WELCOME...

Welcome to our 17th annual bull sale. It is an incredible time to be in the cattle industry. Demand for beef is at an all time high and the domestic supply at historic lows. This sets the stage for hopefully several years of profitability in the industry.

This year will feature new AI/ET genetics in Baldrige Drag Iron, SAV Royal Flush, Rreds Common Sense, Belle Revelation, Rreds Revolution and Senneca. We also have large sire groups from our herdbulls ACC Stunner 14G, MLG Alcatraz 22K, Paramount 410K and Targaryen 161K. Also new this year is our addition of four Red SimAngus Yearling bulls off of Fullblood sires such as Sunny Valley Freedom, Ultra Independence and Fairview Philadelphia.

This year the bulls were fed a balanced TMR growing ration of hay silage, straw, corn silage, rolled barley, whole oats and a custom formulated mineral. The bulls are very athletic and have been wintered in large paddocks to ensure they get plenty of exercise. They will go straight to work and walk your pastures with ease. All of the cattle are familiar with both horses and dogs. We work with the bulls daily and we value the good dispositions in our breeding lines.

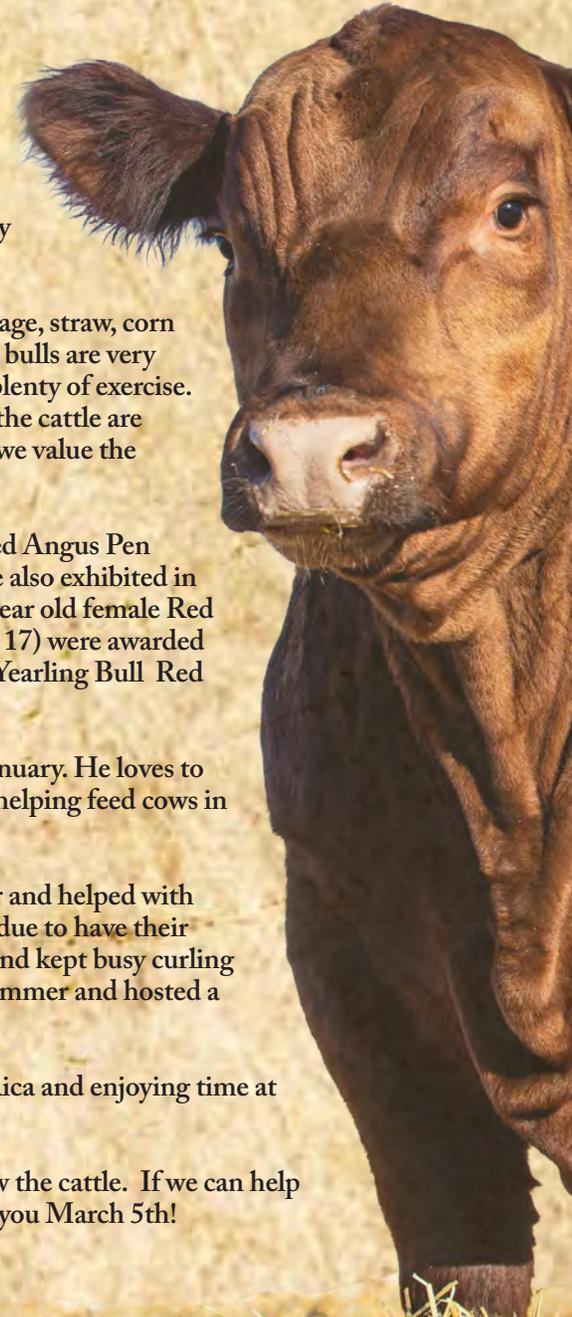

We took two pens of bulls this year to Harvest Showdown and our Red Angus Pen continued down the show road to Canadian Western Agribition. We also exhibited in the halter barn as well at Manitoba Ag Ex and Agribition. Our two year old female Red ACC Tibbie 169L with her bull Calf Red ACC Washington 1N (Lot 17) were awarded the Reserve Two Year Old Pair Banner at Manitoba Ag Ex and Our Yearling Bull Red ACC Nozeka 178M was Reserve Champion Yearling Bull.

Austen and Katie have been kept busy with Finley who turned 5 in January. He loves to be outside exploring the farm. Remi will turn three in May and loves helping feed cows in the tractor. Their house is a buzz of activity between these two.

Breanna, Wade and Ember spent lots of time at the farm this summer and helped with various parts of the operation. At the time of writing this Breanna is due to have their second child within the month. Wade has several projects on the go and kept busy curling and hunting this fall/winter. They moved into their new home this summer and hosted a housewarming party in August.

Bruce and Ione are enjoying being grandparents, traveling to Costa Rica and enjoying time at the lake.

You are welcome to stop by the farm any time prior to the sale to view the cattle. If we can help you select your next herd sire please don't hesitate to call. Hope to see you March 5th!

