SIGHT UNSEEN PURCHASE PROGRAM

We will gladly put our credibility and reputation on the line to source the best bull for your operation. We spend hundreds of hours a year with our cow herd and have watched the majority develop from calves to mature cows. If you are unable to attend or prefer to stay home, we would be happy to assist you with the selection of your next herd sire. If you purchase a bull and are not completely satisfied upon delivery, we will keep the bull at no expense to you. Contact Kelly or Kyle prior to sale day to discuss.

WATCH LIVE & BID ONLINE

Sale will be broadcast live on DLMS. Be sure to log in and sign up to bid prior to the start of the sale.

Direct Livestock Marketing Systems

DLMS
www.dlms.ca

VOLUME DISCOUNTS

2 or more bulls - 5% discount

Additional 1% for every bull purchased, up to 10% for 10 bulls

DELIVERY

Bulls will be kept free of charge until May 1. Bulls must be insured if left at the farm following the sale.

Option A: Bulls taken home the day of the sale receive a \$100 discount from purchase price.

Option B: At the buyer's option and risk, the bulls will be kept at the farm and delivered anywhere in Western Canada at no charge to central locations. We will do our best to deliver them right to your yard.

Option C: Bulls can stay at the farm and be picked up any time at the buyer's convenience.

USA EXCHANGE & EXPORT TESTING

American funds will be accepted at the most current rate of exchange announced on sale day.

All export testing will be covered by Ashworth Farm & Ranch.

BULL PHOTOS & VIDEOS

Pictures & Videos by Prairie Pistol Designs - Laura Horner

Bulls pictured January 2-5, 2026 and videoed February 12-13, 2026

SEMEN RIGHTS

We reserve the right to collect semen on any bull in the sale for in-herd use only.

FULLY GUARANTEED

All bulls are guaranteed to be satisfactory breeders in accordance with Canadian Simmental Association guidelines. Should a problem occur barring physical injury or mismanagement, a bull of equal value will be provided or a credit will be issued towards the purchase of another bull.

DIRECTIONS TO THE FARM

From Weyburn, SK: 46 miles South on Hwy #35, Turn East on TWP 012 or at farm sign for 2.5 miles

From Estevan, SK: 38 miles West on Hwy #18, 8 miles South of Oungre on Hwy #35, Turn East on TWP 012 or at farm sign for 2.5 miles

From Fortuna, USA: 2 miles north of USA/Canada Border Crossing on Hwy #35, Turn East on TWP 012 or at farm sign for 2.5 miles

Gale Welcome

Welcome to our 23rd annual bull sale offering, one that we are proud to have held our herd prefix. As things continue to progress through some of the best days the beef industry has seen, we feel as thankful as ever that this is the way of life we get to enjoy daily. We know things change quickly in this world and do not take for granted the opportunity we have been given. Thank you to those who helped us make this last year a success. That includes all our valued customers, our dedicated hired help as well as the family and friends who have pitched in throughout the year. We welcomed a new face here in December, George Smith, along with his wife and two children. We are excited to have them join our team. James, Lee and Lachlan are fixtures around here day to day and their help is beyond invaluable year-round through the many busy seasons. Lachlan has taken the role of herdsman and ran with it while recently purchasing a neighbouring yard. We are happy to have him and Freya put roots down and remain in our community for years to come.

This year's offering is one of our largest to date and we think when viewed you'll agree that it is one of our highest quality as well. You will see three significant new sire groups within the red offering, including the feature bull purchased from Lazy S; Harvestor 315L and American import; CDI Prosper 32L. We also added a breeding share from the 2024 spring sale season highlight; Blackgold Tangleflags. The red offering is anchored by two standout Red Mountain sons of the R Plus 1083J female we purchased with Double Bar D farms for \$130,000 out of the R Plus dispersal. Our black offering also has new sire groups this year, including the widely successful American AI sire; ES Right Time and the first calf crop off Crossroad Dateline. There is also a larger more representative set of sons off High Bluff Kingston. One new addition to the calving ease section will be the W2 Southside sire group who calved well for us and whose sons have performed above expectations. We still have a large group of repeat sires in both the performance and calving ease portions of the offering. Those sires include the likes of Slider, Alpha, Vegas, Asset, Shamrock, Red Mountain along with many others. The bulls were photographed between January 2nd to 4th and have changed significantly in the last month, so please review the offering on cattlevids after our video dates of February 12th and 13th.

