ONLINE ANGUS BULL SALE

THURSDAY, MARCH 26, 2026

SALE OPENS FOR BIDDING ON MARCH 25 ON DLMS FARMGATE

WELCOME FROM 606

Welcome to our inaugural annual Angus bull sale!

606 Livestock is owned and operated by Tyson, Chantal, Brylan, and Everleigh Rasmuson. While we may be newcomers to the Angus breed, we are certainly not inexperienced in the cattle industry. Our decision to engage with the Angus breed stems from our appreciation for the qualities of the Angus momma cow...maternal, hardy, and low maintenance. Although our purebred numbers are modest, they are characterized by exceptional quality!

Over the past few years, we have been gradually expanding our Angus herd by selectively acquiring females from various sales. In addition to obtaining a robust set of females from the Kueber dispersal in the Fall of 2023, we have also invested in various embryo matings from leading breeders, and we believe that exceptional progress is underway.

In the Spring of 2024, we had the privilege of acquiring Spring possession of HF Prostar 97L. We believe this was crucial in providing us with a strong start, as he consistently sires performance within a solid, sound, and maternal framework. This is evident in the sons that we have available on offer.

Our yearling offering is headlined by a solid and impressive set of Prostar sons that we are incredibly proud to showcase. Our two-year-olds on offer are all virgin two's, specifically held over to ensure we had enough numbers for our first sale.

We encourage you to take the time to explore our offerings, and please remember that our pens and pastures are always open for viewing! Should you have any inquiries, do not hesitate to reach out to either myself or Brylan, or any of the sales team at Bohrson Marketing, and we will be more than happy to assist you!

Happy Calving!

DIRECTIONS TO FARM

From Midale- 5 miles west on Hwy 606 to stop sign then south 1/3 mile, first yard on the east side of road.
From Weyburn- SE on hwy 39 till 1 mile SE of Halbrite. Take RGE ROAD 2122 6 miles south. First yard on the east side of road south of Midale east intersection.

INSURANCE

Bonnie Thompson 306.438.7311

DELIVERY

We will coordinate free delivery to central points across Manitoba, Saskatchewan, and Alberta.

SIGHT UNSEEN PURCHASES

We understand that as this is a busy time of year, and therefore not everyone can make the trip and go through the bulls. Please reach out to us to discuss the bulls and your needs, we guarantee your satisfaction upon arrival.

BREEDER GUARANTEE

We guarantee all bulls to be reproductively sound and fertile, aligning with the terms set by the Canadian Angus Association. In the case a situation arises, we will do our best to have you a replacement bull or a future sale credit. This does not extend to death, injury, or mismanagement.

WELCOME FROM BOHRSON MARKETING

The Rasmuson family has built a rock-solid foundation of Angus cows at 606 Livestock. Their program is rooted in powerful, proven cow families and driven by a clear focus on Angus breed character, performance, and strong maternal traits. The result is a consistent, dependable set of cattle designed to move programs forward.

The bulls on offer represent a tremendous combination of calving ease and performance. They are sired by industry-leading AI sires along with highly sought-after walking bulls that have proven themselves right at 606 Livestock. This powerful genetic blend ensures predictability, quality, and real-world functionality.

This is a unique opportunity to select from both yearling and two-year-old Angus bulls at one time, all from one home-raised program. The depth and uniformity across age groups adds significant value and gives buyers flexibility to find the right fit for their operation.

Be sure to give Tyson or Brylan a call to tour through the bulls ahead of sale day. If our team at BMS can answer any questions or assist with your bidding needs, don't hesitate to reach out — we're here to help.

The sale is hosted on DLMS FarmGate and closes March 26. We look forward to working with you and appreciate your interest in 606 Livestock.

Best Regards,
The Bohrson Marketing Team

HF PROSTAR 97L
Sire of Lot 1-7

Study the foot, study the bone, study the power, this one has Herdsire written all over him! We could not think of a more suitable option to headline our First Annual Bull Sale, as Foreman replicates the exact type and kind we aim to produce. Turning many heads as the stall favorite at Agribition, what's most exciting is his ability to confidently breed heifers. Study the calving ease numbers, and this one has huge potential to make a splash in the heifer pen! One that's sure-footed and couples both style and masculinity, from his ideal Angus skull back into his stout pinset, replicating the added stoutness his sire HF Prostar 97L has to offer. His dam, ARDA Beauty 503K, is a female we acquired back in 2023, and has quickly paved her way to the donor pen. She is a full sister to the nine full-sib bulls of the 2024 ARDA Bull Sale that averaged \$19,625.

606 BLACKBIRD 1033
Dam - First Angus born at 606

Here is a round ribbed, heavy-topped, powerhouse with loads of muscle shape. Another Prostar son, and one of our personal favorites. His dam, 606 Blackbird 1033 (first Angus female born at 606), excites us with her elegant design and added shape. Having produced a son in 2024, which we retained for use on our commercial cows, she continues to prove her consistency. We feel that, crossed with Prostar, a masculine, shapely one is guaranteed!

606 EMBRACE 14N
At Agribition

Another Prostar son with an impressive look! Great balance, solid foot structure, soft-made, and volume of muscle. Tagging along with our Agribition string, here's another one that made many friends in Regina. A standout in the bull pen from a young age, there's no doubt this bull will continuously become more impressive with age. His dam, Kueber Blackcap Essence 12J, was acquired from the Kueber Dispersal sale back in 2023, and replicates the Angus silhouette year-round, while stacking Ellingson Profound into this stud's pedigree. His sire HF Prostar 97L needs no further introduction, as he continues to prove himself amongst our offering.

Here is a genuine meat wagon! Completing our Agribition string, here is one that will project some big-time muscle and shape into his progeny. His mother, Kueber Tibbie 5K is a KR Cash daughter we acquired in 2023. Roadhouse is a high-performance sire that will produce those scale-pushing steers that are in high demand in the feed yards.

Here's a bold-ribbed, level-topped, high-performing bull. The kind you can confidently turn out with cows to cover the basics of brood power, sound structure, and high growth. His dam, JL June 7146, is an SAV Seedstock daughter who has consistently produced the right kind. Another Prostar son, another chance to incorporate a big-time bull with big-time power!

Hersire potential! One with arguably the neatest pedigree in the offering, this calf was an early pen favorite and has been impressionable every stage of the way! High performing, big scrotal, and big-time power, he's got the look! Montana Judgment 1038 has done incredibly well for Montana Angus Ranch, having serviced the back-to-back Champion Pen of 3 Angus Heifers for Vision Angus at the National Western Stock Show both in 2025 and 2026. His world-renowned dam, Lawsons Chloe C815 has made her mark in the Angus Industry, known for producing over \$1,600,000 in revenue from just four of her progeny, with one being Coleman Triumph 9145 (Maternal Brother to Springsteen 1N). Here's your chance to own one with herd bull presence and powered-up, proven pedigree!

Here is a cool piece in the making! Out of a first-calf heifer, this long-spined, smooth-made bull gets out and moves with comfort. We selected his sire, HF Tremor 170L, for his incredible length of body, width of skeleton, and sound structure. What excites us most, however, is his Dam, BRNT Forever Lady 2356, a daughter of the World Record \$1.51 million SAV America 8018. On her bottom side is Werner Forever Lady 5217, a highlight dam at Burnett Cattle. Maternal power best describes the pedigree in this one, and as he matures, we like this one more and more.
