

Ontario Shorthorn Association

Fall Classic

November 15, 2025 - 1:00pm

Maple Hill Auctions, Walkerton, ON

Welcome

On behalf of all the consignors I would like to welcome you to the 2025 edition of the OSA Fall Classic Sale. This year's offering has something for every kind of operation. Whether you are a long-time Shorthorn breeder, new to the breed or a commercial beef producer I am sure you will find something to suit your needs.

These are certainly exciting times in the beef business. It is a great time to rejuvenate your herd with new genetics to move your program forward for years to come. There is a wide variety of rare and unique pedigrees in the offering, along with some exciting services to the bred females. The breeders stand behind their programs so you can buy with confidence.

We would like to thank Ross Laycock and Shannon Kingston of Trailview Shorthorns for donating half the proceeds from their lot 1 calf to the Ontario and Canadian Junior Associations. Ross and Shannon are passionate supports of the junior program.

We plan to once again have the cattle in the sale barn and ready for viewing Friday afternoon/evening. If you are unable to attend the sale and would still like to participate please contact any of the contacts listed in the catalog and they would be happy to assist you in a professional manner. Once again this year online bidding will be available using DLMS. Look forward to seeing you at the sale!

— SBF PERFECT MILLIE 23X

CED	BW	WW	YW	MILK
+12.0	-1.0	+46.0	+64.0	+23.0

Netti has been a favourite, since she made her appearance on April 1! She is a heifer's heifer that packs a lot of attractiveness into a compact package. She is by PVF Dunkirk 86L (a JSF Palermo son), out of a JSF Times Square/ Shadybrook Perfect daughter that we bought at Shadybrook last year. Who doesn't love a Times Square?

Ross and I have long been proud supporters of our Shorthorn youth, and so we decided to do something big to assist both the Ontario Junior Show, as well as the Canadian Junior Shorthorn National Show. We have decided to donate 25% of the selling price for Netti to EACH of the OJSA and the CJSa! The winning bidder will be supporting both of these great associations! Remember that when you bid!

We would be happy to assist any Junior showing at Erin or Olds in 2026!

— GLENROTHES ROSEWOOD 17E

CED	BW	WW	YW	MILK
+8.0	+2.4	+51.0	+72.0	+22.0

Rosewood 19N is a stylish heifer with a touch of chrome to get your attention. She is a May heifer that is just starting to bloom. A Glenrothes Square One (Times Square) daughter with a super strong pedigree. Her dam's side includes genetics from the Leveldale and Byland herds. Square One sired the Champion Shorthorn female at Youth Forum in April and other progeny that stood top of their class at the National Junior Show this past July. Another female he sired was awarded Supreme Champion female over all breeds at Bobcaygeon Fair in September. 19N boasts the kind of pedigree that you can build a herd around.

6 GLENROTHES *Lillian* 14N

X-[CAN]*35050 Apr 13, 2025 USG 14N Red POLLED 97.4%

— JSF TIMES SQUARE 120G ET

CED	BW	WW	YW	MILK
+10.0	+1.3	+49.0	+69.0	+22.0

Lillian 14N is a really sweet heifer. She is feminine, very clean fronted and moderate framed with good depth of body. She is a red Square One (Times Square) daughter. On the maternal side Square One brings the bloodlines of the Shadybrook Perfect cow family and Muridale Thermal Energy. Lots of good genetics are to be found here. The Lillian cow family is a long-time top producer in the Glenrothes herd.

7 GLENROTHES *Lillian* 12N

Solid red, polled, & powerfully made, Miss Lea 31N is a standout ShorthornPlus female with all the right pieces. Long-bodied, sound-footed, and feminine in her design, she brings eye appeal and structural integrity in one complete package. Shown successfully this summer at the Canadian Junior National Shorthorn Show, she was named Grand Champion ShorthornPlus Heifer Calf, proving she has the quality to compete. Kid broke and easy to handle, she's an ideal junior project or front pasture female. Her dam is a no-miss cow with a strong track record, and her sire is a red percentage Simmental bull from K-Ler Cattle in Minnesota, adding muscle and performance. Don't miss her full sister also selling – a pair of powerful females built for the future.

Cornerview Nelly Bell puts all the right pieces together in one attractive package — length, width, an extremely chill attitude, and a very desirable pedigree. Sired by North of 49 and out of a Millbrook Fireball dam, she's got the genetics, balance, and presence to succeed as a junior project and become a front pasture female.

Although her show career is over, Kiss N Tell 4K is just getting started, producing offspring that will keep hitting the winners circle for years to come! This young cognac daughter has her best days ahead of her but we can't keep them all; being a functional, high performance cow coming into her 3rd year of production, she will go on to produce calves for many years. 4K was bred North of 49 on May 6, then exposed to HLLC Lookin at You 11L from May 10-June 14. Vet checked, confirmed 4+ months bred on October 1st, favouring the AI date.

With a strong pedigree and a proven record in the ring, Meredith is a rare opportunity for breeders seeking both performance and maternal excellence. Her calm disposition and structural correctness make her an ideal candidate for any junior or seasoned show program. Backed by generations of reliable genetics, she is poised to make an impact not only as a show heifer but also as a productive brood cow in the years to come. She is ultrasounded safe for March calf sired by Steelbrook Top Gun, our new herd sire. Steelbrook Top Gun earned Grand Champion Shorthorn titles at Expo St. Hyacinthe, Cobden Fair and Shawville Fair, along with Reserve Champion Open Male at the Junior National Showcase. We invite you to consider Meredith as a cornerstone female for your herd, combining showing presence with practical cow sense—an investment in quality and future success.
