

The First Annual

Andrew

CATTLE CO. ONLINE BULL SALE

HOSTED ON DLMS FARMGATE :: MARCH 7-8, 2026

Welcome

TO THE 2026 ANDREW CATTLE CO BULL SALE

Welcome to our 2026 and first annual Andrew Cattle Co Bull Sale. We would like to extend a heartfelt thank you to all the buyers who made our 2025 sale a tremendous success. Your trust and shared passion for high-quality genetics inspire us to continually deliver superior cattle, year after year.

THIS YEAR'S OFFERING

For 2026, we are excited to present an expanded selection of bulls, maintaining the same level of quality and consistency that defined our inaugural sale. This year, we have chosen to offer more bulls and are hosting the sale through DLMS Farmgate. We invite everyone to visit the farm and view this outstanding group of bulls in person.

Join us for an open house on the afternoons of March 7th and 8th at the farm. We look forward to welcoming you and sharing our program.

WHY INVEST IN ANDREW CATTLE GENETICS?

The cattle and beef industry is experiencing an exciting period, with strong prices and unprecedented demand. It is an excellent time to invest in top-quality genetics that deliver real returns. We believe that our bullpen can help you add pounds to your herd and produce top-tier replacement females. Our focus remains on breeding high-quality, functional cattle that excel in practical, real-world conditions.

COMMITMENT TO TRANSPARENCY AND QUALITY

We honestly report all calving, weaning, and yearling data. You can trust our birthweights, and we would never sell a bull we did not believe could calve unassisted. Our commercial cows consistently deliver calves with birthweights between 100-125 lbs unassisted. These same cows serve as recipients for our embryo program, which can result in higher birthweights for some embryo calves. As one trusted veterinarian has advised us, "the biggest indicator of higher weaning weights is birthweights."

PERFORMANCE DATA AND ANIMAL SELECTION

Every bull we sell is evaluated with EPD and DNA profiles, giving you additional tools to assess and select your next herd sire. We are committed to producing cattle that balance strong EPDs with outstanding structure, presence, muscling, and performance. The feet you see are the feet you will get—we only intervene in the case of injury, and we are transparent about any such occurrences.

BUY WITH CONFIDENCE

You can purchase from this group with confidence, knowing these are bulls we would use in our own purebred and commercial herds to produce both high-end females and top-end steers. Our dams exhibit superior udder quality, from our donor cows to the animals acquired from Circle G Simmentals. We have diligently culled any lesser quality cows so you can buy with peace of mind. These bulls are docile and easy to work with—sometimes a little too much so, as Memphis and Kip can attest to after receiving an unexpected tongue bath or two.

SALE AND DELIVERY DETAILS

All bulls will pass a breeding soundness exam before sale. We will arrange to deliver the bulls to you as soon as possible. If you prefer your bulls to remain at the farm until your breeding season, please contact us to make arrangements and ensure they are fully insured.

CONCLUSION

We look forward to seeing you at our open house or hearing from you if you are unable to attend. You can buy these bulls with confidence in both our cattle and our process. This group represents our strongest and most consistent offering yet, and we are extremely proud to present them for your appraisal.

FROM THE DESK AT T BAR C

Welcome to an exciting new venture as Jeremy and his crew have developed a top cowherd that offers outcross to most with heavy influence on cow families and fundamental traits. The top 18 bulls have made the cut with a sharp sorting stick that ensures high quality and again heavy dominance built on cow power. These bulls are super docile, hairy and ready for intense use. The two full brothers that lead the way for this year's offering are the kind you search long and hard for. Built solid from the ground up, these boys offer consistency in a good-looking package. Another added feature is the amount of white faces this offering has. Always real popular are baldy cattle and these guys have them. Where you're looking for power cattle or something to introduce into the heifer pen we assure you this firm is ready for you. Also interesting to note one of the top open heifers to sell this past fall was from this outfit and was a \$32,500 feature in our recent Fallsview sale. To conclude this program is becoming a force and we endorse doing business here to the fullest.

Any questions please don't hesitate to call.

Ben Wright

HOW TO PARTICIPATE IN A FARMGATE TIMED AUCTION:

After you are at the Farm Gate Timed auction site click the LOGIN/REGISTRATION button.

FIRST TIME FARMGATE USERS: First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. (please note due to some of the text notification features the Farm Gate Time Auction Site requires a new account separate account from your DLMS Live sale site)

- After you create your Farm Gate account you will receive a txt message with a pin code to verify your account.

- On your first log in to Farm Gate Timed auctions we recommend you go to your profile and confirm your notifications are set to YES. This allows the site to send you text and/or email notifications when you are out bid and if there is activity on your favorite lots.

RETURNING FARMGATE USERS: If you have used Farm Gate Timed auctions in the past simply enter your user name and password to continue. After you have logged in you are able to browse the timed auctions on DLMS Farm Gate Timed Auctions.

HOW TO BID IN A TIMED AUCTION: Now that you are logged in and your account phone number / email is verified you are able to bid on an upcoming sale. Simply find the lot you are interested in bidding on. After you have found the lot there are 2 options for bidding on the lot.

