

67TH ANNUAL

Williams Lake & District

4-H SHOW & SALE

SALE CATALOGUE

AUGUST 4, 2025 | 5PM

Williams Lake Stockyards

Online: DLMS.ca

2025 BC 4-H Ambassador Opening Words

As a 4-H BC Ambassador for the Central-Interior region, I would like to welcome you to the 67th Annual Williams Lake and District 4-H Show and Sale! Since 1913, 4-H has helped shape generations of youth and agriculture in Canada through providing opportunities for mentorship, education, personal development, scholarships, and so much more. This program wouldn't be possible without the support of so many amazing people.

Parents, volunteers, leaders, staff, project buyers, and so many more are the backbone of 4-H and agriculture around the world, so thank you. Thank you to everyone who put in the early mornings, late nights, and simply shows up for the future leaders of Canada. I look forward to seeing you in the barns for this celebration of the hard work and dedication of our members. The passion each member has for their project is truly admirable and wouldn't be possible without you. Thank you again for your generosity and continued support of youth and agriculture development in Canada!

BC 4-H Ambassador
Jessabelle Trelenberg

How Do I Bid on a 4-H Project?

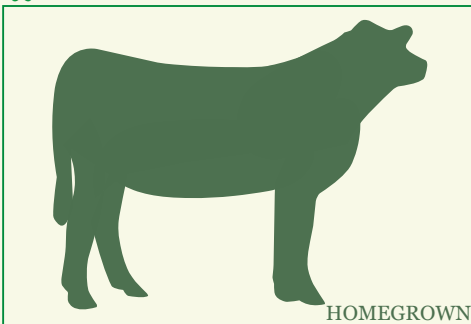

Everyone is welcome to purchase a project and support 4-H. There are both in-person and online options to place a bid. Please reach out if you need help.

1. In-person at the Williams Lake Stockyards
2. Online with the Direct Livestock Marketing System (DLMS)
 - Register at DLMS.ca
 - Log in through your profile
 - Select the "Williams Lake & District 4-H Project Sale"
 - You can contact Mark Shologan 780-699-5082 if you have any questions.
3. Over the phone through a proxy
 - Phone the Williams Lake Stockyards 250-398-7174 to arrange a proxy, or if you have any questions.

What Do I Do If I Buy Project?

The Williams Lake and District 4-H will take care of shipping your animal to the abattoir (butcher) at no additional cost. You only need to contact your chosen abattoir with your cut and wrap instructions. Then arrangements will be made for picking up your meat when it is ready. If you purchase a small engine, photo or foods project you can collect it after the sale or make arrangements with the member for a different time.

4-H Quality Speaks For Itself

When you buy a 4-H market animal you are buying the finest quality meat possible. Members give the utmost care and attention to their projects right from the start, and the quality speaks for itself. Animals are all finished by local youth contributing to sustainable food chains. The photography, small engines, foods, honeybee and garden projects have been produced with diligence and skill under the guidance of leaders. Anything backed by the 4-H name can only be described as "NEAR TO PERFECT" as you can get.

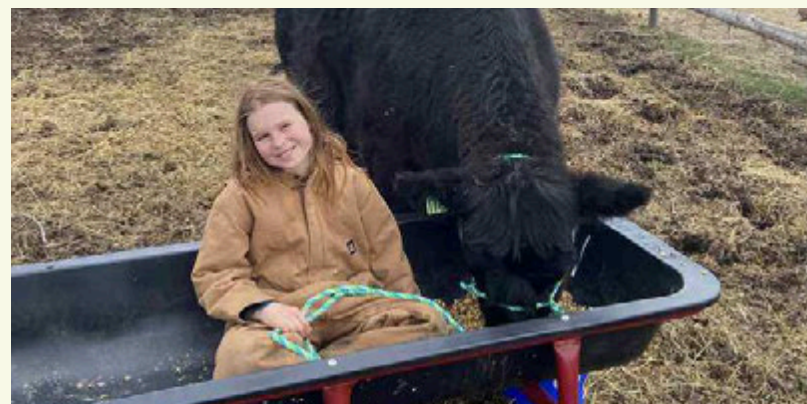

The 4-H Pledge

I pledge

My head to clearer thinking,
My heart to greater loyalty,
My hands to larger service,
My health to better living,
For my club, my community,
my country, and my world.

Thank You
