Welcome to the 2026 BAR DOUBLE M BULL SALE!

It's Bull Sale Time Again!

Always a pleasure to welcome our customers and friends, who have braved the storm of recent years. We all worked together through it together and now the good times are here.

The cattle business is on fire and all the reports say it will continue, your cattle are a favorable inventory and a great asset to have once again. Mother nature is testing us all year long, to adjust to hot and dry to the cold and dry is the cows biggest challenge to survivability and sustainability.

North and East have been getting the moisture so the bulls are fighting over who gets to get away and go there.

If you are in need of some bulls or just want to look we welcome you to Balog Auction on Saturday March 28th. The bulls are fed at home so you won't find the fattest bulls but they can compete to the most cows. We have and will continue to adapt to the everchanging needs of the cattle industry for our customers.

Please Join us March 28. Lunch will be served before the sale. Dinner will be served before the Sale.

See you at the sale,
Mitch and Karen Merrill

A WORD FROM CASTLEROCK MARKETING

Fellow Cattlemen:

The Merrill family have been breeding purebred Angus for over 8 decades and by the look of the family picture there are many more to come. Always strong believers in having performance and doability to serve all sectors of the industry. A truly family run operation that represents what rural life looks like these hard working people are always striving to hone their genetics. You can see by studying the pedigrees that using their own genetics back within the herd is important to put those top end cows they own back in on the top side of their pedigrees. They've raised these sires and watched them develop throughout the year and cleared the hurdles. With the saying that the cattle are only as good as the people then you as a buyer have a great family bringing you bulls to town that will work in your operation.

Study the catalogue, genetics and visit the ranch to grasp the efforts and deep seated desires that go into breeding cattle. You will be impressed!

If I can be of service to you answering questions or assisting you in your sight unseen purchases please reach out. This is our living, working with great families and to serve your interests comes first and foremost

See you sale day!
Shane Castle