Place Next Bid - to place the next bid on the item, you see the amount in the first box, you simply click the "Place Bid" button and after you review the bid and agree to the terms and conditions your bid will be placed.

Max Bid Amount - to place a max bid you put your max bid in the second box listed as "Max Bid" on the item, and then click the "Place Bid" button and after you review the bid and agree to the terms and conditions your bid will be placed as the next bid. With the Max Bid placed the computer will then keep you as the high bidder to the max amount you have placed. This can be a great feature if you are not able to give 100% attention to the sale close out and protect your interest so you do not miss out on any lots you want to purchase. The Max Bid amount is completely confidential from the seller during the sale process.

Example of How the Max Bid Works - If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but

if someone else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest. Please note that in some cases a lot value can change very quickly if 2 max bids are placed on the same lot competing against each other.

WATCH LIST FEATURE: If you have items in multiple auctions or only a few from the same auction that you want to watch with out having to scroll through the entire list you can add the lots to your watchlist. On each lot you will see the "eye" button beside the bid button, by clicking this "watchlist" icon that item is added to your personal watchlist for easy viewing of just your favorite lots in this sale or on the entire saite.

SALE ENDING / CLOSEOUT: Most Farm Gate Timed Auction sales close racehorse style with extended bidding.

WHAT IS RACEHORSE STYLE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORKS? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

BIDDING CLOSE & FOLLOW-UP: After the clock has gone to "ENDED" and no bidding has occurred for 5 min the computer will declare the sale finished. Following the close typically within 24 hours of the sale close the sale consignor will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot. Or as the winning bidding you can contact the sale consignor / sale manager to confirm payment instructions.

- Please make sure that your account info is up-to-date and correct if you are the winning bidder of a lot as this is how the billing is sent to Sale manager and/or Sale consignor.

ET. Homo Polled. Homo Black.
 This ET standout Wheatland Dimensional son out of the proven 8380F donor is impossible to miss the moment you step into the pen. He delivers serious frame, explosive performance, and commanding presence with bold dimension, wide-based structure, a powerful topline, and heavy natural muscle and capacity. If you're looking for a herd sire to add real size, pounds, growth, thickness, and extra stretch to your calf crop don't miss 1015N. This powerhouse combines elite pedigree with standout phenotype, ready to elevate your commercial or seedstock program.

Homo Polled. Homo Black.
 One of many impressive KWA Knight Shade sons that look sharp and move with athletic ease in the pen. This large-framed bull is built to pack on serious pounds, sports the highly sought-after blaze face, and comes as a natural calf from the proven MMWK Ms Linnette 14K. Weaned at an impressive 887 lbs, he's versatile enough to work in wherever you use him.

LOT 3

Homo Polled. Homo Black.

This standout natural son of Circle G BLK Jesse 0174H grabs attention in the pen. A long-bodied baldie from our CWA bull pen, he brings fluid movement, commanding presence, smoothness, and moderate natural birth weight—making him an exciting prospect.

S: KNIGHT SHADE

ET. Homo Polled. Homo Black.
 Bright Knight has been a personal favorite all fall. He stands out with his exceptional shape and commanding presence, paired with a clean, moderate frame that makes him an incredibly appealing, balanced package. Sired by KWA Knight Shade, a bull renowned for producing progeny with outstanding feet and structural soundness, we expect all his calves to inherit the same rock-solid quality. Don't let the ET birth weight on paper concern you; this bull is designed for easy calving while delivering strong growth and performance. A moderate, attractive, functional herd sire prospect ready to make an immediate impact. Don't miss this standout!

ET. Homo Polled. Homo Black. This son of the proven Wheatland Dimensional and Bright N Classy delivers stunning beautiful markings that catch your eye from across the pen. This powerful genetic combination creates a standout herd sire with unmatched presence, bold dimension, eye-catching color and pattern, deep body, heavy muscling, and a commanding look that will stamp premium calves. Designed for producers looking to elevate calf crops he is backed by elite pedigrees renowned for shape, power, and maternal strength. A true sale highlight with real wow factor and proven bloodlines—don't let this one walk by!

LOT 6

ET. Homo Polled. Hetero Black.

This 5015C × Bright N Classy son is exactly what you'd expect. He is good footed, smooth, and flashy. His full sister is a highly sought-after donor owned by Wilson Stock Farm and Canadian Sires and Donors. He carries the same look and presence that make his sister and dam such desirable females. If you're looking to produce top-end females, this is the herd sire for you.

Terms & Conditions

TERMS:

The terms of the sale are cash or cheque, payable at par at sale time. The right of property shall not pass until after settlement has been made; unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS:

Each purebred animal will carry papers issued by the appropriate breed association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES:

It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

We will assist in arranging transportation wherever possible. Each purchase becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to participate in the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

SEMEN RIGHTS:

Andrew Cattle Co. reserves the right to draw semen from any bull sold through the sale for in-herd use only. Collection will be at the owner's convenience and the seller's expense.