Our herd health program and all bull fertility testing continues to be managed by Dr. Carmen Langevin, Flying C Veterinary. We have entrusted this role to Carmen for years and are happy to have her in our corner throughout the year to assist with any export testing of bulls heading south. Our herd nutrition has been handed over to our good friend, Matt Criddle of Bullseye Nutrition. We have seen an improvement in overall fertility and the condition of our cow herd since he took on that role. Again, our bulls are being developed on a TMR ration that was developed by Matt himself. We feel the bulls will be in a condition that allow them to grow to their fullest, while not being over fed resulting in a bull that should last well into the future. Our capable sales staff will remain largely unchanged outside of the addition of Gary Rairdan, of Stettler Auction Mart. Mr. Rairdan brings a wealth of knowledge and has been involved behind the scenes the last couple years marketing our bulls into Alberta - so do not hesitate to reach out to him. The Bohrsd Marketing crew will be back again this year and any of the guys listed will be more than capable to happily assist you with any questions. They have extensive insight into our cowherd after years spent assisting us in our bull sale marketing. Our auctioneer will once again, will be our good friend, Ryan Hurlburt.

We feel this set of bulls well represents our breeding program being exceptionally sound and the type that will be of value for years to come. We are as always, focused on providing bulls with fresh genetics backed by our proven cow herd. As always, any calls or questions will be gladly answered. At this time calving has well progressed and since slowed down, so visits would be greatly welcomed. If you are not able to attend the sale, please do not hesitate to reach out to Kelly or Kyle as either of us would be glad to provide an honest opinion on any bull in the offering. We hope to see you in the coming month and welcome you to join us on March 9th at the ranch for a great smoked brisket meal and hospitality.

The Ashworth Family

Kelly & Janice

Kyle, Kelsey, Payton & Reagan

SPECIAL THANKS TO THOSE WHO HELPED WITH CLIPPING, PICTURING & VIDEOING OF THE SALE BULLS:

1

- These Simmental cattle have a way of showing when they'll be special at a young age and these flush mates were both standouts from day one
- ET brothers off the legendary Red Mountain and our joint purchase with Double Bar D from the R Plus dispersal
- 93N is our red high performer of the year, while weaning off over 900 lbs and hitting yearling weight of 1410 lbs.
- Long bodied, stout topped and big proper feet we love this combination of dark red colour and all out performance

Miss R Plus 1083J - Dam of Lot 1 & 2

- 108N is as complete of a herd sire prospect that we have put forward in recent memory and when studying him, you'll find it tough to find a hole in this one
- He is deep chested, wide based, ideal headed and easy doing with solid fundamentals of great feet and a structure that carries him with ease
- His dam is still in the early stages of her productive window but so far has done a tremendous job of adding performance to whichever sire we have chosen to flush her to
- Most would remember the job the Red Mountain daughters did in the herds that utilized him, and adding the 1083J donor to an already great maternal bloodline should make incredible females

2

KWA 55N - Maternal Sib to Lot 1 & 2

- This is another prospect we knew was going to be a fun one to put through the paces on the way to the bull sale. We strongly considered keeping him for ourselves
- 15N has as much natural depth and stoutness as any of his pen mates and carries pen presence that has stopped all visitors to this point
- An outcross red pedigree made up of majority black genetics and a touch of Angus to keep it extra fresh
- Dam has been a consistent producer and is a very well-built, half-blood female out of the Musgrave Big Sky bull
- **3/4 Percentage Simmental**

****ALL PROSPER SONS WILL BE SUBJECT TO PUREBRED FRACTION CHANGES, ONCE THE CSA REMEDIES A MISTAKE ON THE IMPORT FRACTION OF CDI PROSPER 32L****

