## *Trendsetter Bull & Select Replacement Heifer Sale*

**Saturday March 22, 2025  
at the Ranch – Hand Hills Lake, Alberta**

**OFFERING: 35 PUREBRED RED ANGUS & BLACK ANGUS BULLS  
AND 50 RED & BLACK PUREBRED AND ANGUS/SIMMENTAL  
CROSSBRED REPLACEMENT HEIFERS**

# *Welcome to the 2025 Shiloh Cattle Company “Trendsetter” Bull & Replacement Heifer Sale.*

We would like to welcome you to our 11th annual Trendsetter Bull & Select Replacement Heifer Sale, here at the Ranch.

The conditions this past year have definitely improved from the past few years of drought, which we are incredibly grateful for, and as a result of the varying conditions of our climate, we feel that the resilience of our cattle herd is strongly reflected in the hardiness and quality of the bulls and heifers we have on offer this spring.

We pay a great deal of attention to what we feel are the important requirements in any progressive cattle herd. Qualities like foot and udder structure, positive maternal instincts, and calving ease, while still maintaining an impressive degree of performance. Our bull and heifer calves are expected to develop naturally along side their Dams. We do not creep feed.

We also find it incredibly important to listen and respond to our customers, and work with them to produce the best possible seed stock for their specific cattle operations. Please let us help you acquire the best bulls or replacement heifers for your breeding program.

Once weaned, all bull and heifer calves are fed a Hay/Green Feed/Pea Straw mix, as well as a 14% pellet ration based on 1% of their body weight, promoting a natural and healthy rate of development. We believe a balanced feed ration reflects in the longevity of our cattle.

Sale day is March 22nd, at the Ranch, 1/2 hour SW of Hanna, Alberta.

Directions to the Ranch can be found here in the catalog or by searching “Shiloh Cattle Company” on google earth.

All sale animals will be on display outside the Sale Barn on sale day, starting at 10:00 AM, but we welcome you to contact us anytime prior to sale day to come by and view the sale pens and cow herd. We would be honoured to show you around.

We will once again be hosting an Open House Tailgate Party on Sunday, March 16th, down by the sale pens one week prior to this year’s sale. Join us for a Bon Fire, Hotdogs and Refreshments and tour the sale pens in advance.

Sale time is at 12:30 PM, with a full Roast Beef Dinner between 11:00 AM - 12:30 PM.

Hospitality will be on offer before and after the sale. Please plan to stay for the social after the sale. We look forward to visiting with you all.

*Darcy & Blake*

### Calving Ease Scores

- ★★★★ Suitable for use on heifers - should produce minimal calving issues
- ★★★ Suitable for use on larger framed heifers
- ★★ Recommended for second calvers and cows
- ★ Recommended for mature cows

*Photographer: Jordie Buba*

We were not in the market for a new black herd sire when we purchased Refine, but the moment we saw him, we knew we had to have him in our breeding program. Refine is as deep ribbed, thick and stout made as they come, and stands on a perfect foot. His donor Dam made a strong impression on us and his Sire's reputation speaks for itself with overly impressive EPDs and Pedigree.

# SHILOH CATTLE COMPANY

Here's an extremely attractive and masculine Allison Refine 78K son. He is big middled and muscled. From a birth weight of 69lbs to a weaning weight of 721lbs this bull is sure to put the pounds on your calves. Keeping in mind he is also out of a first calve heifer, he is sure to impress. Shiloh Refine Son 56M will work well on larger framed heifers and cows.

Colossal continues to impress us with his offspring. His calves are strong boned and thick made with outstanding weaning weight and yearling weight ratios. The females we have retained in our herd are developing beyond our expectations and we are more than excited to watch them mature, as they are sure to become cornerstone females in our program. Colossal produced our Grand Champion pen of purebred heifers at the Medicine Hat Pen Show in December.

*The story behind our cover photo.*

*The Red Angus bull on the cover of this year's catalog was painted by Angela Davidson, a well known artist from England. Angela is world renowned for her fine paintings of all types of animals and livestock, including several other breeds of cattle. We purchased this limited print at the Canadian Angus fundraiser auction a few years ago. It was commissioned for the Canadian Angus Association and the CAA has the exclusive rights to this impressive piece of artwork. We would like to thank the artist and the CAA for granting us permission to use it in our 2025 sale catalog.*

Our largest Sire Group this year comes out of our Six Mile John Wick son. Mr. Wick is extremely long sided, deep ribbed and clean fronted, offering calving ease and performance. His calves come easy and are as attractive, dark coated and sure footed as their sire.