17th Annual Bull Sale
Thursday March 5, 2026
At the Farm- Swan River, MB
Please join us for a Brisket lunch
at 12:00 Noon Sale at 1:30 PM CST

We invite you to join us to view the sale offering, and enjoy some hospitality and fellowship. All sale bulls will be on display, We strongly encourage buyers to pre-view the bulls at any time of your convenience. The coffee is always on!

Our leadoff bull this year is a very unique and desirable individual. He combines calving ease, muscle definition, breed character and a very nice momma in a dark red package. When he walked in the picture pen Wes said "You better call some breeders on this rascal". He was the 4th heaviest weaned bull calf in his group with a WW ratio of 109. His dam was purchased from Camo Cattle Co at Red Round Up and has registered 5 progeny including bulls we sold to Clarion Colony and Garry Griffith.

Red ACC Tycoon 9N was a really close contender for being the lead off bull in this offering. He does a lot of the same things really well as lot 1. We selected Tycoon 225E as a AI sire because he combined calving ease with added frame and performance.

The Targaryen sire group all goes back to Black Wheel Dracarys 178E who still resides at Anderson Cattle Co at 9 years of age. For the most part they demonstrate the added dimension, performance and frame that 178E has blessed the Red Angus Breed with across several programs in Western Canada. Lot 9 and 10 have some extra calving ease, not enough to warrant a heifer bull stamp but enough to do really well with 2 and 3 year old cows.

Red ACC Targaryen 110N will find many friends come sale day! He's dark red, has some calving ease for the heifer pen and his mom is one of our top Red Angus Cows. She is the dam of the Female we showed last fall at Ag Ex and Agribition. Her 2024 heifer calf is also in our bred heifer pen and patterns very similar to 169L. With that kind of consistency we believe deeply in the quality of 110N.

One of the youngest bulls in the sale but still has lots of frame and performance to match up with bulls a month older. One brother ACC Platinum 102M sold to Dan and Jackie Sawley and a sister ACC Lucy 141K sold to Greenbush Angus.

ACC COMMERCIAL BRED COWS

We are offering a group of 20 bred cows due March-May. Some of the Red Angus cows will be bred to a Fleckvieh bull named Fairview Philadelphia 19L that we purchased as the lead off bull from Fordens in the All Breeds bull sale. The other cows will be bred either Red or Black Angus and we will have that available sale day. All females are on our full herd health and nutritional program. They have been receiving annual boosters of Bovigold and Tasvax. Cows must be picked up within three days of the sale. Cows will be sold without registration papers.

WE WANT TO WISH JUSTIN LOGEOT THE BEST OF LUCK IN HIS NEXT ADVENTURE IN LIFE. JUSTIN MOVED BACK TO SOUTHERN MANITOBA IN OCTOBER. WE WILL MISS HIS QUICK WIT, AND NIFTY FARM HACKS. THANK YOU FOR 4 GREAT YEARS. WE WISH YOU THE BEST, AND HOPE YOU'LL BE BACK TO VISIT. THE HARD SEVENS ARE ALWAYS COLD!

THANK-YOU TO
SWAN VALLEY CO-OP FOR
PROVIDING THE SIDES FOR
OUR LUNCH ON SALE DAY!

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association. Donations are tax deductible.

We are proud to support the
Canadian Angus Foundation Future 15 Program

With YOUR help we will continue to further our mission and the breed.

Since 2019 almost \$400,000 has been INVESTED in member education, awards, bursaries and youth scholarships.

\$295,000 invested in ANGUS research over the last six years leveraged an additional \$600,000 in grant funding.

\$75,000+ has been invested in history and archives, including the 2019 Canadian Angus history book.

If you are interested in giving back or learning more about this initiative, please contact Belinda Wagner, Canadian Angus Foundation Executive Director at 306-537-1518 or email bwagner@cdnangus.ca. You can also visit the Canadian Angus Foundation website at www.cdnangus.ca/foundation

SALE NOTES

DATA

205 and 365 weights are adjusted. EPD's are current as of January 9.

VACCINATIONS

Bulls are on a full herd health program. They have received their annual boosters of Bovigold and Ultrachoice, as well as receiving both shots of Fusogard footrot vaccine.

CALVING EASE

All bulls on offer will calve unassisted from mature cows, bulls suitable for breeding heifers are highlighted as such. Calving ease and birth-weight should not be a factor when selecting Angus bulls for breeding mature cows.

TERMS & CONDITIONS

All cattle sell under the standard terms and conditions set forth by the Canadian Angus Association. Precautions have been taken to ensure your safety, neither Owners or Management are responsible for any accidents.

Anderson Cattle Co. is not liable for any injuries or death of uninsured bulls.

INSURANCE ON BULLS STAYING AT THE FARM IS ENCOURAGED.

TERMS OF SALE

Cash or cheque at par payable on Sale Day, unless other arrangements have been made prior to sale. Registration papers will be transferred only upon full and final payment. Announcements from the block will take precedence over printed material in the catalog.