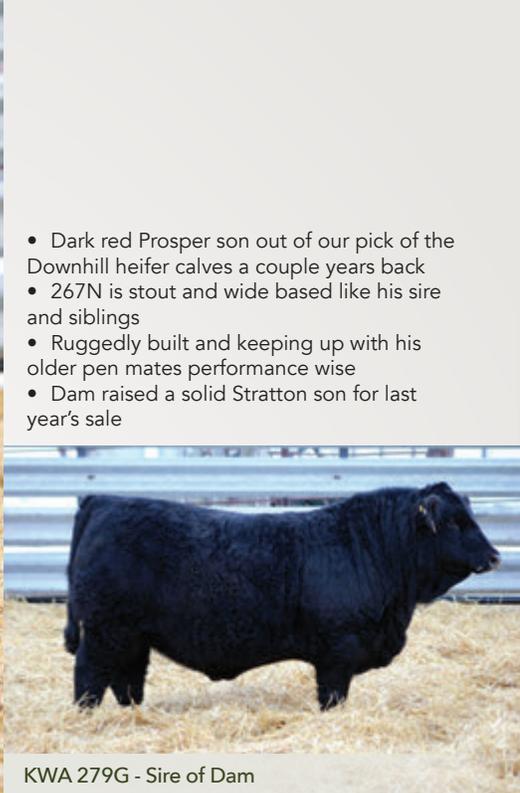

- Prosper is a new sire group for 2026 that we think will knock some socks off
- 132N is a rugged, easy doing type of bull that is free moving and one that jumps out at visitors when touring the pen
- Great footed and ideal disposition out of a solidly built Roosevelt female with a top grade udder
- Performance herd sire EPDs along with actual weaning weight and yearling weights that are a fit for your next red cow bull

CDI Prosper 32L - Sire of Lots 4-11

5

KWA 279G - Sire of Dam

- Dark red Prosper son out of our pick of the Downhill heifer calves a couple years back
- 267N is stout and wide based like his sire and siblings
- Ruggedly built and keeping up with his older pen mates performance wise
- Dam raised a solid Stratton son for last year's sale

- A solidly built Harvestor son here out of a perfect uddered Authority female who had a son sell through the sale, selling to the Mytophers.
- 141N would be an ideal bull for second calvers with some added calving ease but plenty of performance to go along with it

- Another one of these good hairy Harvestor sons out of an Overload female who raised this guy on her first go around
- Lots of thickness and a good solid build for a bull out of a first calver
- Solid calving EPDs

- Another very anticipated sire group for the year is the Tangleflags sons, who was the highlight red bull of the 2024 bull sale season
- 236N is one of the younger bulls in the offering but has been front and centre since weaning
- Long as a train and big topped with a tremendous hair coat
- Dam is a Playmaker daughter out of the 14X donor who is the same dark red and carries a long but powerful build

KWA 11K - Flushmate to Dam of Lot 18

KWA 25K - Flushmate to Dam of Lot 19

- Back to back years with feature sons for the 9K female who last year raised our lead off bull that sold to Hairy Hill Cattle Co.
- A thick, well rounded individual with solid performance numbers and an attractive look
- Dam is a Statement/14X daughter with a picture perfect udder
- Strong performance EPDs in weaning and yearling weight categories

- Big time Tangleflags son here out of a top end Roosevelt female who sent her first son to Grona Farms a couple springs ago
- Heavy, long and thick; 199N is a true performance bull who will also raise some phenomenal females
- Dam was purchased from Red Top and is massive middled, tight uddered and perfect footed

- The youngest red bull on offer but one that's holding his own while keeping pace with his pen mates
- Dam is a beautifully constructed Mountain daughter out of the 927W female we flushed successfully a few years back
- We retained a maternal sibling who we all agree on being our best bred heifer

- A different pedigree bull here being a 007 son out of a gorgeous Riddler female
- We have had awesome luck with the daughters off the 007 bull and think this guy would be a great candidate for someone looking to add a female maker to their bull pen

40

KWA Future 3G - Sire of Lot 40

- Intriguing bull here being out of the old Future bull and a female we sourced from C Diamond, who has certainly jumped right to the top of her age group since arriving
- Dam is feminine and angular in her type with a great udder and a dark red hair coat
- 190N is dark hided and deep chested with plenty of dimension and muscle expression

- A long and smooth Slider son with a thick, shaggy hair coat
- Wide topped and plenty of performance for a calving ease bull with 17.5 calving ease EPD and -2.6 birthweight EPD
- Double bred calving ease being out of an Alpha female who raised him and did a great job on her first go around

KWA 6L - Paternal Sib to Lot 41

41

- 129N is our feature of the calving ease bulls for the year. We think he fits the mold of some of the feature bulls we've had go through the sale ring the last few years
- Long, smooth made and thick topped with good hip shape but a well designed small head
- Dam is a pretty headed Monarch female with a perfect udder out of an Export female who has been as productive as any in her age bracket here
- 14.7 Calving ease EPD and -0.6 Birthweight EPD

- He's soggy made with a great set of wheels under him

SMOKEHAUS
MEATS & DELI

**STARS LOT #1: CUT, WRAPPED & DELIVERED
HOMEGROWN 4-H STEER**

Finnley Jackson, has been in 4-H for 5 years and is an Intermediate member of the Viscount 4-H Beef Club. Her 2026 homegrown 4-H steer "Maverick", is off a Hereford/Black Angus dam and sired by KWA International 171K, that the Jackson family purchased from our 2023 Annual Bull Sale.