Rumble is notably one of the thickest, long sided and sound footed Red bulls around. He has an astounding presence that is reflected in the attractiveness of his heifer calves, as well as his bull calves. As his popularity increases, we are looking forward to seeing more of his offspring this spring across North America, as well as in Australia.

One of the most attractive bulls in this year's sale pen. An extremely long sided bull with a nice skull set. He is sure to provide you with attractive replacement heifers. We are very impressed with our Franchise females.

# SHILOH CATTLE COMPANY

In 2018 and 2019 Racer made his mark in the cattle industry as the most decorated Red Angus bull in Canada, as well as the North American Silver (2018) and Bronze Medalist (2019) in the Angus breed. His offspring are well balanced and stride out with the power and correctness of their sire, and have outstanding leg and foot structure.

## *Trendsetter Sale Replacement Heifers*

Approximately 50 Open Replacement Heifers from the following consigners. All heifers will be palpated and Vet checked. HEIFER PACKAGES are to be picked up sale day unless other arrangements are made. Please contact Darcy or Blake to discuss options.

### *Misty Ridge Ranch Ltd.*

Kelby Stevens 403-820-5518

Tenille Stevens 403-664-5184

The Stevens farm is located in the Hand Hills and they produce quality Red Angus cattle focusing on easy keeping, docile, high yielding females. Generations of genetics have been developed to ensure replacement heifers will add performance to any herd. Their Red Angus heifers are one iron. Their herd health has been Bovishield One Shot, Meloxi-cam and Ultrabac7/som at branding. Bovishield Gold FPS in February.

### *Neu Muehl Colony*

Ted Wipf 403-821-1509

Neu Muehl Colony is in the Hand Hills near Drumheller. The Colony was founded in 2000 and has been raising quality Angus and Angus Simmental cattle ever since. This group of heifers was selected from a group of 300 heifers. Ted let Shiloh Cattle Company have first pick before selecting heifers for them selves. There will be packages of Reds and Blacks. These are all one iron heifers that have been under the Merck Animal Health program.

### *Shiloh Cattle Company*

Blake Morton 403-820-4162

Darcy Olesky 403-820-1830

Shiloh is once again offering a top cut of Red Angus Heifers. These heifers are out of proven genetics that have sisters and dams working in the Shiloh herd. These heifers have been managed under a Bovisheild Gold program. There are no brands on these quiet pail fed heifers.

## *Terms & Conditions*

1. **TERMS:** The terms of the sale are cash or cheque payable in Canadian funds unless previous arrangements have been with individual consigners. Settlement prior to any cattle released. As soon as an animal is sold, it becomes the responsibility of the purchaser. Any animal remaining at Shiloh Cattle Company must be Insured. Livestock coverage will be available from the clerk's desk on sale day.
2. **CERTIFICATE AND REGISTRY:** Certificate of registry dually transferred will be furnished to the buyer for each registered animal after complete and full payment has been made.
3. **IDENTIFICATION:** Each animal will carry a CCIA digital frequency tag as well as a ear tag.
4. **BREEDERS GUARANTEE:** All cattle are sound and right to sell with a responsible breeder guarantee of satisfaction. In the event of an unlikely dispute, the regular terms and conditions standard with the Canadian Aberdeen Angus Association shall apply. Any complaints regarding fertility of any animal in the sale shall be directed to the breeder. No incidental expense such as feed, veterinarian charges, interest, etc., will be charged by either party. Under no circumstances shall the seller be responsible for more than the purchase price paid for the bull.
5. **ACCIDENTS:** Although every precaution will be taken to protect the safety and comfort of any who attend the sale, neither the sales management, the sponsoring association nor any owner assumes responsibility in this matter and disclaims any liability legal or otherwise, in the event of accident or loss of property.
6. **LIABILITY:** Purchasers must look to the seller for fulfillment of all guarantees and representation made hereafter.
7. **DISPUTES:** In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from which the auctioneer accepted the last bid.
8. Shiloh Cattle Company retains the right to draw owners use semen on all bulls offered in the sale. This will be done before the sale, or at the new owners convenience and at our own cost.
9. **ANNOUNCEMENTS:** Errors or omissions discovered in the catalogue will be corrected by announcement from the auction stand at sale time and such corrections will take precedents over the printed manner in this catalogue.
