Welcome

TRIPLE L ANGUS

We welcome you all once again to the farm on April 5th for the Sudden Impact Bull Sale with our partners, Wooden Spoke Land and Cattle and Wright Livestock. We are very proud of this offering and feel they cover a lot of the desired and essential needs for the commercial breeder. They are developed for longevity as they are grown along in a manner to promote gut health yet athletic to go breed your females. The bulls are welcome to stay at the farm until you are ready for them and delivered free of charge.

Come tour the bull pen any time prior to the sale and watch for videos to be ready in later March. Thank you to the best sale partners and friends we could ask for in the Lowe and Wright families. Thank you to the sales staff and Erin Yewsiuk for her photography and patience. Any questions feel welcome to reach out to any one of them. Lunch is served prior to the sale and the social goes on long after the sale. See you April 5th!

Randy and Keri Tetzlaff

WRIGHT LIVESTOCK

As we prepare for the Third Annual Sudden Impact bull sale, we are excited to offer what we feel are a strong group of yearling bulls. You will find some performance cow bulls with added length, depth, and style and muscle along with a great group of caving ease prospects. We have three sons sired by Red Towaw McGregor. We would like to extend a hearty thank you to Kirk and Jill Wildman and family, for campaigning him in 2023 earning him several championships and the prestigious award of Show Bull of the year. We have on offer two more sire groups that are off of our own homebred sires. Our herd is on a full herd health program at weaning. The bulls are fed free choice, brome alfalfa hay, and we hand fed them at 14% bull developer ration supplied by Bulls Eye Feeds. This ration promotes growth, muscle development and longevity. We feel the 14% developer ration has given them the ability to grow out and are not carrying any more condition than needed. The bulls are ready to view at home, and if you cannot make the sale, we would be more than happy to show you the bulls at home and to assist you in your selections. A huge thank you to Randy and Kim and their family, for hosting the sale at their farm. Hope to see you all April 5.

Jim and Kathy Wright, & Katie, Bob and Anna

WOODEN SPOKE LAND AND CATTLE

Welcome to the Third Annual Sudden Impact Bull Sale. We are once again proud to partner with Triple L Angus and Wright Livestock to make this event possible. The Two Year olds bulls have been developed slowly and over the course of 2 summers. These bulls are very functional and can go out and get the job down on any program. They have been on creep feed pellets and hand fed some oats so that we have daily interaction with them. They're all super easy fleshing and get out on the move freely. Feel free to stop by the farm anytime to tour of the bulls. We would like to thank the people who have supported us so far in this journey as we are just getting our feet wet. Thank you all, and we hope to see you all on sale day, April 5, at the Tetzlaff farm!

Bred 25 yearling heifers this spring for our own commercial heifers. Belvin May City has been known for his calving ease and this guy is truly built like his dad. Smooth made, deep bodied and a great foot on him. This guy puts all his pieces together naturally and gets out on the move freely doing so.

Bred 26 yearling heifers this spring for our own commercial heifers. We have been impressed with his damn 20J since we bought her from the up the ante sale. She has started to play a pivotal role in our herd and every year her calves keep getting cooler. He's a deep made and powerhouse bull. He checks off a lot of boxes and has tons of natural muscling.

Eclipses dam 25H never misses around our place. Year after year she continues to produce one of our favorite calves. This long bodied, deep made bull who puts his parts together with style is very fault free. His muscling and overall presence makes him super easy to look at.