Her steer will be shown at the Regional 4-H Show in Saskatoon in early July and sent for butcher and processing. **Smokehaus Meats & Deli** of Martinsville, SK has graciously sponsored the processing costs.

Steer will be sponsored by **Ashworth Farm & Ranch Ltd. and Jackson Family Farm.**

The meat will be delivered to the successful buyer(s) once ready, delivery approximately in early August 2026.

**STARS LOT #2
HANDMADE
QUILT**

Created and donated by Torquay Quilters Block Party with funds received through Sask Lotteries Grant.

SIGHT UNSEEN PURCHASE PROGRAM

With inclement weather an issue on sale day in the past, we know how difficult it can be to get away from home. A growing number of cattlemen have entrusted us to represent them sale day. We will gladly put our credibility and reputation on the line to source the best bull for your operation. We spend hundreds of hours a year with our cow herd and have watched the majority develop from calves to mature cows.

If you are unable to attend or prefer to stay home, we would be happy to assist you with the selection of your next herd sire. If you purchase a bull and are not completely satisfied upon delivery, we will keep the bull at no expense to you.

VIDEOS OF ALL SALE BULLS WILL BE POSTED MID FEBRUARY.

63

KWA 161K - Maternal Sib to Lot 63

- Our second set of these Kingston sons and I think they really hit the mark this year
- 113N is a stylish bull offering a complete build with depth, thickness and a soft make, out of the 228E female who is the dam to the Asset 161K bull
- The dam of 113N is a beautifully constructed female who is a moderate perfect uddered, belly dragger type female
- Expectations will be high for 113N to produce some excellent females with his maternally stacked pedigree with multiple donor females represented including 75T, 228E and the Heaven Sent Lewis' legend and the American phenom C4 Sugar

- An impressive MID MARCH Kingston son, you won't find many bulls of this age sold this spring with as much substance to them
- Dam is a beautiful Right to Love female and man we are blown away with the job the daughters of his have done already
- 294N is moderate in his type but packs a ton of red meat and middle into this build and we think he's just starting to take off
- Ideal EPD profile with strong adjusted weights paint the picture that there is plenty of growth ahead for this stud

HPF Right to Love - Sire of Dam

- Hairy, stout made Slider son here with some extra stretch to compliment his calving ease frame
- Dam is a Broker/14X daughter with a big blaze to compliment her attractive build and awesome udder
- A top candidate for a calving ease role

- A big time calving ease prospect here
- Dam is a direct daughter of the great W21 donor and the Estate bull we used very successfully for years
- 37N is massive middled, stout hipped and holds his own alongside the performance bulls but while still possessing top end calving statistics

W21 - Maternal Grand Dam

94

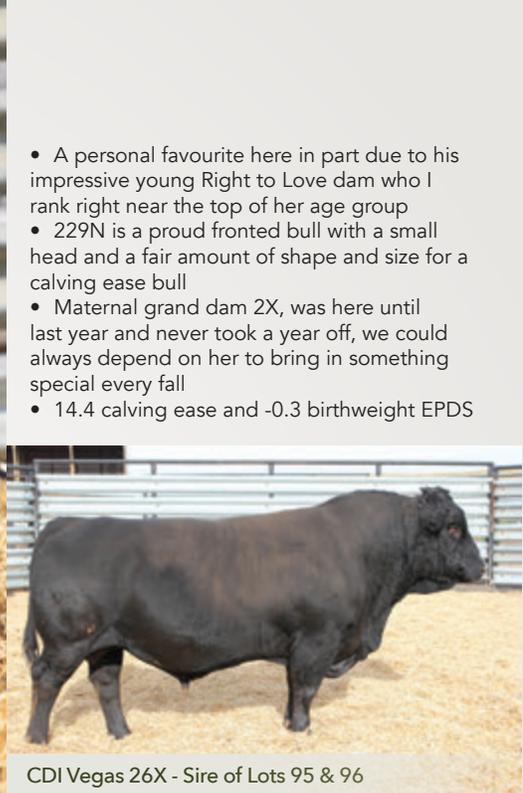

- Another high end calving ease option here with a great look and more than adequate performance for a heifer bull
- Dam is a model young female out of the cow maker Black Market and the powerhouse 408B female from KBR
- Have this guy on your short list for the heifer pen as he has enough "go" to make some keepers

