The Global Benchmark in Genomic Prediction

Uncover what you can't see - **only with GGP**

Built on **trusted partnerships**
and a deep foundation in the
cattle business

Complete, validated SNP array
that **outperforms** general HD
panels in the market

Unmatched indicine genome
insights compared with any
multi-breed array

GGP stands as the global benchmark in genomic prediction, imputation, breed-specific resolution, and long-term evaluation alignment. And beyond the science, our level of support strengthens breed associations and drives both progress – and the industry – forward.

BETTER YOUR BEEF --- HEREFORD

Better returns with Hereford crossbreeding.

Progressive producers know that better beef comes from better crossbreeding. And that adds up to better profits. Crossing your herd with the best qualities of Hereford improves profitability through improved animal health, fertility and feed efficiency.

It's time to better your beef, and better your business, with the tried-and-true benefits of Hereford.
