welcome from *Halls Cattle Co*

Welcome to 2025 bull sale.

Mother nature has challenged us in February, cool temperatures are always a challenge when you have cattle, worrying about tractors starting, watering bowls freezing & cows calving. But we always get through it.

We have some awesome bulls for you to look at in both Angus & Simmental. A couple of new Sires have been used & we have been very happy with the calves out of them.

The cattle prices are at an all time high, what a great time to be in the cattle business.

We at Hall's Cattle Co would like to thank Riskan Hope for hosting the bull sale again & allowing us to partner with them on the sale.

If you have any questions please contact Barry or Justin, they will be happy to answer your questions. If you would like to stop by prior to the sale to view bulls just give us a call we are always happy to have visitors

- Here is a bull that has been on many peoples radar since he was calf. After we showed this calf's full sister it was a no brainer we had to breed his Dam back the same way & he did not disappoint us.
- With him & his full sister both having a beautiful blaze, this bull is sure to throw some great blazes on his progeny.
- Weather you are looking for a bull that can go on & compete in the show ring or produce the ones that will show, this is the for you. But if that is not a goal for you, this calf also comes out of a no miss cow that can produce females & bulls.

riskan hope farm

welcome from Riskan Hope Farm

Welcome to all! We are excited about our 2025 offering including a few heifer bulls and purebred females. We stand behind our breeding program and are confident that each animal will make an impact in your herd.

We extend our deepest appreciation to our bidders and buyers from previous sales, as well as to Hall's Cattle Co. for being a consignor with us.

The winter seemed long with all the snow and cold, but with all the feed we gathered up, it was an enjoyable winter. We are already excited about the calves that are on the ground for next year so make sure to ask to see them when you are by the farm and feel free to stop in for a visit anytime!

If you wish to sign up for our email newsletters (which are few and far between), scan the QR code and fill out the form.

We look forward to seeing everyone on sale day