KWA Slider 196F: Sire of Lots 92-94

95

CDI Vegas 26X - Sire of Lots 95 & 96

- A personal favourite here in part due to his impressive young Right to Love dam who I rank right near the top of her age group
- 229N is a proud fronted bull with a small head and a fair amount of shape and size for a calving ease bull
- Maternal grand dam 2X, was here until last year and never took a year off, we could always depend on her to bring in something special every fall
- 14.4 calving ease and -0.3 birthweight EPDS

- Another good numbered calving ease bull out of a fault free Black Market female
- 154N is a moderate, tanky bull out of Vegas who did a great job leaving us with a highly productive set of daughters
- 11.6 Calving Ease and 0.8 on Birth Weight EPDS

KWA 117K - Paternal Sib to Dam of Lot 96

96

- I think we may have hit the jackpot here after buying this guy's dam from our friends at Tandem T Farms. They said she'd fit in and if I cut her tag out no one would know she was brought in
- 2N was in dam when we purchased 21L and he's been at the front end of this year's set since birth
- Dam is a great uddered daughter off an Interstate son the Ponich's purchased. He was a son off my favourite black female 6F, an Odyssey/14X daughter that Robert and I termed the "show cow" even though we have never hung a halter on her
- 2N is an attractive individual with extra stretch, moderate frame and a deep rib with loads of natural shape
- 83 lbs birthweight and near 1400 lbs adjusted yearling weight - he's a curve bender

98

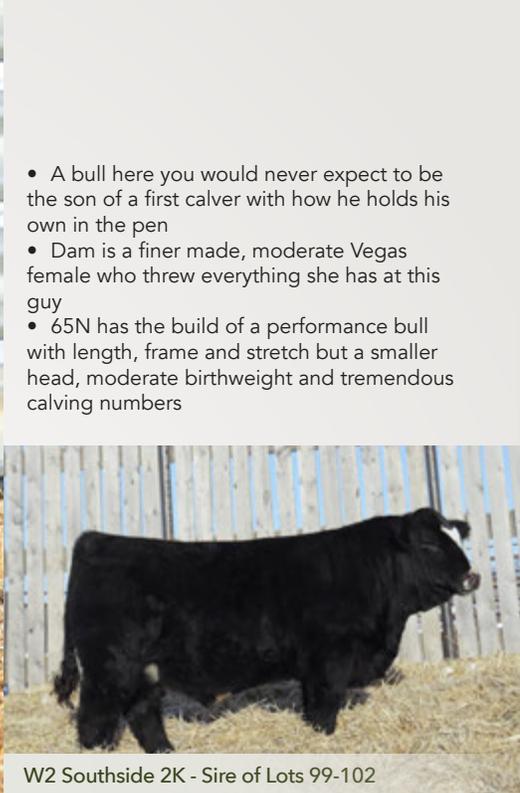

- We have an awesome set of these Southside sons who should be further ahead in the book but regardless, they'll be tough to miss on sale day
- 111N is a long bodied, wide based bull with a cool look about him
- Dam is a full sibling to the Holyfield bull who has been very successful for Black Gold and W2
- Dam is a sturdy built female with a superb udder and a thick hair coat just like her son

KWA Holyfield 96J - Full sib to Dam of Lot 98

99

W2 Southside 2K - Sire of Lots 99-102

- A bull here you would never expect to be the son of a first calver with how he holds his own in the pen
- Dam is a finer made, moderate Vegas female who threw everything she has at this guy
- 65N has the build of a performance bull with length, frame and stretch but a smaller head, moderate birthweight and tremendous calving numbers

- A rugged, baldy Southside that catches my eye often in the pen
- Wide pinned and masculine these Southsides perform at a higher degree than most calving ease cattle
- Dam is a Slider female who outdid herself bringing this guy in last fall
- 88 lbs birthweight and top end calving ease and birthweight numbers

