get it done. Walks Alone will always be one of our favorite sires to use. He has yet to disappoint us. Cheeto is stout- big hipped, soft middled, big topped, good haired and can move. He likes to eat and we think he will feed out well to be competitive. His cherry red color and big fuzzy ears will be sure to get you noticed!

Lolitta knocked it out of the park again! This is the natural calf and only direct offspring available this year off of our tried and true donor cow. A full sib was purchased by Keylen Eaton at last years sale and was campaigned successfully making many miles around the country. When we compare him to the maternal sibs in the past, this one boosts a little extra rib shape and a touch softer middled. Yet keeping the same look and wicked hair as we've come to expect. He was part of our summer show string being Reserve Steer at Weldon as well as 3rd overall at PAEX.

High angus influence makes for a sure shot feeding steer with a little extra size and softness. An early March calf that already stands on his own in terms of maturity and do-ability. A maternal sib was sold to Addison Barnett and with a quick social media search one can see just how well that guy turned out for her. We think this one has a lot of similarities and could very well walk the same path with good management.

REGISTERED ½ SIMMENTAL. This half blood heifer is a special one. Jack raised her off his own cow and campaigned her this summer. She hung banners at both her summer shows, being crowned Champion Commercial/Percentage Female at the Perdue Fair and Champion Princess Classic Jackpot Heifer at the PA Fair. We feel this is just the start for Mango. She is stout, hairy, sound, good fronted and great tempered. Out of a Timberwagon daughter with a beautiful udder, there is no doubt in our mind that she will make a cow when her show career is over. We have been using the GENEX calving ease bull Bold Ruler for a couple years and we really like his calves. They come easy and have a lot of grow. Jack retained Mango's full sister into his herd last year, so he made the tough decision to offer this gal up for sale.

An amazing Auctioneer has set down his microphone. We would like to take this opportunity to Congratulate Mike Fleury on his retirement. With over 40 years on the block, Mike has decided to take a step back to spend time with his family, travel with his wife and enjoy those Grand Kids!

Mike, to us, you will always be much much more than just our auctioneer. 13 years ago a group of young cattle producers walked into your office with a dream of holding our own Prospect Sale and Junior Clinic. You took us under your wing and took that leap with us. Through the years you have watched us succeed and fail. You helped us welcome over 130 eager Junior members into your sale barn and hold clinics and competitions. You learned our pedigrees and programs and got excited each and every year about the direction we were heading, and the progress we were all making. We have shared many stories, laughs, handshakes and hugs. You have watched us all have kids of our own and grow up. You sir are much more than an Auctioneer to us here at November Gold. You are a mentor, an esteemed cattleman and a true friend.

We will miss hearing your voice and quick wit on that block, but we are so happy for you in your new journey, spending time with your family and watching your Grandchildren grow. So from all of us here at your November Gold family- THANK YOU! Thank you for believing in us all of these years. You will forever have a seat at our table.

Last fall you all opened your hearts and wrapped your arms around Sara & her family in a time of tragedy. With your outpouring generosity the Danny Magowan Legacy Fund was created with Better Together SK, raising over 16,000 dollars to raise awareness for Men's Mental Health.

The Manson Family, long time friends and supporters of us here at November Gold, stepped up to the plate and purchased Benny. Alex & Jack made a plan to continue fundraising for Better Together SK and feed and show Benny, in the end raffling him off donating the profits in honor of Jack's Uncle Danny, and Alex's dear friend Ryan Schemeneaur. With your continued support and generosity, Alex & Jack were able to raise over 5,000 more dollars for Better Together SK.

We may slap some Champions here and win some ribbons, but I don't think there will ever be another steer that has made such an impact in so many people's lives. So to all of you for all of your support and love- Thank you from the bottom of our hearts!