KWA 54L - Paternal Sib to Dam of Lot 100

	94	713	1318	7	3.5	82.6	125.7	22.9	4.2		64.1	114.07	73.27						

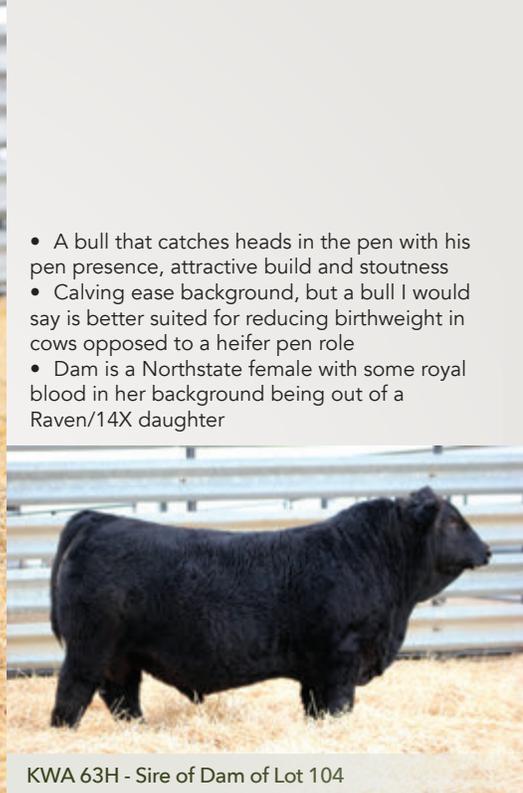

- The son of our infamous 408B female who's onto her fourth son through the sale
- 84N is a super stout, heavy muscled bull with a splash of white on his face to make his calf crop pop at the auction mart
- Dam is a tank of a cow who always raises a good one with no help from us

103

104

KWA 63H - Sire of Dam of Lot 104

- A bull that catches heads in the pen with his pen presence, attractive build and stoutness
- Calving ease background, but a bull I would say is better suited for reducing birthweight in cows opposed to a heifer pen role
- Dam is a Northstate female with some royal blood in her background being out of a Raven/14X daughter

- A young, blaze faced Strutter who finishes off this years offering with an attractive look and some length and smoothness to ensure proper calving ease
- Calving ease option here for the heifer pen with just a 74 lbs birthweight
- Dam is a beautiful Black Market daughter out of the 3A female who is also the mother of lot 65.

*High Sellers
 of 2025*

It has been a true privilege to work alongside the Ashworth Farm and Ranch team of Oungre, Saskatchewan, supporting their livestock nutrition program.

The Ashworth cow herd is maintained year-round on a fully fortified, intensive mineral program. This disciplined nutritional approach has played a key role in building a cowherd recognized for its maternal strength, structural integrity, and exceptional longevity within the Simmental breed.

Yearling bulls are developed on a high protein concentrate ration complemented by a fully chelated mineral package. The development focus for the sale bulls is to optimize skeletal growth, muscle expression, and long-term durability, ensuring they enter service capable of breeding efficiently and sustainably.

The Ashworth family stands firmly behind the program and the cattle it produces, and this offering represents a powerful, uniform set of bulls that discerning cattlemen will not want to miss.

Best of luck on sale day!

Gale Terms & Conditions

The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made prior to the sale. The right of property shall not pass until after settlement is made. Ashworth Farm & Ranch Ltd. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should the purchaser fail to settle for his purchase, Ashworth Farm & Ranch Ltd. reserves full power to resell the animal to the best advantage, either publicly or privately, without further notice. Any loss arising from such resale, together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Ashworth Farm and Ranch Ltd., along with sale management have the right to refuse bids from anyone who has a previous record of default in payment and/or who has not made prior credit arrangements prior to the sale with the owners and/or sale management.

BID - Every animal consigned to the sale must be sold by auction. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold.

ANNOUNCEMENTS from the auction block will take precedence over printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - The proper Registration of Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made.

SHIPPING - Assistance will be given in making shipment after the sale, but sale management or seller assumes no risk. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to determine delivery arrangements when making settlement.

GUARANTEE - All animals will carry standard breeding guarantee as specified by the Canadian Simmental Association. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void. In the cases of bulls, they are guaranteed to breed naturally according to Canadian Simmental Association guarantee.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Sale management assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Ashworth Farm & Ranch Ltd, sale management, auctioneer, or CSA assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and the terms and conditions of this sale do not cover obligations of the two parties connected thereto.

SALE MANAGEMENT ARE AGENTS ONLY - It is clearly understood that sale management acts only as agent between buyer and seller and is not in any way responsible for any failure by either party to live up to his or her obligations. Sale management does not assume any financial obligations to collect or enforce collection of monies by either parties, and in exceptional case, any legal action will be between buyer and seller. Sale Management has no ownership of the facility and assumes no responsibility for the operation of said facility.
